

Portrait Of Japanese Women Living Abroad

Jennifer Ann Ho

Portrait Of Japanese Women Living Abroad:

Contemporary Portraits of Japanese Women Yukiko Tanaka,1995-04-30 As Japan shifted from an agricultural country before 1950 to an industrialized nation in less time than any other developed country women felt the pressure of the shift Husbands worked longer hours leaving all the household chores and child rearing to their wives while fulfilling their responsibilities as corporate soldiers The economy was fueled by a diligent well educated low paid workforce but gender role division became even more rigid Household incomes rose and improvement in areas such as diets transportation and leisure were made modern appliances also made it possible for mothers to have part time jobs But pollution also rose as did prices and crowded living conditions began to impinge on family life Tanaka who has spent many years looking back at her country from an American perspective examines marriage motherhood employment independence women's movements and old age for women in Japan over the last 50 years

The Japanese Housewife Overseas Ruth Martin,2007-11-08 Based on research over a six year period into three age groups of women this important new study offers in depth analysis for the first time of the experience of expatriate Japanese wives living temporarily in the United Kingdom It focuses on the roles of the housewife in the context of the changing status of women in contemporary Japan

Sex in Japan's Globalization, 1870-1930 Bill Mihalopoulos,2015-10-06 Based on archival research undertaken in Japan Britain and the United States Mihalopoulos offers a new perspective on the relations between gender hierarchies and the political economy in a newly modernized Japan

Portraits of Women in International Law Immi Tallgren,2023 This fascinating volume offers a set of biographies of women and gender non conforming people who made a difference in international law but who in most cases were never well known or have been forgotten These portraits describe each individual's engagement with international law the context in which they worked and the barriers they faced

Racial Ambiguity in Asian American Culture Jennifer Ann Ho,2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial

category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In *Racial Ambiguity in Asian American Culture* Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in *Racial Ambiguity in Asian American Culture* that seeing race as ambiguous puts us one step closer to a potential antidote to racism

The Making of Japanese Settler Colonialism Sidney Xu Lu,2019-07-25 Shows how Japanese anxiety about overpopulation was used to justify expansion blurring lines between migration and settler colonialism This title is also available as Open Access **Identity, Gender and Teaching English in Japan** Diane Hawley Nagatomo,2016-04-07 How do teachers who have chosen to settle down in one country manage the difficulties of living and teaching English in that country How do they develop and sustain their careers and what factors shape their identity This book answers these questions by investigating the personal and professional identity development of ten Western women who teach English in various educational contexts in Japan all of whom have Japanese spouses The book covers issues of interracial relationships expatriation equality and employment practices as well as the broader topics of gender and identity The book also provides a useful overview of English language teaching and learning in Japan

Portraits Of The Japanese Workplace Andrew Gordon,2018-02-07 In this groundbreaking volume one of Japan s most insightful contemporary labor analysts assesses the light and shadow of Japanese style management explaining why Japanese employees have stood apart from workers in other industrialized countries Kumazawa brings to life the intense combination of competition and community within Japanese workplaces He highlights dilemmas facing Japanese labor on the shop floor and in the labor movement His discussion ranges from the role of women to issues of quality control and self management Highly critical of the hierarchical and undemocratic nature of Japanese industry he offers a sympathetic view from the inside of the difficulties of surviving in the workplaces of contemporary Japan **Portraits of the L2 User** Vivian Cook,2002-08-06 Portraits of the L2 User treats second language users in their own right rather than as failed native speakers It describes a range of psychological and linguistic approaches

to diverse topics about L2 users. It thus provides an innovative overview of current second language acquisition theories, results and methods seen from a common perspective.

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008. The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work. Although there has been extensive research on women in history by region, no text or reference work has comprehensively covered the role women have played throughout world history. The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe. Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region. They have found and demonstrated that there is virtually no historical, social or demographic change in which women have not been involved and by which their lives have not been affected. The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical, social and demographic changes. The Encyclopedia contains over 1,250 signed articles arranged in an A-Z format for ease of use. The entries cover six main areas: biographies, geography and history, comparative culture and society, including adoption, abortion, performing arts, organizations and movements such as the Egyptian Uprising and the Paris Commune, women's and gender studies, and topics in world history that include slave trade, globalization and disease. With its rich and insightful entries by leading scholars and experts, this reference work is sure to be a valued go-to resource for scholars, college and high school students, and general readers alike.

The World at Your Door Tom Phillips, Bob Norsworthy, 1997. Each year more than half a million international students enroll in American universities. These students represent the coming generation of world leaders. Yet few are ever welcomed into an American home and even fewer ever attend a church.

Moving Picture World and View Photographer, 1915.

