**Popular Annuals of Eastern North America, 1865-1914** Peggy Cornett Newcomb, 1985 Using the evidence of written documents seed and plant lists catalogues and illustrations the author attempts to show which annuals were popular and how they were used in the fifty year period following the Civil War Several commercial seed lists are reproduced to document the changing styles of gardening Popular Annuals of Eastern North America, 1865-1914 Peggy Cornett Newcomb, 1981

Preserving Historic Landscapes, 1990 *All about Flowers* Thomas J. Mickey, 2021-05-07 A nineteenth century entrepreneur's bold innovative marketing helped transform flower gardens into one of America's favorite hobbies There is much that is hard and productive of sorrow in this sin plagued world of ours and had we no flowers I believe existence would be hard to be borne So states a customer's 1881 letter one of thousands James Vick regularly received Vick's business selling flower seeds through the mail wasn't unique but it was wildly successful because he understood better than his rivals how to engage customers emotions He sold the love of flowers along with the flower seeds Vick was genuinely passionate about floriculture but he also pioneered what we now describe as integrated marketing He spent a mind boggling 100 000 per year on advertising mostly to women his target demographic he courted newspaper editors for free publicity his educational guides presaged today's content marketing he recruited social influencers to popularize neighborhood gardening clubs and he developed a visually rich communication and branding strategy to build customer loyalty and deflect their purchasing needs with purchasing desire *Landscapes in History* Philip Pregill, Nancy Volkman, 1999-01-25 The definitive one stop reference to the history of landscape architecture now expanded and revised This revised edition of *Landscapes in History* features for the first time new information rarely available elsewhere in the literature on landscape architecture in India China Southeast Asia and Japan It also expands the discussion of the modern period including current North American planning and design practices This unique highly regarded book traces the development of landscape architecture and environmental design from prehistory to modern times in Europe the Middle East Asia and North America It covers the many cultural political technological and philosophical issues influencing land use throughout history focusing not only on design topics but also on the environmental impact of human activity Landscape architects urban planners and students of these disciplines will find here The most comprehensive in depth and up to date overview of the subject Hundreds of stunning photographs and design illustrations A scholarly yet accessible treatment drawing on the latest research in archaeology geography and other disciplines The authors own firsthand observations and travel experiences Insight into the evolution of landscape architecture as a discipline Useful chapter summaries and bibliographies **Old-fashioned Flowers** Tovah Martin, Brooklyn Botanic Garden, 2000 Once forgotten flowers and the stories behind scores of captivating plants from the past are rediscovered in this fully illustrated volume Alternately admired and considered out of fashion these enchanting blossoms have been the bedrock of spectacular bouquets and have provided medicine and food throughout the centuries This

book delves into the history of classic bulbs ravishing old garden roses antique annuals and perennials heirloom houseplants and vintage vines Tips on how to create period floral arrangements and an extensive list of hard to find heirloom suppliers make it easy to reintroduce these beloved garden species into a contemporary setting Keeping vintage flowers available and teaching gardeners how to grow these heirlooms this book ensures that neither they and nor their fabulous history will disappear

*A History of Zinnias* Eric Grissell,2020-03-30 A History of Zinnias brings forward the fascinating adventure of zinnias and the spirit of civilization With colorful illustrations this book is a cultural and horticultural history documenting the development of garden zinnias one of the top ten garden annuals grown in the United States today The deep and exciting history of garden zinnias pieces together a tale involving Aztecs Spanish conquistadors people of faith people of medicine explorers scientists writers botanists painters and gardeners The trail leads from the halls of Moctezuma to a cliff diving prime minister from Handel Mozart and Rossini to Gilbert and Sullivan from a little known confession by Benjamin Franklin to a controversy raised by Charles Darwin from Emily Dickinson who writes of death and zinnias to a twenty year old woman who writes of reanimated corpses and from a scissor wielding septuagenarian who painted with bits of paper to the Black Grandma Moses who painted zinnias and inspired the opera Zinnias Zinnias are far more than just a flower They represent the constant exploration of humankind s quest for beauty and innovation

*Jefferson's Garden* H. Peter Loewer,2004 Noted plantsman Peter Loewer profiles Thomas Jefferson as gardener and landscape architect focusing on the gardens at Monticello with descriptions of the annuals perennials trees shrubs and vines that Jefferson grew Insights on each plant from Jefferson the writers he admired and those who admired him are combined with Loewer s unique perspective gardening hints and stunning line drawings

*Regional Garden Design in the United States* Therese O'Malley,Marc Treib,1995 Increased mobility uprootedness and the pace of change in an increasingly technological society have contributed to interest in regionalism which places value on cultural continuity in local areas These essays lay the foundation for examining regionalism in American garden design

**The Vernacular Garden** John Dixon Hunt,Joachim Wolschke-Bulmahn,1993 Much has been written on the traditions of elite gardens but little attention has been directed to the gardens of more humble and popular cultures that reflect regional localized ethnic personal or folk creations These articles reflect growing interest in a range of cultural artifacts that demonstrate how culture influences surroundings

**Garden History** John Dixon Hunt,1992 This collection of essays explores the issues methods and approaches that students in landscape architecture have developed during that period to cope with the expanding subject of gardens and their history The volume will serve as a bench mark in the field with its range of approaches and wealth of illustrative material Each contributor focuses upon a specific piece of his or her research and uses this as a basis to discuss the wider implications of the study of gardens within such contexts as botanical horticultural agrarian literary technological social culture political and art history Provided by publisher

**Hybrid** Noel Kingsbury,2011-11-15 Noel Kingsbury reveals that even those imaginary perfect foods are

themselves far from anything that could properly be called natural rather they represent the end of a millennia long history of selective breeding and hybridization Starting his story at the birth of agriculture Kingsbury traces the history of human attempts to make plants more reliable productive and nutritious a story that owes as much to accident and error as to innovation and experiment Drawing on historical and scientific accounts as well as a rich trove of anecdotes Kingsbury shows how scientists amateur breeders and countless anonymous farmers and gardeners slowly caused the evolutionary pressures of nature to be supplanted by those of human needs and thus led us from sparse wild grasses to succulent corn cobs and from mealy white wild carrots to the juicy vegetables we enjoy today At the same time Kingsbury reminds us that contemporary controversies over the Green Revolution and genetically modified crops are not new plant breeding has always had a political dimension Publisher s description
