Miller, Tricia Miller**

## **Popular Culture And Industrialism 1865 189:**

**A Nation of Agents** James E. BLOCK, James E Block, 2009-06-30 In this sweeping reinterpretation of American political culture James Block offers a new perspective on the formation of the modern American self and society Block roots both self and society in the concept of agency rather than liberty and dispenses with the national myth of the sacred cause of liberty with the Declaration of Independence as its American scripture Instead he recovers the early modern conception of agency as the true synthesis emerging from America's Protestant and liberal cultural foundations Block traces agency doctrine from its pre Commonwealth English origins through its development into the American mainstream culture on the eve of the twentieth century The concept of agency that prevailed in the colonies simultaneously released individuals from traditional constraints to participate actively and self-reliantly in social institutions while confining them within a new set of commitments Individual initiative was now firmly bounded by the modern values and ends of personal Protestant religiosity and collective liberal institutional authority As Block shows this complex relation of self to society lies at the root of the American character A Nation of Agents is a new reading of what the first new nation did and did not achieve It will enable us to move beyond long-standing national myths and grasp both the American achievement and its legacy for modernity

Table of Contents Preface 1 The American Narrative in Crisis Part I The English Origins of the American Self and Society 2 The Early Puritan Insurgents and the Origins of Agency 3 The Protestant Revolutionaries and the Emerging Society of Agents 4 Thomas Hobbes and the Founding of the Liberal Politics of Agency 5 John Locke and the Mythic Society of Free Agents Part II The Ascendancy of Agency and the First New Nation 6 The Great Awakening and the Emergent Culture of Agency 7 The Revolutionary Triumph of Agency Part III The Dilemma of Nationhood 8 The Liberal Idyll amidst Republican Realities 9 From the Idyll Liberation and Reversal in a World without Bounds Part IV The Creation of an Agency Civilization 10 National Revival as the Crucible of Agency Character 11 From Sectarian Discord to Civil Religion 12 The Protestant Agent in Liberal Economics 13 John Dewey and the Modern Synthesis Conclusion The Recovery of Agency Notes Index

Reviews of this book A Nation of Agents is a work of extravagant erudition and originality James E Block has read voraciously in the sources seen things that few have seen before and put them together as none have done before He sets forth a new view of American culture threading his thesis through three centuries of American thought and the preceding century of English thinking besides Michael Zuckerman Journal of American History Reviews of this book What a wonder then is James Block's book a daring master narrative and bracing theoretical exercise of the first order It promises and delivers nothing less than a fundamental recasting of the American path to a modern self and society Robert Westbrook Christian Century Reviews of this book James Block's big ambitious A Nation of Agents leaves no doubt about its aspirations in the contest to solve the Gordian knot of the relationship between the one and the many in American social thought The subtlety and acuity with which Block develops these themes through scores of thinkers and over 500 pages can scarcely be exaggerated A Nation of Agents is a

genuinely prodigious work of scholarship Daniel T Rodgers *Modern Intellectual History* This is an original and exciting work of scholarship in which the idea of agency takes on the characteristics of a deep cultural imperative in American life Block's agency thesis is at once a genealogy of modern American identity and a theoretical exploration of the horizon within which American political and moral self reflection is conducted Eldon J Eisenach The University of Tulsa The most remarkable aspect of this book is the author's ability to weave a single thread the thread of agency through four centuries of Anglo American intellectual history Block's great achievement is to propound a new common theme to American history *A Nation of Agents* is a beacon for scholars seeking a usable past If ever intellectual history is to regain its prominence in the field of American history it will require works like this Harry S Stout Yale University [The Gospel of Wealth in the American Novel](#) (Routledge Revivals) Arun Mukherjee, 2015-08-11 Business and the businessman have had a fundamental place in American society since the inception of the nation This tenet the gospel of wealth is a central concern in the novels of Theodore Dreiser and his contemporaries First published in 1987 this study sets this group of writers in their historical context and shows how they elaborated the idea of wealth as an object of quasi religious quest What had previously been associated with disease and darkness avarice and dishonour now came to emblematised the virtues of thrift prudence and diligence The underlying argument is that the dominant group of a society legitimises its power through the appropriation of the vocabulary of religion and the American business leaders were successful in doing this both in their own practice and through the more insidious medium of art A detailed analysis this reissue will be of particular value to students of American literature with an interest in the relationship between linguistic symbols and social order and historical attitudes towards wealth in literature [The Gambler King of Clark Street](#) Richard C Lindberg, 2009-06-12 The Gambler King of Clark Street tells the story of a larger than life figure who fused Chicago's criminal underworld with the city's political and commercial spheres to create an urban machine built on graft bribery and intimidation Lindberg vividly paints the life of the Democratic kingmaker against the wider backdrop of nineteenth century Chicago crime and politics McDonald has long been cited in the published work of city historians members of academia and the press as the principal architect of a unified criminal enterprise that reached into the corridors of power in Chicago Cook County the state of Illinois and ultimately the Oval Office The Gambler King of Clark Street is both a major addition to Chicago's historical literature and a revealing biography of a powerful and troubled man Illinois State Historical Society Scholarly Award Certificate of Excellence 2009 Society of Midland Authors Biography Award 2009 **The School of Hawthorne** Richard H. Brodhead, 1990-02-22 In The School of Hawthorne Brodhead uses Hawthorne as a prime example of how literary traditions are made not born Under Brodhead's scrutiny the Hawthorne tradition opens out onto a wide array of subjects many of which have received little previous attention He offers a detailed account of Hawthorne's life in American letters showing how authors as varied as Melville Howells James and Faulkner have learned from Hawthorne's model while all the while changing the terms in which he has been read As he traces Hawthorne's