Language Contact in Japan Leo J. Loveday, 1996-06-20. The Japanese are often characterized as exclusive and ethnocentric, yet a close examination of their linguistic and cultural history reveals a very different picture, although theirs is essentially a monolingual speech community. They emerge as a people who have been significantly influenced by other languages and cultures for at least 2,000 years. In this primarily sociolinguistic study, Professor Loveday takes an eclectic approach, drawing on insights from other subfields of linguistics such as comparative and historical linguistics and stylistics, and from a number of other disciplines: cultural anthropology, social psychology and semiotics. Focusing in particular on the influence of Chinese and English on Japanese and on how elements from these languages are modified when they are incorporated into Japanese, Professor Loveday offers a general model for understanding language contact behaviour across time and space. The study will be of value to those in search of cross-cultural universals in language contact behaviour, as well as to those with a particular interest in the Japanese case.

Britain & Japan Ian Nish, James Hoare, Hugh Cortazzi, 1994. A further 20 studies of key personalities including Edmund Morel, Alexander Shand, Lafcadio Hearn, Rev Dr John Batchelor and

more recently Shigeru Yoshida and Christmas Humphreys **Almost All Aliens** Paul Spickard, Francisco Beltrán, Laura Hooton, 2022-09-15 *Almost All Aliens* offers a unique reinterpretation of immigration in the history of the United States Setting aside the European migrant centered melting pot model of immigrant assimilation Paul Spickard Francisco Beltrán and Laura Hooton put forward a fresh and provocative reconceptualization that embraces the multicultural racialized and colonially inflected reality of immigration that has always existed in the United States Their astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining the lives of those who crossed the Atlantic as well as those who crossed the Pacific the Caribbean and the North American Borderlands *Almost All Aliens* provides a distinct inclusive and critical analysis of immigration race and identity in the United States from 1600 until the present The second edition updates *Almost All Aliens* through the first two decades of the twenty first century recounting and analyzing the massive changes in immigration policy the reception of immigrants and immigrant experiences that whipsawed back and forth throughout the era It includes a new final chapter that brings the story up to the present day This book will appeal to students and researchers alike studying the history of immigration race and colonialism in the United States as well as those interested in American identity especially in the context of the early twenty first century *The Gendered West* Gordon Morris Bakken, Brenda Farrington, 2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field frequently ignored or misunderstood by the New Western historians From first contact American Indians knew that Europeans did not understand the gendered nature of America Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century The journal articles that follow give readers a true sense of the gendered West Racial and ethnic heritage played a role in female experience whether Hispanic Japanese or Irish Women's work was part western history but women did not confine themselves to plow handles or brothels Women were very much a part of most occupations or in the process of breaking down barriers of access They worked in the fields for wages as well as for family welfare and prosperity Women demanded access to the professions whether teaching or law accounting or medicine The process of eliminating barriers varied in time and space but the struggle was constant Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history Because of their beliefs and practices these women suffered at the hands of the federal government and persevered **Japanese and Other Immigrant Races in the Pacific Coast and Rocky Mountain States: Japanese and East Indians**, 1911 **Women of Walt Disney Imagineering** Julie Svendsen, Elisabete Erlandson, Karen Connolly Armitage, Katie Olson, Becky Bishop, Maggie Elliott, Peggie Fariss, Paula Dinkel, Pam Rank, Lynne Macer Rhodes, Kathy Rogers, Tori Atencio McCullough, 2022-03-15 A dozen female Imagineers recount their trailblazing careers Capturing an era and preserving the stories they have told their daughters their mentees their husbands and their friends a dozen women Imagineers have written personal stories from their

decades designing and building the Disney world wide empire of theme parks Illustrated with the women s personal drawings and photos in addition to archival Imagineering images the book represents a broad swath of Imagineering s creative disciplines during a time of unprecedented expansion Intertwined with memories of Disney legends are glimpses of what it takes behind the scenes to create a theme park and the struggles unique to women who were becoming more and more important visible and powerful in a workplace that was overwhelmingly male Each chapter is unique from a unique Imagineer s perspective and experience These women spent their careers telling stories in three dimensions for the public Now they ve assembled their stories in print with the hope that their experiences will continue to entertain and illuminate

Aesthetic Life Miya Elise Mizuta Lippit, 2020-10-26 This study of modern Japan engages the fields of art history literature and cultural studies seeking to understand how the beautiful woman *bijin* emerged as a symbol of Japanese culture during the Meiji period 1868 1912 With origins in the formative period of modern Japanese art and aesthetics the figure of the *bijin* appeared across a broad range of visual and textual media photographs illustrations prints and literary works as well as fictional critical and journalistic writing It eventually constituted a genre of painting called *bijinga* paintings of beauties *Aesthetic Life* examines the contributions of writers artists scholars critics journalists and politicians to the discussion of the *bijin* and to the production of a national discourse on standards of Japanese beauty and art As Japan worked to establish its place in the world it actively presented itself as an artistic nation based on these ideals of feminine beauty The book explores this exemplary figure for modern Japanese aesthetics and analyzes how the deceptively ordinary image of the beautiful Japanese woman an iconic image that persists to this day was cultivated as a national treasure synonymous with Japanese culture
