Are Popes Really Needed? Alfonso Borello, SYNOPSIS How do you become a man of love beyond religion beyond culture beyond nation A very short biography of Angelo Roncalli better known as the blessed Pope John XXIII who headed the Catholic Church from 1958 until his death in 1963 EXCERPT According to some well informed individuals someone is seriously interested in brainwashing the masses and make them believe anything A new world order And more and more paranoid souls on the other front It s quite sad and as well intriguing that history gets rewritten over and over again some documents disappear while new ones come out of nowhere with fascinating revelations and of course interpretations It s also interesting that history books of other countries differ substantially Who s telling the truth and does it really matter Was Galileo such a bad guy the scientist who needed to know everything and create conflicts with our dogmas Are these charlatans still meeting by the Bernini s masterpiece The Ecstasy of St Theresa What s the secret path and what s the metaphor in it As you re well aware the Vatican is visited by over thirty million souls every year and it s somehow challenging to keep track of everyone who mingles and concocts new historical drama around here Once upon a time the Roman Church was the only government it told kings what to do it financed monarchies it made laws it was the only game in town What s our game now What s up with the embassy in Washington built in the late eighties The last and most fascinating theory is that inside the catacombs underneath the Vatican we re keeping the ashes of St Peter and of course Jesus Christ perhaps even against his will according to the Church of England The reason they re both here is because St Peter was the very first one to see Christ s resurrection he wasn t so he was instructed to build his own place but apparently they didn t get along well after completion and after my extensive walks at night I couldn t find neither Money yes you heard that right We have plenty of money we have plenty of gold and and what are the consequences Why so many popes ended up dead Power Secret societies again or God forgives me some other conspiracy We had an intruder not too long ago who made a humble attempt to take possession of important documents from the Vatican s archives papers about the Church involvement in the holocaust and numerous writings by Galileo and Copernicus he had a long walk inside because our library is fifty miles long Another Illuminati s special As you can well imagine being a pope is a tough job Sunday messages diplomatic ties investments keeping track of priests with hidden life instincts gathering intelligence on secret societies and staying alive **Christianity and**

Human Rights Reconsidered Sarah Shortall, Daniel Steinmetz-Jenkins, 2020-09-24 This volume showcases the work of a new generation of scholars interested in the historical connection between religion and human rights in the twentieth century offering a truly global perspective on the internal diversity theological roots and political implications of Christian human rights theory **Mi vida con los santos** James Martin, 2010-03-01 Para el padre James Martin SJ los Santos son mucho m s que estatuas de yeso son amigos personales En Mi vida con los Santos James Martin nos presenta una conmovedora experiencia respect a su relaci n con los Santos desde Mar a la madre de Jes s hasta San Francisco o la Madre Teresa y la manera personal en la que ha sido dirigido por los heroes de la Iglesia a lo largo de toda su vida El padre James

nos presenta vidos y encantadores relatos de los Santos m s populares permiti ndonos ver no solo su santidad sino su humanidad A partir de esta experiencia descubrimos la llamada y posibilidad de vivir la santidad en nuestra propia humanidad James Martin has led an entirely modern life from a lukewarm Catholic childhood to an education at the Wharton School of Business to the executive fast track at General Electric to ministry as a Jesuit priest to a busy media career in Manhattan But at every step he has been accompanied by some surprising friends the saints of the Catholic Church For many these holy men and women remain just historical figures For Martin they are intimate companions They pray for me offer me comfort give me examples of discipleship and help me along the way he writes The author is both engaging and specific about the help and companionship he has received When his pride proves trouble some he seeks help from Thomas Merton the monk and writer who struggled with egotism In sickness he turns to Th r se of Lisieux who knew about the boredom and self pity that come with illness Joan of Arc shores up his flagging courage Aloysius Gonzaga deepens his compassion Pope John XXIII helps him to laugh and not take life too seriously Martin s inspiring witty and always fascinating memoir encompasses saints from the whole of Christian history from St Peter to Dorothy Day His saintly friends include Francis of Assisi Ignatius of Loyola Mother Teresa and other beloved figures They accompany the author on a lifelong pilgrimage that includes stops in a sunlit square of a French town a quiet retreat house on a New England beach the gritty housing projects of inner city Chicago the sprawling slums of Nairobi and a gorgeous Baroque church in Rome This rich vibrant stirring narrative shows how the saints can help all of us find our way in the world **40 Days, 40 Ways** Marcellino
