and travel back to a period before television and radio a time when tales were passed on orally at the drying kilns at the communal well or in homes where families would gather around a crackling and spitting hearth and granddad or grandma or uncle or auntie would delight and captivate the gathering with stories passed on to them from their parents and grandparents from time immemorial A proportion of the profit from the sale of this book will be donated towards the education of the underprivileged in Scotland **Popular Tales of the West Highlands** John Francis Campbell, 2018-05-14
