Pope John Paul II Unabridged:

Witness to Hope George Weigel, 2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world Pope John Paul II, 2005 **Pope John Paul II** Mieczysław Maliński, 1982 This informal biography by Pope John Paul's lifelong friend is best described as a warm and personal reminiscence The author recalls the trials that Karol had to face from the time of his youth the influence of the war years on his personality development his studies and teaching all the way to his election to the Papacy Written with sensitivity and candor it is the portrait of a man of extraordinary courage and faith a man whose personal and national experience however testing nurtured his humanity The author a fellow priest and a fellow Pole shares numerous anecdotes spanning some forty years friendship with Wojtyła experiences from their days of youth as well as the more recent experiences in Wojtyła's leadership in a struggling Church *Pope John Paul II* Pope John Paul II, 2007 In a papacy that lasted more than a quarter of a century Pope John Paul II left a huge amount of official teaching through encyclicals apostolic exhortations and letters homilies addresses and other published texts This anthology has been selected from his many writings with introductions explaining their importance and place in Catholic doctrine The book arranges his teaching according to twelve themes including revelation the human condition the sacraments spirituality and more Each chapter and where necessary sections of chapters have brief introductions aimed at situating the teaching Readers will find that this book draws on the most important and clearest examples of the pope's teachings relies on primary sources not paraphrases provides comprehensive information about various sources available for those who wish to read the full texts of the documents organizes the many disparate areas on which the pope spoke encourages the readers to make their own judgments about this late pope and is the first of its kind in the English speaking world Book jacket Pope John Paul II and the Religious Life Pope John Paul II, 1980 **Prayers and Devotions from Pope John Paul II** Pope John Paul II, 1994 365 daily meditations from the Pope Pope John Paul II Life Magazine Editors, 2001-09 **The Cambridge Companion to Vatican II** Richard R. Gaillardetz, 2020-05-28 This Companion provides an accessible guide for those seeking to comprehend the significance of

Vatican II for Catholicism today It offers a thorough overview of the Second Vatican Council the most significant event in the history of Roman Catholicism since the Protestant Reformation Almost six decades since the close of the council its teaching remains what one pope referred to as a sure compass for guiding today s church The first part of the Companion examines the historical theological and ecclesial contexts for comprehending the significance of the council It also presents the key processes as well as the participants who were central to the actual conduct of the council The second part identifies and explores the central themes embedded in the council documents The Companion concludes with a unique appendix intended to guide students wishing to pursue more advanced research in Vatican II studies

Crossing the Threshold of Hope

Pope John Paul II,1995-09-19 A great international bestseller the book in which on the eve of the millennium Pope John Paul II brings to an accessible level the profoundest theological concerns of our lives He goes to the heart of his personal beliefs and speaks with passion about the existence of God about the dignity of man about pain suffering and evil about eternal life and the meaning of salvation about hope about the relationship of Christianity to other faiths and that of Catholicism to other branches of the Christian faith With the humility and generosity of spirit for which he is known John Paul II speaks directly and forthrightly to all people His message Be not afraid
