Lawrence of Arabia as adviser to Prince Feisal led camel riding Bedouin in a guerrilla war against Turkey from Arabia to Damascus The great British hero of World War I he helped Winston Churchill draw the map of the modern Middle East creating Jordan and making Feisal king of Iraq Then in 1922 he shed the rank of colonel and his name to serve as a private in the Royal Air Force until shortly before his death in 1935 at age 46 Lawrence has been characterized as a man with extraordinary powers and as an imposter who manufactured his own legend This careful study based on virtually all published and unpublished English language sources sides neither with Lawrence s eulogists nor with his denigrators Presenting a fair balanced picture of his life it shows the lifelong continuity of his puzzling conduct the often needless deviousness that troubled even close friends the self hatred and savage masochism that cursed his adult years      T.E. Lawrence. [With Portraits.]. Roger STÉPHANE (pseud.),1960      **Portrait of T.e.lawrence, the Lawrence of the "seven Pillars of Wisdom", by Vyvyan Richards** Vyvyan Richards,      338171 T.E. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries      *Secret Despatches from Arabia by T.E. The Golden Warrior Lawrence James,2008 During the 1920s in the aftermath of the Arab revolt against Britain T E Lawrence gained global attention both for his involvement in the Middle Eastern anti imperialist movement and for his vivid and sensational writings about his experiences Following World War I his appointment as an advisor to Winston Churchill nearly simultaneous with the release of an American documentary about the revolt further charged the T E Lawrence mania Despite the emergence of a whole new set of problems in the Middle East and fueled by the classic status of the epic movie

Lawrence of Arabia the T E Lawrence mystique continues to fascinate Controversial and provocative this revised and updated edition of Lawrence James s acclaimed biography penetrates and overturns the mythology that surrounds T E Lawrence With access to previously unavailable documents James traces the sometimes spurious Lawrence legend back to its truthful roots peeling back the layers of Lawrence s calculated public persona to reveal the gifted tortured man behind the shimmering myth Yet James remains dispassionate and generous in spirit throughout The Golden Warrior presents readers with a fascinating study of one of the twentieth century s most remarkable figures **Thomas Edward Lawrence** Philip M.
