Population Policy Contemporary Issues

Merviö, Mika Markus

Population Policy Contemporary Issues:

Population Policy Godfrey Roberts, 1990-04-23 This volume addresses some of the most important questions that have arisen in recent debates about population policy in the Third World What are some of the national policy priorities How are they implemented How successful have they been What is the role of international agencies in the implementation of population policy What are some of the legal and ethical issues involved The contributors focus on the Asian region but also offer a geographically balanced treatment of the subject by including papers that discuss the experiences of countries such as Brazil Mexico Colombia and African nations

Islam and the Securitisation of Population Policies Katrina Riddell, 2016-05-06 There has been much scholarly debate on the politically disruptive capabilities of Islam and the threats to global security posed by or to Muslim states and societies but within this dialogue there has been little recognition of the role of population policies in security issues Katrina Riddell's study focuses specifically on Islam and the securitization of population policies and sustainability Opening with a discussion of contemporary population discourses and their historical foundations the book examines how population growth has become an international security issue The author takes the examples of Pakistan and Iran to provide a nuanced understanding of Muslim states interaction with global debates on sustainability She also explores how Muslim and non Muslim states societies and agents perceive issues of population growth and control Providing an innovative approach to the pursuit of global sustainability and security this book presents useful material to scholars whose research focuses on Islam and the future

International population policy issues and choices for the United States., 1987

Contemporary Social Issues in East Asian Societies: Examining the Spectrum of Public and Private Spheres Merviö, Mika Markus, 2014-01-31 While the balance between private and public sectors are based primarily on the experiences of the wealthy societies in Western Europe and North America the global reach and increased political weight of East Asian economies is bound to influence other societies as well Contemporary Social Issues in East Asian Societies Examining the Spectrum of Public and Private Spheres focuses on modern highly developed East Asian societies and their social issues particularly ones that are related to family institution and health By examining the modernized global society and its connectedness this book is a vital resource for researchers students and academicians interested in the distinctive features connected with local social and cultural traditions of East Asian society

Contemporary Issues in Family Studies Angela Abela, Janet Walker, 2013-10-02 This volume tackles key issues in the changing nature of family life from a global perspective and is essential reading for those studying and working with families Covers changes in couple relationships and the challenges these pose parenting practices and their implications for child development key contemporary global issues such as migration poverty and the internet and their impact on the family and the role of the state in supporting family relationships Includes a stellar cast of international contributors such as Paul Amato and John Coleman and contributions from leading experts based in North Africa Japan Australia and New Zealand Discusses

topics such as cohabitation divorce single parent households same sex partnerships fertility and domestic violence Links research and practice and provides policy recommendations at the end of each chapter

Contemporary Problems of Pakistan Korson,2022-03-07 Contemporary Issues in International Political Economy Fu-Lai Tony Yu,Diana S.

Kwan,2019-05-22 This book is the product of a team teaching course entitled Issues in Economic Development offered to the final year students of Department of Economics and Finance at Hong Kong Shue Yan University In this volume the authors comprehensively survey world s most controversial issues in economic and political affairs Topics in this volume cover Christianity Islam confrontation ISIS and anti terrorism North Korea and Taiwan Strait Crises China s rise as a global power Brexit Artificial Intelligence Bitcoin same sex marriage global warming happiness and well being This book can be used as a reader or textbook in courses such as International Political Economy and International Development or as a reference for scholars and policy makers

International Handbook of Population Policies John F. May,Jack A. Goldstone,2022-07-01 This Handbook offers an array of internationally recognized experts essays that provide a current and comprehensive examination of all dimensions of international population policies The book examines the theoretical foundations the historical and empirical evidence for policy formation the policy levers and modelling as well as the new policy challenges The section Theoretical Foundations reviews population issues today population theories the population policies framework as well as the linkages between population development health food systems and the environment The next section Empirical Evidence discusses international approaches to design and implement population policies on a regional level The section Policy Levers and Modelling reviews the tools and the policy levers that are available to design implement monitor and measure the impact of population policies Finally the section New Policy Challenges examines the recurrent and emerging issues in population policies This section also discusses prospects for demographic sustainability as well as future considerations for population policies As such this Handbook provides an important and structured examination of contemporary population policies their evolution and their prospects

