A HERO'S JOURNEY Mose M. Kinsey,2024-07-25 What's a Hero Heroes come in all shapes sizes ages and Male or Female They are everyday people in our communities and society The label Hero is given to someone for many reasons The first thing that comes to mind are acts of bravery on the battlefield a Police Officer in the line of duty a Firefighter pulling someone from a burning or building The word Hero is a very complex term and it has evolved over time A Hero can be

someone whom inspires others to do a common good for themselves and others in their community One that sets high standards for himself or herself Someone whose deeds and accomplishments are worthy of praise by others One that overcame tremendous odds against them and inspired others to do the same They are people whom are not afraid to stand up for what they believe is right Someone whom helps when the benefit and praise is knowingly going to someone else Soldiers whom chose to defend our country while knowing and understanding that they may not survive their journey of service to their Country By Mose M Kinsey The Last Chance School Success Guide Ruth Herman Wells,1995 You ... A Philosophizing Human Will C Thomas Jr,2008-03 The idea behind the book is to inspire people and especially my family to read and to write Somehow I started reading comic books between the ages of three and four And not really knowing how that happened U continued to read various books even with several nieces and nephews hanging all over me those that lived with us I remember reading in elementary school There is no frigate like a book to take you miles and miles away somewhere on the reading tests my mother and father were told in elementary that I read at a twelfth grade level Read in a neighborhood that stressed playing outdoors brought some pointed finger at a boy who was sitting on the porch reading in the summer while his peers passed by to go play some game Yet it helped him pick up many philosophies along the way Certainly I struggled to write sentences that did not always begin with I I did so because I believed that one's thoughts could be put on paper So what you read here are some of my thoughts and philosophies that have been with me over many years
