Sobrevivira Estados Unidos John Hagee, 2013-04-02 This new book by New York Times bestselling author and pastor John Hagee says the United States is heading into a Perfect Storm Titanic John F Kennedy's assassination 9 11 John Hagee maintains that these American tragedies all have one element in common they were unthinkable And in the opening pages of his newest book Can America Survive Hagee uses these tragedies to prove two points that the unthinkable can happen and given the right conditions the unthinkable can quickly become the inevitable In Can America Survive Hagee asserts that the seeds for tragedy are once again being sown evidenced by the disturbing economic geopolitical and religious trends that now threaten to dismantle the very nation itself Think it can't happen Hagee asks in a theme repeated throughout the book Think again Indeed Hagee presents alarming examples of recent events current research scientific evidence and biblical prophecy that are gathering to create a perfect storm that could bring down the unsinkable United States of America Can America Survive is not just a warning It is a wake up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster After all as Hagee points out those who do not remember the mistakes of the past are doomed to repeat them in the future Think it can't happen Think again Por los campos de exterminio Reyes Mate, 2003 A collection of articles Partial contents Working Through Memory Ofelia Ferrán, 2007 Studies various constructions of memory in contemporary Spanish literature evoking different aspects of a past of repression from both the civil war and the Franco regime This book analyzes narrative texts published between the 1960s and 1990s that present memory and the recuperation of a traumatic past as their main theme **Living the Death of Democracy in Spain** Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath In exploring the slow demise of the Spanish Republic and the course of the Civil War the authors have chosen to range in turn over cinematic literary and historical depictions of the era In addition reactions elsewhere in Europe to the Spanish conflict are examined the role of the International Brigades is looked at afresh the fate of children displaced during the Civil War is explored and the Spanish anarcho syndicalist movement is revisited The volume shows that to be any kind of soldier in the armies of the Republic or even to be seen as a Republican sympathiser was to become a non person in the new order in Spain under Franco and sets what supporters of the Republic had to endure within the wider European and international context of the period This book offers timely fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain's history This book was originally published as a special issue of Bulletin of Spanish Studies

Españolas en los campos nazis Amalia Rosado Orquín, 2024-06-17 Centenares de españolas perecieron en el infierno nazi En su exilio como republicanas muchas colaboraron con la Resistencia francesa aunque apenas se les ha concedido el mérito de protagonistas en la lucha antifascista Apresadas en la Francia ocupada desde allí fueron trasladadas a los campos de concentración Allí no solo experimentaron las mismas vejaciones y torturas que los hombres sino que sufrieron violencias específicas experimentación médica violencia sexual y ataques a su maternidad separándolas de sus hijos El catálogo de atrocidades que padecieron no tiene fin Recopilando este calvario colectivo e íntimo este libro describe la doble victimización sufrida por las españolas en el Holocausto contada por sus protagonistas Tras su liberación con el fin de la Segunda Guerra Mundial no pudieron regresar a España y sus relatos se situaron en la sombra de las narrativas masculinas y del olvido impuesto en nuestro país durante la dictadura Para rastrear sus experiencias la autora ha consultado archivos de 14 países y ha recopilado numerosos testimonios con el propósito de situar a estas mujeres en el lugar de la historia que se merecen Amalia Rosado Orquín es periodista y doctora en Estudios Interdisciplinarios de Género por la Universitat Jaume I Sus publicaciones abordan la figura de la mujer y su papel en la historia su principal área de investigación se centra en las víctimas del franquismo y del nazismo

El holocausto español Paul Preston, 2011-04-08 La represión durante la guerra y en la inmediata posguerra contada por el más prestigioso hispanista de la actualidad Durante la Guerra Civil española cerca de 200 000 hombres y mujeres fueron asesinados lejos del frente ejecutados extrajudicialmente o tras precarios procesos legales y al menos 300 000 hombres perdieron la vida en los frentes de batalla Además un número desconocido de hombres mujeres y niños fueron víctimas de los bombardeos y los exodos que siguieron a la ocupación del territorio por parte de las fuerzas militares de Franco En el conjunto de España tras la victoria definitiva de los rebeldes a finales de marzo de 1939 alrededor de 20 000 republicanos fueron ejecutados Muchos más murieron de hambre y enfermedades en las prisiones y los campos de concentración donde se hacían en condiciones inhumanas Otros sucumbieron a las condiciones esclavistas de los batallones de trabajo A más de medio millón de refugiados no les quedaba otra salida que el exilio y muchos perecieron en los campos de internamiento franceses Varios miles acabaron en los campos de exterminio nazis Todo ello constituye lo que a mi juicio puede llamarse el holocausto español El propósito de este libro es mostrar en la medida de lo posible lo que aconteció a la población civil y desentrañar los porqués Paul Preston Reseña Debiera ser de lectura obligada no solo para los interesados por