continued life among his heirs Brodhead also reflects on the ways in which writers receive and resist official tradition how their work is conditioned by the institutionalized pasts that surround them and how they go about creating new traditions to counter existing ones An important contribution to literary history The School of Hawthorne also establishes new ways in which literary history itself can be understood German-American Socialist Literature, 1865-1900 Carol Poore, 1982 It is generally unrecognized that German socialist immigrants to the United States in the nineteenth century produced a large body of original literature poetry drama fiction and established a flourishing network of newspapers theaters and other cultural organizations aimed at the large number of German speaking workers in the United States Based on extensive research in archives this study presents the first comprehensive analysis of German American socialist literature and culture placing it within the context of both the German Social Democratic Party and the American labor movement and focusing on modes of reception the development of literary forms the function of alternative perceptions of culture and the relevance which this progressive heritage has today *Popular Culture and Everyday Life* Professor Toby Miller, Toby Miller Alec McHoul, Dr Alec W McHoul, Trish Miller, Tricia Miller, 1998-09-10 This broad ranging survey of social and cultural theory issues an audacious challenge to contemporary cultural studies emphasis on speculation rather than observation Toby Miller and Alec McHoul invite the reader to question their participation in both dominant and subcultural practices by providing perspectives on the everyday through ethnography textual reading discourse analysis and political economy Following a summary of key ideas on an everyday practice such as eating or talking each chapter considers the discourses that construct these practices and concludes with one or more empirical investigations opening up the possibility of a significant departure in cultural studies The book ends with an excellent glossary of cultural studies terms **German-American Socialist Literature in the Late Nineteenth Century** Carol Poore, 1979 **Library Catalog of the Metropolitan Museum of Art, New York** Metropolitan Museum of Art (New York, N.Y.). Library, 1980 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries, 1979 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System). Institute of Library Research, University of California, Berkeley, 1972 **The Cumulative Book Index**, 1969 A world list of books in the English language **Adolf Hitler** Walter Görnitz, 1952 *Catholic World*, 1967 *Where is Vietnam?* Walter Lowenfels, 1967 Britain and the Papacy in the Age of Revolution, 1846-1851 Saho Matsumoto-Best, 2003 Britain's support for constitutional government in Italy and anxieties about the Irish Catholic Church brought Britain and the Papacy briefly together From the time of the Reformation Anglo Vatican relations have typically been seen as a long history of unending antagonism and mutual suspicion but this has not always been the case This book sheds light on one of the most curious episodes in early Victorian history when around the time of the 1848 revolutions in Europe a rapprochement almost developed between Britain and the papacy and British politicians and writers

referred to the new head of the Catholic Church Pius IX as the good pope Integrating diplomatic political ecclesiastical and social history Saho Matsumoto Best traces the factors that brought these two traditionally hostile powers together and the reasons why this rapprochement was doomed to failure She demonstrates how the desire to support constitutional government in Italy and to curb the activities of the Irish Catholic church led the government of Lord John Russell to build a close relationship with Pius IX and how failure to understand the Vatican's priorities and anti papal and anti Catholic feeling in Britain particularly in the context of the restoration of the Catholic hierarchy in 1850 eventually destroyed this policy This study is an important and original contribution to the current debate about the nature of mid nineteenth century Britain and sheds new light on the British role in Italian unification It will also be of great interest to students of nineteenth century European international and ecclesiastical history and of the 1848 revolutions