Politics of Abortion and Birth Control in Historical Perspective Donald T. Critchlow,2010-11-01 While there is extensive literature on the social history politics and legal aspects of birth control and abortion in the United States the history of family planning as a policy remains to be fully recorded This volume is intended to contribute to this history by examining birth control and abortion within a larger cultural policy and comparative framework The essays contained in this volume represent a variety of perspectives and scholarly interests In many instances the authors differ with each other as well as with the editor on fundamental points of historical interpretation They all however share a commitment to study the politics of population within a scholarly framework that emphasizes the importance of policy history for understanding past and contemporary problems

Managing Development in a Globalized World Habib Zafarullah,Ahmed Shafiqul Huque,2017-09-25 Traditionally development has been rooted in ideologies and assumptions prevalent in the developed world and in practices and strategies adopted by leading industrial

nations However historically eclectic ideas and approaches often clash with existing long established notions of progress and modes of realizing social and economic change *Managing Development in a Globalized World Concepts Processes Institutions* explores this topic by incorporating ideas and interpretations that have previously been neglected or given inadequate attention in the discourse on developing countries It underscores development as a continuous process that must be supported by sound policies and efficient management supplying a wider understanding of the field The authors argue that the application of innovative development techniques and best practices is essential for obtaining optimum results in meeting the needs of society They examine the style of managing development with a new perspective that links the phenomenon with changing demands and the interplay of internal external actors and a host of stakeholders An exploration of key sectors in development provides clear comprehension of problems and solutions A careful synthesis of theoretical conceptual and empirical literature the book assesses real world situations and provides insight into the operational dynamics of development policies programs and institutions It focuses on goals values and dynamics of development management that are undergoing rapid changes and continue to be enhanced to alleviate poverty and improve living standards in an era of globalization and inter regional and inter institutional synergies It highlights best practices essential for the efficient and effective delivery of human development services that are designed and put in place to obtain optimum results in meeting the needs of society

People, Population Change and Policies Charlotte Höhn,Dragana Avramov,Irena E.

Kotowska,2008-03-08 This two volume work explores social cohesion and the demographic challenges of low birth rates and population aging Authors approach the topic from the perspective of citizens and policymakers analyzing attitudes from 14 European countries on demographic trends and expectations towards private networks and public policies Volume 2 focuses on family and family change value of children fertility intentions and views on work family balance

Contemporary

Issues of Economic Development in India Sebak Kumar Jana,Debasish Mondal,2017-01-01 The primary goal of economic development in developing economies is to promote higher standard of living of the masses A number of issues are throwing up enormous challenges presently in the path towards development of developing economies like India The present volume consisting of seventeenth papers highlights some contemporary key developmental issues in India The papers included in this volume address with analytical rigour some important issues in India like globalisation and economic reforms education health efficiency in agricultural and industrial development international mobility of foreign capital resource mobilisation of Panchayats economics of high value crop production sustainable irrigation Tagore s thoughts on rural development etc The papers have strong policy relevance in the current context of economic development in India as well other developing economies

World Population Policies John F. May,2012-03-30 This book examines the history behind the formulation implementation and evaluation of population policies in the more developed the less developed and the least developed countries from 1950 until today as well as their future prospects It links population policies with the theories of the

demographic epidemiological and migratory transitions It begins by summarizing the demographic situation around the world with an emphasis on population policies and their underlying theories Then it reviews the early efforts to reduce mortality and fertility in the developing countries This is followed by a description of the internationalization of the debate on population issues and the transformation of these programs into more formal population policies particularly in the developing countries The book reviews also the situation of the developed countries and their specific challenges sub replacement fertility population aging and immigration and examines the effectiveness of population policies It also explores the way forward and future prospects for population policies over the next decades The book provides numerous concrete examples from all over the world and show how population policies are actually implemented and what have been their successes as well as their constraints Above all the book highlights the importance of understanding underlying demographic trends when assessing the development prospects of any country The book is recommended for not only demographers social scientists and policymakers but also economists and political scientists who are interested in social and demographic change around the world Demography students and researchers who are interested in applying knowledge on population trends and prospects in designing and evaluating public policies will find this an invaluable reference work

