Pornography And Censorship Fiction Int L:

Forbidden Fictions John Phillips, 1999-01-20 Phillips discusses texts by Apollinaire Pierre Loys Georges Bataille Pauline Réage Alain Robbe-Grillet Tony Duvert Elizabeth Barill and Marie Darrieussecq engaging in different levels of critical analysis so as to emphasize intertextual and parodic elements in one case or points of possible identification in another TLS French culture has long been perceived by the English speaking reader as somehow more erotic than its Anglo Saxon equivalent *Forbidden Fictions* is the first English language study devoted exclusively to the wide spectrum of French literary pornography in the twentieth century John Phillips provides a broad history of the genre and the associated moral and political issues Among the texts examined in detail all selected for their literary or sociopolitical importance are landmark works by Apollinaire Louis Bataille Réage Robbe-Grillet Arsan and Duvert Phillips challenges current politically correct trends in literary criticism and stereotyped censoring discourses about pornography to provide a new reading of each text and to illustrate the genre's potential for social subversion *Forbidden Fictions* addresses the most controversial issues of contemporary sexual politics such as objectification sadomasochism homoeroticism and paedophilia with particular emphasis on the feminist debate on pornography In the light of current controversy over the control of pornography this is a timely and scholarly review of the ethical moral and social arguments surrounding the censorship of sexually explicit material

William T. Vollmann Michael Hemmingson, 2014-01-10 Talking bugs electricity the founding of empires hobos Nazis whores violence drugs murder secret cabals Heaven Hell William T Vollmann is a writer of enormous novels that are stuffed with entire worlds of creation and destruction This first ever book length critical study traces his career to date with chapters devoted to each of his novels as well as his short stories and major nonfiction Vollmann is a writer of obsessions and this study concentrates on three of them freedom redemption and prostitution while arguing that the author that dwells on them is worthy of being called one of our greatest living American writers Also included are seven interviews spanning the years 1991-2007 that reinforce the persistence of Vollmann's attraction to these themes **Knockin' on Heaven's Door** Roland Boer, 2012-10-12 *Knockin' On Heaven's Door* offers a critically sophisticated and truly interdisciplinary analysis of the relationship between biblical studies and contemporary culture Specific biblical texts are examined in the light of cultural criticism and areas of popular culture including pornography heavy metal music and McDonald's hamburgers in the light of biblical criticism Ulrich's International Periodicals Directory, 1998 *Sexuality, Iconography, and Fiction in French* Jason James Hartford, 2018-02-19 This book explores the modern cultural history of the queer martyr in France and Belgium By analyzing how popular writers in French responded to Catholic doctrine and the tradition of St Sebastian in art *Queering the Martyr* shows how religious and secular symbols overlapped to produce not one but two martyr types These are the queer type typified first by Gustave Flaubert which is a philosophical foil and the gay type popularized by Jean Genet but created by the Belgian Georges Eekhoud which is a political and pornographic device Grounded in feminist queer theory and

working from a post psychoanalytical point of view the argument explores the potential and limits of these two figures noting especially the persistence of misogyny in religious culture The Female Figure in Contemporary Historical Fiction K. Cooper,E. Short,2012-10-29 From The Other Boleyn Girl to Fingersmith this collection explores the popularity of female centred historical novels in recent years It asks how these representations are influenced by contemporary gender politics and whether they can be seen as part of a wider feminist project to recover women s history **The Cinema of Catherine Breillat** Sophie Bélot,2017-08-28 In The Cinema of Catherine Breillat B lot offers a detailed analysis of Breillat s past and recent films Breillat is one of the most internationally renowned French women filmmakers whose notoriety is built on her explicit representation of women s sexuality Most of her films rely on a female protagonist s personal and intimate search of her self characterised by her sexual journey Facing censorship and controversy Breillat s films do not easily fit classification and place the viewer into an uncomfortable position This study looks at Breillat as an independent cinema auteur entertaining a close relation with her films by exploring and positing women from adolescence to adulthood as sexual beings reflecting her films identity emanating from Breillat s personal or intimate scenes **International Exposure** Lisa Z. Sigel,2005 Annotation The 10 essays in the volume engage a rich array of toplees including obscenity in the German States censorship in France s third republic she male internet porn the use of incest was longings in England **Permitted and Prohibited Desires** Anne Allison,2023-11-15 This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books stories of mother son incest lunchboxes or obentos that mothers ritualistically prepare for schoolchildren and children s cartoons Anne Allison brings recent feminist psychoanalytic and Marxist theory to bear on representations of sexuality motherhood and gender in these and other aspects of Japanese culture Based on five years of fieldwork in a middle class Tokyo neighborhood this theoretically informed accessible ethnographic study provides a provocative analysis of how sexuality dominance and desire are reproduced and enacted in late capitalistic Japan This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books stories of mother son incest lunchboxes or obentos that mothers ritualistically prepare for school **Between the Sheets** Hannah Frydman,2025-07-15 Between the Sheets reveals a space hidden in plain sight in Third Republican Paris where deviant sexualities and lives could be experimented with and financed despite republican attempts at growing and norming the population through the heterosexual family That space was the newspaper which was not simply a tool of normalization and a site of dominant discourse as it has frequently been imagined Reading between the lines Hannah Frydman shows how through the Belle poque classified the newspaper became a tool for living lives otherwise as information flowed from it not just vertically but also laterally facilitating person to person communication The sexual relationships exchanges and services enabled by this communication were far from utopian Surviving and thriving outside of social norms often required exploiting others Yet by attending to the lives and livelihoods

