*Population Bulletin* ,1951      *Population Bulletin of the United Nations* ,1951      **The Impact of Population Growth on Well-being in Developing Countries** Dennis A. Ahlburg,Allen C. Kelley,Karen Oppenheim Mason,2013-03-14 This book examines the nature and significance of the impact of population growth on the well being of developing countries in particular the effects on economic growth education health food supply housing poverty and the environment In addition because family planning programmes often significantly affect population growth the study examines the impacts of family planning on fertility and health and the human rights implications of family planning programmes In considering the book s conclusions about the impact of population growth on development four caveats should be noted First the effects of population growth vary from place to place and over time Thus blanket statements about overall effects often cannot be made Where possible the authors note the contexts in which population effects are strongest and weakest Second all of the outcomes examined in this book are influenced by factors other than population growth Moreover the impact of population growth may itself vary according to the presence or absence of other factors This again makes blanket statements about the effects of population growth difficult Throughout the chapters the authors try to identify other relevant factors that influence the outcomes we discuss or that influence the impact of population growth on those outcomes      **Population Reports** ,1977      **East European Accessions List** Library of Congress. Processing Department,1951      **United Nations Bulletin** ,1954      **Population and Development** Robert Cassen,1994-01-01 This volume presents the latest thinking concerning the effect of population growth on economic development and other areas of global concern The authors address the complex

issues that currently face both developed and developing country governments in all areas of population growth exploring impacts within their country and internationally      *The Responsibility to Protect* International Commission on Intervention and State Sovereignty, International Development Research Centre (Canada), 2001 Responsibility to Protect Research bibliography background Supplementary volume to the Report of the International Commission on Intervention and State Sovereignty
