Representing the English Renaissance Stephen Greenblatt,2023-11-15 **"The Feminine Dynamic in English Art, 1485?603 "** SusanE. James,2017-07-05 A significant contribution to the understanding of sixteenth century English art in an historical context this study by Susan James represents an intensive rethinking and restructuring of the Tudor art world based on a broad detailed survey of women s diverse creative roles within that world Through an extensive analysis of original documents James examines and clarifies many of the misperceptions upon which modern discussions of Tudor art are based The new evidence she lays out allows for a fresh investigation of the economics of art production particularly in the images of Elizabeth I of strategies for influencing political situations by carefully planned programs of portraiture of the seminal importance of extended clans of immigrant Flemish artists and of careers of artists Susanna Horenbout and Lievine Teerlinc and their impact on the development of the portrait miniature Drawn principally from primary sources this book

presents important new research which examines the contributions of Tudor women in the formation distribution and popularization of the visual arts particularly portraiture and the portrait miniature James highlights the involvement of women as patrons consumers and creators of art in sixteenth century England and their use of the painted image as a statement of cultural worth She explores and analyzes the amount of time money effort and ingenuity which women across all social classes invested in the development of art in the uses they found for it and the surprising and unexpected ways in which they exploited it Modern Masters of Miniature Art in America Wes Siegrist, 2010-10-15 *Elizabethan Treasures*, 2019-02-21 In the late sixteenth and early seventeenth centuries there was one art form in which English artists excelled above all their continental European counterparts the painting of miniatures This fascinating book explores the genre with special reference to two of its most accomplished practitioners Nicholas Hilliard and Isaac Oliver whose astounding skill brought them international fame and admiration Four centuries ago England was famous primarily for its literary culture the drama of Shakespeare and Ben Jonson and the works of the great lyrical and metaphysical poets When it came to the production of visual art the country was seen as something of a backwater However there was one art form for which English artists of this period were renowned portrait miniature painting or as it was known at the time limning Growing from roots in manuscript illumination it was brought to astonishing heights of skill by two artists in particular Nicholas Hilliard 1547 1619 and Isaac Oliver c 1565 1617 In addition to exhibiting the exquisite technique of the artists portrait miniatures express in a unique way many of the most distinctive and fascinating aspects of court life in this period ostentatious secrecy games of courtly love arcane symbolism a love of intricacy and decoration Bedecked in elaborate lace encrusted in jewellery and sprinkled with flowers court ladies smile enigmatically at the viewer their male counterparts rest on grassy banks or lean against trees sighing over thwarted love or more modestly express their hopes in Latin epigrams inscribed around their heads Often set in richly enamelled and jewelled gold locket or beautifully turned ivory or ebony boxes such miniatures could be concealed or revealed exchanged or kept as part of elaborate processes of friendship love patronage and diplomacy at the courts of Elizabeth I and James I VI This richly illustrated book like the exhibition it accompanies explores what the portrait miniature reveals about identity society and visual culture in Elizabethan and Jacobean England *European Miniatures in the Metropolitan Museum of Art* Metropolitan Museum of Art (New York, N.Y.), Graham Reynolds, Katharine Baetjer, 1996 A catalog of the museum's collection of some 300 European portrait miniatures dating from the early 16th to the mid 19th centuries Each piece is described in detail and illustrated with black and white and color photos Includes an overview of the history of miniature painting notes on artists and indices of artists collectors makers and sitters Annotation copyright by Book News Inc Portland OR *Love and Loss* Robin Jaffee Frank, New Haven Yale University, 2000-01-01 Most often portrait miniatures were painted in watercolor on thin disks of ivory They were sometimes worn as jewelry sometimes framed to be viewed privately Many were painted by specialists although renowned easel artists including Benjamin West John Singleton

Copley and Charles Willson Peale also created them to commemorate births engagements marriages deaths and other joinings or separations The book traces the development of this exquisite art form revealing the close ties between the history of the miniature and the history of American private life BOOK JACKET

Portraits in Early Modern English Drama Emanuel Stelzer, 2019-05-14 Portraits in Early Modern English Drama studies the complex web of interconnections that grows out of the presentation of portraits as props in early modern English drama Emanuel Stelzer considers this theory from the Elizabethan age up to the closing of the theatres This book examines how the dramatic text and the subjectivities of the dramatis personae are shaped and changed through the process of observation and interpretation of pictures in the dramatic actions and dialogues Unlike any previous study it confronts when a portrait is clearly meant not to be a miniature This also has bearings on the effect of the picture on the audience and in terms of genre expectation Two important questions are interrogated in the book What were the price and value of these portraits and What were the strategies deployed by the playing companies to show women's portraits in a theatre without actresses This book will be of interest to different areas of research dealing with the history of drama and literature material and visual culture studies art history gender studies and performance studies