enabled by the classifieds ethical or otherwise Between the Sheets demonstrates that thanks to new innovations in media technologies queer and nonnormative lives in this period were lived in the center as well as on the margins It was this centrality however that inspired efforts to place new moral controls on mass cultural forms and technologies After World War I in an interwar moment often characterized as one of sexual liberation the press s queerness was subjected to ever increasing surveillance and control with repercussions for press freedom writ large These repercussions echo into our age of social media with its promise of unfettered connection which inspires repressive legislation to keep sexuality and with it freedom in its crosshairs

Fictional Immorality and Immoral Fiction Garry Young, 2021-01-15 It is commonplace for fictional content to depict immoral activities the kidnapping of a politician for example or the elaborate theft of a national treasure or perhaps the gruesome proclivities of a sadistic murderer These and similar depictions can be found across a range of media and in varying degrees of detail and realism Fictional Immorality and Immoral Fiction examines potential conditions for transforming fictional immorality into immoral fiction in order to establish what makes a depiction of fictional immorality and or one s engagement with it immoral To achieve this aim Garry Young analyzes fictional content its meaning one s motivation for engaging with it and the medium in which the fiction is presented such as film literature theatre video games using philosophical inquiry The end result is a systematic examination of fictional immorality which contributes toward debates on the morality of depicting and engaging with fictional immorality as well as the reach of censorship and other forms of prohibition especially when the act depicted is of the kind that would be most egregious if carried out in reality

Modern Power and Free Speech Chris Demaske, 2011-01-01 Modern Power and Free Speech takes a socio political approach to question the application of the First Amendment in cases dealing with the speech rights of disempowered groups Combining legal analysis First Amendment theory feminist theory and political theory Chris Demaske addresses the inadequacies of current free speech doctrine

Transcending Taboos Garry Young, Monica T. Whitty, 2012 Cyberspace is composed of a multitude of different spaces where users can represent themselves in many divergent ways Why in a video game is it more acceptable to murder or maim than rape After all in each case it is only pixels that are being assaulted This book avoids wrestling with the common question of whether the virtual violation of real world taboos is right or wrong and instead provides a theoretical framework that helps us understand why such distinctions are typically made and explores the psychological impact of violating offline taboos within cyberspace The authors discuss such online areas as Reality sites depicting taboo images Social networking websites and online chatrooms Online dating websites Video game content This book considers whether there are some interactions that should not be permissible even virtually It also examines how we might be able to cope with the potential moral freedoms afforded by cyberspace and who might be vulnerable to such freedoms of action and representation within this virtual space This book is ideal for researchers and students of internet psychology philosophy and social policy as well as therapists those interested in computer science law

media and communication studies Culture of the Internet Sara Kiesler, 2014-02-04 As we begin a new century the astonishing spread of nationally and internationally accessible computer based communication networks has touched the imagination of people everywhere Suddenly the Internet is in everyday parlance featured in talk shows in special business technology sections of major newspapers and on the covers of national magazines If the Internet is a new world of social behavior it is also a new world for those who study social behavior This volume is a compendium of essays and research reports representing how researchers are thinking about the social processes of electronic communication and its effects in society Taken together the chapters comprise a first gathering of social psychological research on electronic communication and the Internet The authors of these chapters work in different disciplines and have different goals research methods and styles For some the emergence and use of new technologies represent a new perspective on social and behavioral processes of longstanding interest in their disciplines Others want to draw on social science theories to understand technology A third group holds to a more activist program seeking guidance through research to improve social interventions using technology in domains such as education mental health and work productivity Each of these goals has influenced the research questions methods and inferences of the authors and the look and feel of the chapters in this book Intended primarily for researchers who seek exposure to diverse approaches to studying the human side of electronic communication and the Internet this volume has three purposes to illustrate how scientists are thinking about the social processes and effects of electronic communication to encourage research based contributions to current debates on electronic communication design applications and policies and to suggest by example how studies of electronic communication can contribute to social science itself *New Directions in Sex Therapy* Peggy J.