**Portrait of a Russian Province** Catherine Evtuhov, 2011-11-13 Several stark premises have long prevailed in our approach to Russian history It was commonly assumed that Russia had always labored under a highly centralized and autocratic imperial state The responsibility for this lamentable state of affairs was ultimately assigned to the profoundly agrarian character of Russian society The countryside home to the overwhelming majority of the nation's population was considered a harsh world of cruel landowners and ignorant peasants and a strong hand was required for such a crude society A number of significant conclusions flowed from this understanding Deep and abiding social divisions obstructed the evolution of modernity as experienced naturally in other parts of Europe so there was no Renaissance or Reformation merely a derivative Enlightenment and only a distorted capitalism And since only despotism could contain these volatile social forces it followed that the 1917 Revolution was an inevitable explosion resulting from these intolerable contradictions and so too were the blood soaked realities of the Soviet regime that came after In short the sheer immensity of its provincial backwardness could explain almost everything negative about the course of Russian history This book undermines these preconceptions Through her close study of the province of Nizhnii Novgorod in the nineteenth century Catherine Evtuhov demonstrates how nearly everything we thought we knew about the dynamics of Russian society was wrong Instead of peasants ground down by poverty and ignorance we find skilled farmers talented artisans and craftsmen and enterprising tradespeople Instead of an exclusively centrally administered state we discover effective and participatory local government Instead of pervasive ignorance we are shown a lively cultural scene and an active middle class Instead of a defining Russian exceptionalism we find a world recognizable to any historian of nineteenth century Europe Drawing on a wide range of Russian social environmental economic cultural and intellectual history and synthesizing it with deep archival research of the Nizhnii Novgorod province Evtuhov overturns a simplistic view of the Russian past Rooted in but going well beyond provincial affairs her book challenges us with an entirely new perspective on Russia's historical trajectory

Understanding the American Promise, Volume 2: From 1865 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Alan Lawson, Susan M. Hartmann, 2011-04 In response to the ever changing

challenges of teaching the survey course Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students attention on what s truly significant Each chapter is fully designed to guide students comprehension and foster their development of historical skills Brief and affordable but still balanced in its coverage this new textbook combines distinctive study aids a bold new design and lively art to give your students a clear pathway to what s important

**Who Designs America?** Laurence Bedwell Holland,1966 The immense problems confronting American design derive not only from the mediocrity of taste or corruptions of practice in the public at large and within the design professions but also from the immense scale and challenging complexity of the opportunities now open to the designer the difficulty of defining the standards that should govern creative design in an expanding and changing society and the difficulty of establishing the authority institutionalizing the observance of such standards in an industrial and democratic community Back cover

**Britain's Industrial Revolution in 100 Objects** John Broom,2023-02-22 The period of Britain s Industrial Revolution was perhaps the most transformative era in the nation s history Between about 1750 and 1914 life and work home and school church and community changed irreversibly for Britain s rapidly expanding population Lives were transformed some for the better but many endured abysmal domestic and workplace conditions Eventually improvements were made to Britain s social fabric which led to the prospect of richer and more fulfilled lives for working men women and even children Focusing on 100 objects that either directly influenced or arose from these changes John Broom offers a distinctive insight into this fascinating age With plentiful illustrations and suggestions for visits to hundreds of places of historical interest this book makes an ideal companion for a journey into Britain s industrial past

**National Union Catalog** ,1956 Includes entries for maps and atlases

### **Popular Culture And Industrialism 1865 189 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Popular Culture And Industrialism 1865 189 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Popular Culture And Industrialism 1865 189 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Popular Culture And

Industrialism 1865 189 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Popular Culture And Industrialism 1865 189. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Popular Culture And Industrialism 1865 189 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Popular Culture And Industrialism 1865 189 Books

1. Where can I buy Popular Culture And Industrialism 1865 189 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
