Polyester Smoothie Brian Lee Tucker,2015-04-11 To the ladies of the adult film industry of the 1970s and 80s John Holmes was a polyester smoothie a real charmer a silver tongued devil and a thief of hearts But behind the scenes John was a little boy in a man s body who used sex and drugs and alcohol to fill the void that had been empty all of his life someone to love and someone to love him He thought he d finally found true love in a young girl named Dawn and she eventually moved in with Holmes and his sympathetic wife Sharon though drugs soon changed the dynamic to erratic behavior Holmes beat and prostituted Schiller before she fled and he became entangled in the so called Wonderland murders of 1981 A POLYESTER SMOOTHIE examines John Holmes life from BEHIND the scenes without all of the hoopla that led to him being hailed as the King of Porn As one former porn fan so eloquently put it I say to the porn world and all the people who idolize him you re idolizing this person who was horrid and if you re going to have a hero get someone else **Porn King** John C. Wonderland Dawn Schiller,2010-08-01 Painstakingly honest this chilling memoir reveals how a teenager became immersed in the bizarre life of legendary porn star John Holmes Starting with a childhood that molded her perfectly to fall for the seduction of the king of porn this autobiography recounts the perilous road that Dawn Schiller traveled from drugs and addiction to beatings arrests forced prostitution and being sold to the drug underworld After living through the horrific Wonderland murders of 1981 she entered protective custody ran from the FBI and turned in John Holmes to the police This is the true story of a young girl s harrowing escape from one of the most infamous public figures her struggle to survive and her recovery from unthinkable abuse *The Thrill Killer of Indy: Herb Baumeister, the I-70 Killer* Brian Lee Tucker,2015-09-20

Herb Baumeister seemed to have the perfect life a loving wife two beautiful children a summer home getaway and his own chain of thrift stores But hidden behind his clever disguise of normalcy was a totally unbalanced schizophrenic mind filled with violent sexual fantasies that could only be fulfilled by carrying out his fantasies through the act of autoerotic asphyxiation torture and murder In the book THE THRILL KILLER OF INDY author Brian Lee Tucker looks inside the mind of a killer bypassing the headlines rumors and conjecture and instead focuses on the INNER WORKINGS of a sick mind taking

us on a journey into a dark abyss that most of us have never seen and most people wouldn't want to **John Holmes**

Jennifer Sugar, Jill C. Nelson, 2011-10 This is the second expanded edition Most people might understandably predict that the world's first porn star was a woman but they would be wrong John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964 It was the infancy of hardcore so in Holmes' wildest dreams he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts With the fame he achieved by playing his most famous character a gun-toting detective named Johnny Wadd came money Holmes was pleased to spend it on his wife and mistresses but soon was in over his head after he became addicted to cocaine Unfortunately for Holmes in the years that followed his addiction led him into several desperate choices including setting up a robbery at the home of Ed Nash a powerful L.A. nightclub owner The robbery resulted in one of the most gruesome unsolved multiple murders in Hollywood history Amazingly before his untimely death in 1988 Holmes regained his momentum remarried and rebuilt his life and career However the grave consequences of his addiction his association with the Wonderland murders and his AIDS-related death made him an infamous figure in pop culture Digging past the stigmas John Holmes A Life Measured in Inches the first biography about John C. Holmes unearths the human being behind the penis and proves that there was more to him than could be measured in inches This biography includes material from the author's new interviews with Laurie Holmes Bill Amerson Bob Chinn Julia St Vincent Detective Tom Lange Detective Frank Tomlinson Paul Thomas Ron Jeremy Seka Marilyn Chambers Candida Royalle Rhonda Jo Petty Dr Sharon Mitchell Bill Margold and many others John Holmes A Life Measured in Inches also includes 114 reviews of John's most notable feature films 86 loops synopses 3 photos sections with rare nudes and a 21 page comprehensive filmography The tree of life represents the roots of man The branches are the different directions a man can take live or exist When you're dead those that you leave behind will put you in a part of that tree It represents what was what is and what will be It's eternal John Holmes **Grindhouse** Austin Fisher, Johnny Walker, 2016-09-22 The pervasive image of New York's 42nd Street as a hub of sensational thrills vice and excess is from where grindhouse cinema the focus of this volume stemmed It is arguably an image that has remained unchanged in the mind's eye of many exploitation film fans and academics alike Whether in the pages of fanzines or scholarly works it is often recounted how should one have walked down this street between the 1960s and the 1980s one would have undergone a kaleidoscopic encounter with an array of disparate exploitation films from all over the world that were being offered cheaply to urbanites by a swathe of vibrant movie theatres The contributors to Grindhouse Cultural Exchange on 42nd Street and Beyond consider grindhouse cinema from a variety of cultural and methodological positions Some seek to deconstruct the etymology of grindhouse itself add flesh to the bones of its cadaverous history or examine the term's contemporary relevance in the context of both media production and consumerism Others offer new inroads into hitherto unexamined examples of exploitation film history presenting snapshots of cultural moments that many of us thought we already knew Beneath
