## Portrait Of A Survivor:

Survivor Harry Borden, 2017-01-26 A masterpiece and deeply moving Alain de Botton A wonderful piece of work Lynn Barber something really to behold a substantial project of some real depth and authority By flicking through the pages you can sense the amount of research patience and hard work that has been invested The portraits as always with Borden are simple effective and very telling Martin Parr Survivor is a unique and powerful testimony of what it is to live with memories of the Holocaust Over the course of five years acclaimed photographer Harry Borden has travelled the globe photographing survivors of the Holocaust The people featured vary in age gender and nationality but are all tied together by their experience and survival of one of the darkest moments in human history Each photograph is accompanied by a handwritten note from the sitter ranging from poems to memories to hopes for the future creating a strong sense of intimacy between sitter and reader At the end of the book is a section providing more information about the person in each portrait and about how and what they survived together with the historical context of the events they lived through Thought provoking and touching this book conveys the dignity and humanity of each subject's character *Susan Hayward, Portrait of a Survivor*

Weinberg, 2017-12-31 The breadth of Werner Weinberg's scholarship was prodigious yielding monographs on ancient Hebrew epigraphy and biblical exegesis the syntax of Rabbinic Hebrew medieval grammars and numerous studies on various aspects of Modern Hebrew Both Weinberg and Lisl his wife survived internment at the Bergen Belsen concentration camp This collection of essays reprinted here a little more than three decades after it first appeared conveys Weinberg's ongoing struggle to put into words something that might offer understanding to post Holocaust generations But they are also about a survivor's own desire for meaning and sense in a senseless world Most essays are framed around a series of questions which constitute Weinberg's prison and each time he attempts to pass through its portal he finds himself held back at the threshold Self Portrait of a Holocaust Survivor fuses together Weinberg's most personal reflections alongside careful analysis by an erudite theologian fully versed in traditional Jewish sources and historiography He moves between resisting and acquiescing to the implications of Bergen Belsen never shying away from the most painful questions about God morality virtue and the individual's potential to do good While today there is a vast literature penned by Holocaust survivors and historians this collection grapples with the concept of survivorship from a unique perspective *Portrait of a Survivor* Beverly

Reinis,1999 *Oblivio Gate* Sean Nevin,2008-11-11 Suffused with lyrical grace and the language of loss Sean Nevin's *Oblivio Gate* explores the mental and emotional struggles of Solomon a veteran battling the onslaught of Alzheimer's disease Set against Solomon's memories of the Korean War Nevin's poems draw us into an intimate view of a man's confusion as everything he knows slowly unravels around him leaving him abandoned in the suddenly unfamiliar landscape of his own mind Readers experience first hand Solomon's dismay as he watches himself inexorably slip away from reality fighting to hold on to the shreds of his identity Intertwined with his perspective are the voices of loved ones and caregivers who can only watch helplessly as Solomon is ravaged by the illness Also central to the collection are the figures of Aurora and Tithonus the famously doomed couple of mythology whose own happiness was destroyed by the inevitability of age and the betrayal of the body But if this evocative portrait of Alzheimer's disease is tragic it is also at moments inspiring *Oblivio Gate* reveals not only what is lost but also what is found what is pure and even what is funny in our fleeting lives Ultimately Sean Nevin crafts an unforgettable collection of contemporary poetry that yields heartbreaking insight into memory the mind and an affliction that has left millions lost and looking for themselves