Contemporary Issues in Global Medicine and Moving Toward International Healthcare Equity Comninellis, Nick, Waldman, Steven D., 2022-06-24 The COVID 19 pandemic is only the latest prompt about the importance of international health and its broad influence upon social wellbeing The COVID 19 pandemic has highlighted the need for an informed and coordinated effort to achieve international healthcare equity Leaders in international health must be conversant in its issues Contemporary Issues in Global Medicine and Moving Toward International Healthcare Equity provides an understanding of contemporary issues in international medicine It explores the impact of civil unrest on population health and provides practical strategies for providing clinical care in low resource settings Covering topics such as international public health maternal health and drug resistance this book is an essential resource for government officials medical officials physicians nurses social workers sociologists epidemiologists medical students students and educators of higher education researchers and academicians

50 Years Of Social Issues In Singapore David Chan, 2015-04-15 The social context of Singapore is changing rapidly and understanding how people think feel and behave in various situations has become a key driver of effectiveness in addressing social issues 50 Years of Social Issues in Singapore provides a comprehensive review and examination of various social issues at multiple levels of analysis including the individual group and society This invaluable book adopts a translational approach to social issues in Singapore by explicitly bridging intellectual and practical perspectives Contributed by a distinguished team of authors the chapters examine the critical ideas underlying public debates of social issues and their policy and practical implications The book is organized into three parts Part I examines issues of population and social fundamentals in Singapore such as ageing marriage urban planning healthcare and racial and religious harmony Part II

analyses Singapore's social progress through issues of inclusivity such as social mobility developing communities and marginal groups that deserve more attention Part III focuses on core principles and social processes related to social justice doing good social media and approaches to understanding and addressing social issues in Singapore Most importantly the chapters in this book clearly identify many of the critical unresolved and emerging questions on various social issues that will guide the next generation of public discussion and policy deliberations on what matter in Singapore

Intimate Interventions in Global Health Rachel Sullivan Robinson, 2017-05-11 This book considers the response to the HIV epidemic in sub Saharan Africa by examining family planning programs and HIV prevention efforts

Issues in Social Demography A. K. Sharma, 1989 **Undocumented Migration to the United States** Frank D. Bean, Barry Edmonston, Jeffrey S. Passel, 1990 Contains a collection of essays Assesses the impact of the Immigration Reform and Control Act IRCA of 1986 on illegal immigration with emphasis on undocumented migration from Mexico

Population and Development of the Arab Gulf States Nadeya Sayed Ali Mohammed, 2017-03-02 This thought provoking study measures and critically examines the effects that an average population growth rate of 2.8% could have on the development of the Arab Gulf States It questions the ability of Gulf governments to continue providing relatively high standards of education health and employment under conditions of rapid population growth an undiversified economic base and a tribal political framework Within this context population growth is identified as one important variable that hinders long term development The book will appeal to all those interested in the Middle East demography development and sociology

Population Policy and Individual Choice Marc Nerlove, Assaf Razin, Efraim Sadka, 1987-01-01 Review of welfare economics Externalities and public goods Endogenous fertility and potential market failure false issues Endogenous fertility and potential market failure real issues Children as a capital good Socially optimal population size beyond the pareto principle Directions for further research

Population Policy Contemporary Issues Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Population Policy Contemporary Issues free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Population Policy Contemporary Issues free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Population Policy Contemporary Issues free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Population Policy Contemporary Issues. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Population Policy Contemporary Issues any PDF files. With these platforms, the world of PDF downloads is just a click away.
