Portrait Of Mr B Photographs Of George Balanchine With An Essay:

Portrait of Mr. B George Balanchine, 1984-06 George Balanchine Richard Buckle, 1988 Biografie van de oorspronkelijk Russische choreograaf St Petersburg Solomon Volkov, 2010-06-15 The definitive cultural biography of the Venice of the North and its transcendent artistic and spiritual legacy written by Russian emerge and acclaimed cultural historian Solomon Volkov Long considered to be the mad dream of an imperious autocrat the Venice of the North conceived in a setting of malarial swamps St Petersburg was built in 1703 by Peter the Great as Russia's gateway to the West For almost 300 years this splendid city has survived the most extreme attempts of man and nature to extinguish it from flood famine and disease to civil war Stalinist purges and the epic 900 day siege by Hitler's armies It has even been renamed twice and became St Petersburg again only in 1991 Yet not only has it retained its special almost mystical identity as the schizophrenic soul of modern Russia but it remains one of the most beautiful and alluring cities in the world Now Solomon Volkov a Russian emigre and acclaimed cultural historian has written the definitive cultural biography of this city and its transcendent artistic and spiritual legacy For Pushkin Gogol and Dostoyevsky Petersburg was a spectral city that symbolized the near apocalyptic conflicts of imperial Russia As the monarchy declined allowing intellectuals and artists to flourish Petersburg became a center of avant garde experiment and flamboyant bohemian challenge to the dominating power of the state first czarist and then communist The names of the Russian modern masters who found expression in St Petersburg still resonate powerfully in every field of art in music Stravinsky Prokofiev and Shostakovich in literature Akhmatova Blok Mandelstam Nabokov and Brodsky in dance Diaghilev Nijinsky and Balanchine in theater Meyerhold in painting Chagall and Malevich and many others whose works are now part of the permanent fabric of Western civilization Yet no comprehensive portrait of this thriving distinctive and highly influential cosmopolitan culture and the city that inspired it has previously been attempted *Off the Ground* Francis Edward Sparshott, 2017-03-14 What is dance as seen from a philosopher's point of view Why has dance played little part in traditional philosophies of the arts And why do these philosophies of the arts take the form they do The distinguished aesthetician Francis Sparshott subjects these questions to a thorough examination that takes into account all forms and aspects of dance in art and in life and brings them within the scope of a single discussion By showing what is involved in deciding whether something is or is not dance and by displaying the diversity of ways in which dance can be found meaningful he provides a new sort of background for dance aesthetics and dance criticism At the same time he makes a far reaching contribution to the methodology of the philosophy of art and practice In a witty and personal style that will be familiar to readers of his earlier books Professor Sparshott makes a distinction between dance and its neighbors such as work sports and games and points out that it is more profoundly connected to questions of self knowledge than the other arts Dance differs from any of the fine arts in that it can be seen not as the manipulation of a medium but as self transformation Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make

available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Mirrors and Scrims* Marcia B. Siegel, 2011-03-01 Winner of the Selma Jeanne Cohen Memorial Prize 2010 In this stunning new collection of reviews and essays dance critic Marcia B Siegel grapples with the floating identity of ballet as well as particular ballets and with the expanding environment of spectacle in which ballet competes for an audience Drawn from a wide variety of published sources these writings concentrate on canonical works of ballet and how the performances of these works have been changing in significant ways Siegel writes with a keen awareness of the history and mythology that surround particular works while remaining attentive to the new ways in which a work is interpreted and re presented by contemporary choreographers and dancers Through her readable and provocative writings Siegel offers critical insight into performances of the past twenty five years to give us a new understanding of ballet in performance The volume includes over one hundred pieces on a variety of ballet topics from specific dances and dancers to companies and choreographers ranging from Swan Lake and The Nutcracker to Nijinsky Balanchine Tharp and Morris to the Bolshoi the Joffrey the Miami City Ballet the Boston Ballet to name just a few Ebook Edition Note All images have been redacted *Celestial Bodies* Laura Jacobs, 2018-05-08 A distinguished dance critic offers an enchanting introduction to the art of ballet As much as we may enjoy Swan Lake or The Nutcracker for many of us ballet is a foreign language It communicates through movement not words and its history lies almost entirely abroad in Russia Italy and France In *Celestial Bodies* dance critic Laura Jacobs makes the foreign familiar providing a lively poetic and uniquely accessible introduction to the world of classical dance Combining history interviews with dancers technical definitions descriptions of performances and personal stories Jacobs offers an intimate and passionate guide to watching ballet and understanding the central elements of choreography Beautifully written and elegantly illustrated with original drawings *Celestial Bodies* is essential reading for all lovers of this magnificent art form February House Sherill Tippins, 2016-07-26 An irresistible account of a little known literary salon and creative commune in 1940s Brooklyn The Washington Post Book World A San Francisco Chronicle Best Book of the Year February House is the true story of an extraordinary experiment in communal living one involving young but already iconic writers and America's best known burlesque performer in a house at 7 Middagh Street in Brooklyn It was a fevered yearlong party fueled by the appetites of youth and a shared sense of urgency to take action as artists in the months before the country entered World War II In spite of the sheer intensity of life at 7 Middagh the house was for its residents a creative crucible Carson McCullers's two masterpieces *The Member of the Wedding* and *The Ballad of the Sad Cafe* were born bibulously in Brooklyn Gypsy Rose Lee workmanlike by day party girl by night wrote her book *The G String Murders* in her Middagh Street bedroom W H Auden who along with Benjamin Britten was

being excoriated back in England for absenting himself from the war presided over the house like a peevish auntie collecting rent money and dispensing romantic advice And yet all the while he was composing some of the most important work of his career Enlivened by primary sources and an unforgettable story this tale of daily life at the most fertile and improbable live in salon of the twentieth century comes from the acclaimed author of *Inside the Dream Palace The Life and Times of New York's Legendary Chelsea Hotel* Brimming with information The personalities she depicts are indelibly drawn Los Angeles Times Book Review Magnificent Not to mention funny and raunchy The Seattle Times *Dance Anecdotes* Mindy Aloff,2006 A collection of stories that aim to capture the boundless variety and richness of dance as an art a tradition a profession an obsession and an ideal *Making It in America* Elliott Robert Barkan,2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is
