

## **"Popular Capitalism."**

Thatcher pushed hard for bringing "popular capitalism" to Britain, moving major state industries like telephones and gas supply to the private sector. The economy thrived to the point that in 1985, the Treasury announced it would not need deficit spending in the next fiscal budget.

### **What she didn't change:**

- did not follow through with her plans to privatize the water industry or the National Health Service, and failed to revamp Social Security. Inflation rose and inflation rates remained high. Among political tensions, she resigned from office in 1990.
- she left Britain's economy different from how she found it
