Ralph Henry Gabriel

Portrait Of Nationv:

Portrait of a Nation, Second Edition National Portrait Gallery, 2015-11-03 This essential volume showcases portraits of prominent Americans who have influenced the nation's history from its earliest days to the present. It features 150 paintings, photographs, drawings, posters, sculptures, screenprints, and digital video stills carefully selected from the National Portrait Gallery of leading politicians, artists, athletes, celebrities, and scholars. Each image is accompanied by commentary that illuminates the person's life and legacy. Subjects include Mark Twain, Benjamin Franklin, Rosa Parks, Eleanor Roosevelt, Louis Armstrong, Audrey Hepburn, Marilyn Monroe, John Steinbeck, Venus and Serena Williams, Bruce Springsteen, Pedro Martinez, and Oprah Winfrey. **Portrait of a Nation** is a compelling composite portrait of America. The Progress of Nations; Or the Principles of National Development in Their Relationship to Statesmanship, 1861 **The Pageant of America: Makers of a new nation, by J.S. Bassett** Ralph Henry Gabriel, 1928 *Portraits of Women in International Law* Immi Tallgren, 2023 This fascinating volume offers a set of biographies of women and gender non-conforming people who made a difference in international law but who in most cases were never well known or have been forgotten. These portraits describe each individual's engagement with international law, the context in which they worked, and the barriers they faced. **The Scottish Nation** William Anderson, 2023-04-08 Reprint of the original first published in 1872. The publishing house Anapitopi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. Portraits David Patterson, 2021-06-01 Elie Wiesel identified himself as a Vizhnitzer Hasid who was above all things a witness to the testimony and teaching of the Jewish tradition at the core of the Hasidic tradition. While he is well known for his testimony on the Holocaust and as a messenger to humanity, he is less well known for his engagement with the teachings of Jewish tradition and the Hasidic heritage that informs that engagement. *Portraits* illuminates Wiesel's Jewish teachings and the Hasidic legacy that he embraced by examining how he brought to life the sages of the Jewish tradition. David Patterson reveals that Wiesel's Hasidic engagement with the holy texts of the Jewish tradition does not fall into the usual categories of exegesis or hermeneutics and of commentary or textual analysis. Rather, he engages not the text but the person, the teacher, and the soul. This book is a summons to remember the testimony reduced to ashes and the voices that cry out from those ashes. Just as the teaching is embodied in the teachers, so is the tradition embodied in their portraits. The Nation, 1898 **The Scottish Nation** William Anderson, 1867 **Current History**, 1925 **The Scottish Nation, Or: The Surnames, Families, Literature, Honours, and Biographical History of the People of Scotland** William Anderson, 1866 **Monthly Bulletin of Books Added to the Public Library of the City of Boston** Boston Public Library, 1905 *Catalogue of the Library of Robert Hoe of New York* Anderson Galleries, Inc, 1912 **Facing the Nation** Bill Hare, 2024-11-30 Illustrated with 167 full colour images, this landmark book charts Alexander Moffat's career from student days at Edinburgh College of

Art in the 1960s to the recent Scotland's Voices Iconic portraits of major figures in literature and the other arts are represented The cultural significance of the visual chronicle Moffat has created lies in his approach to portraiture He aims not only to capture a sitter's appearance but also to convey something of their inner character reaching a balance between emotional expression and compositional order

The Scottish Nation; Or The Surnames, Families, Literature Honours, and Biographical History of the People of Scotland. Networked Nation Jasper Cornelis van Putten, 2017-11-06 In Networked Nation Mapping German Cities in Sebastian Münster's Cosmographia Jasper van Putten examines the groundbreaking woodcut city views in the German humanist Sebastian Münster's Cosmographia This description of the world published in Basel from 1544 to 1628 glorified the Holy Roman Empire of the German Nation and engendered the city book genre Van Putten argues that Münster's network of city view makers and contributors from German princes and artists to Swiss woodcutters draftsmen and printers expressed their local and national cultural identities in the views The Cosmographia and the city books it inspired offer insights into the development of German and Swiss identity from 1550 to Switzerland's independence from the empire in 1648

She Changed the Nation Mary Ellen Curtin, 2024-09-10 An important new biography of Barbara Jordan the first Black woman from the South to serve in Congress During her keynote speech at the 1976 Democratic Party convention Barbara Jordan of Texas stood before a rapt audience and reflected on where Americans stood in that bicentennial year Are we to be one people bound together by a common spirit sharing in a common endeavor or will we become a divided nation For all of its uncertainty we cannot flee the future The civil rights movement had changed American politics by opening up elected office to a new generation of Black leaders including Jordan the first Black woman from the South to serve in Congress Though her life in elected politics lasted only twelve years in that short time Jordan changed the nation by showing that Black women could lead their party and legislate on behalf of what she called the common good In She Changed the Nation biographer Mary Ellen Curtin offers a new portrait of Jordan and her journey from segregated Houston Texas to Washington DC where she made her mark during the Watergate crisis by eloquently calling for the impeachment of President Nixon Recognized as one of the greatest orators of modern America Jordan inspired millions and Black women became her most ardent supporters Many assumed Jordan would rise higher and become a US senator Speaker of the House or a

Supreme Court justice But illness and disability along with the obstacles she faced as a Black woman led to Jordan s untimely retirement from elected office though not from public life Until her death at the age of fifty nine Jordan remained engaged with the cause of justice and creating common ground proving that Black women could lead the country through challenging times No change in the law alone could guarantee the election of Black leaders It took courage and ambition for Barbara Jordan to break into politics This important new biography explores the personal and the political dimensions of Jordan s life showing how she navigated the extraordinary pressures of office while seeking to use persuasion governance and popular politics as instruments of social change and betterment

Sensing the Nation's Law Stefan Huygebaert,Angela Condello,Sarah Marusek,Mark Antaki,2018-03-22 This book examines how the nation and its fundamental law are sensed by way of various aesthetic forms from the age of revolution up until our age of contested democratic legitimacy Contemporary democratic legitimacy is tied among other things to consent to representation to the identity of ruler and ruled and of course to legality and the legal forms through which democracy is structured This book expands the ways in which we can understand and appreciate democratic legitimacy If democratic communities are imagined this book suggests that their rightfulness must be sensed analogously to the need for justice not only to be done but to be seen to be done This book brings together legal historical and philosophical perspectives on the representation and iconography of the nation in the European North American and Australian contexts from contributors in law political science history art history and philosophy
