Museum of Fine Arts, Houston, Museo Nacional de Arte (Mexico), Santa Barbara Museum of Art, **Mexican muralist, international Marxist** Curtis Swope, 2024-10-29 David Alfaro Siqueiros was perhaps the most important communist painter of the twentieth century This book the first sustained engagement with Siqueiros's work in the English language focuses on the artist's late murals which are both aesthetically innovative and politically provocative It places Siqueiros in an international context revealing that the dogmatism he has been charged with was in reality a complex phenomenon It provided a foundation for rather than an obstacle to his efforts to create an art embedded in the day to day concerns and theoretical debates of the world wide mass movement he saw himself as a part of **Vida Americana - Mexican Muralists Remake American Art, 1925-1945** Barbara Haskell, Mark A. Castro, 2020-01-01 An in depth look at the transformative influence of Mexican artists on their U S counterparts during a period of social change The first half of the 20th century saw prolific cultural exchange between the United States and Mexico as artists and intellectuals traversed the countries shared border in both directions For U S artists Mexico's monumental public murals portraying social and political subject matter offered an alternative aesthetic at a time when artists were seeking to connect with a public deeply affected by the Great Depression The Mexican influence grew as the artists Jos Clemente Orozco Diego Rivera and David Alfaro Siqueiros traveled to the United States to exhibit sell their work and make large scale murals working side by side with local artists who often served as their assistants and teaching them the fresco technique Vida Americana examines the impact of their work on more than 70 artists including Marion Greenwood Philip Guston Isamu Noguchi Jackson Pollock and Charles White It provides a new understanding of art history one that acknowledges the wide ranging and profound influence the Mexican muralists had on the style subject matter and ideology of art in the United States between 1925 and 1945 **Art in California (World of Art)** Jenni Sorkin, 2021-10-05 A fully illustrated history of modern and contemporary art in California from the early twentieth century to the present day This introduction to the art of California focuses on the distinctive role the state played in the history of American art from early twentieth century photography and Chicana mural painting to the fiber art movement and beyond Shaped by a compelling network of geopolitical influences including waves of migration and exchange from the Pacific Rim and Mexico the influx of

African Americans immediately after World War II and global immigration after quotas were lifted in the 1960s California is a center of artistic activity whose influence extends far beyond its physical boundaries Including work by artists Yun Gee Helen Lundeberg Henry Taylor Richard Diebenkorn Albert Bierstadt Chiura Obata and Judith Baca among many others art historian Jenni Sorkin tells California s story as a place at the forefront of radical developments in artistic culture Organized chronologically and thematically with full color illustrations throughout this attractive study stands as an important chronicle of California s contribution to modern and contemporary art in the United States and globally In one stunning volume Art in California addresses the vast appetite for knowledge on contemporary art in California

**George Orwell and the Radical Eccentrics** K. Bluemel,2016-04-30 George Orwell and the Radical Eccentrics celebrates the lives literature and politics of a group of four radical eccentrics the Tory anarchist poet Stevie Smith the Marxist Indian nationalist Mulk Raj Anand and the glamour girl turned socialist Inez Holden who formed a friendly circle around the famously radical and eccentric George Orwell Demonstrating that Smith Anand and Holden matter for literary history just as they mattered for Orwell George Orwell and the Radical Eccentrics gives name and shape to a neglected movement within interwar and wartime English writing It focuses on the lives and texts of Smith Anand and Holden in order to argue that these three writers throw into question limiting assumptions about art and politics about standard relations between literary form and sex gender race class and empire in ways that their group s most influential radical Orwell cannot Embarking upon a kind of biographical political cultural literary criticism this book brings the radical eccentrics vital potentially transformative conversation to the attention of scholars of English literature for the first time suggesting fascinating new approaches to the study of literary London during the thirties and forties

L. Standeven, 2011 The versatility of modern commercial house paints has ensured their use in a broad range of applications including the protection and decoration of historic buildings the coating of toys and furniture and the creation of works of art Historically house paints were based on naturally occurring oils gums resins and proteins but in the early twentieth century the introduction of synthetic resins revolutionized the industry Good quality ready mixed products became available and were used by artists worldwide While the ubiquity of commercial paints means that conservators are increasingly called upon to preserve them such paints pose unique challenges including establishing exactly which materials are present This book traces the history of the household paint industry in the United States and United Kingdom over the first half of the twentieth century It includes chapters on the artistic use of commercial paints and the development of ready mixed paints and synthetic resins oil paints oleoresinous gloss and enamel paints water paints nitrocellulose lacquers oil modified alkyds and emulsion paints and the conservation implications of these materials The book will be of interest to conservators and conservation scientists working on a broad range of painted surfaces as well as curators art historians and historians of architectural paint **LIFE**, 1946-11-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Four Decades: the Canadian Group of Painters and Their Contemporaries,**

**1930-1970** Paul Duval, 1972 Gift of Canadian Government      **Life and Labor** Charles Stephenson, Robert Asher, 1986-09-15

Life and Labor brings together the most stimulating scholarship in the field of labor history today Its fifteen essays explore the impact of industrialization and technology on the lives of working people and their responses to the changes in society over the past one hundred fifty years Focusing on the everyday life of working class Americans it discusses such topics as production technology occupational mobility industrial violence working women resistance to exploitation fraternal organizations and social and leisure time activities The essays are written in a lively manner accessible to an undergraduate audience and also provide insights and a solid background for graduate students and scholars in the field of American labor and social history The book presents the work of members of the generation of labor and social historians who matured in the 1970s and who are now establishing themselves as leaders in their fields      **The Nobel Prize and the Formation of Contemporary World Literature** Paul Tenngart, 2023-10-05 An exploration of the history ambitions and impact of the Nobel Prize in literature as it gained a central position in 20th century global literary culture Few scholars would deny that the Nobel Prize is the most prestigious literary award in the world But what mechanisms made it possible for 18 Swedish intellectuals to become the world s most influential literary critics Paul Tenngart argues that the Nobel Prize in literature has become a special kind of international canonization exerted from a non central semi peripheral position the award sometimes confirms and reinforces hierarchical relations between literary languages and cultures and sometimes disturbs established patterns of dominance and dependence Drawing from a wide range of contemporary theories and methods this multifaceted history of the Nobel Prize questions how the Swedish Academy has managed to keep the prize s global status through all the violent international crises of the last 120 years how the selection of laureates shaped the idea of universal literary values and defined literary quality across languages and cultures and what impact the prize has had on the distribution and significance of particular works literatures and languages The Nobel Prize and the Formation of Contemporary World Literature explores the history and impact of the Nobel Prize in literature from the first award in 1901 through recent controversies involving Bob Dylan and MeToo arguing that the prize is a unique performative act that has been and still is central in our continual and collective construction of world literature      **Raymond Jonson and the Spiritual in Modernist and Abstract Painting** Herbert R. Hartel, Jr., 2018-02-21 This is the most thorough and detailed monograph on the artwork of Raymond Jonson He is one of many artists of the first half of the twentieth century who demonstrate the richness and diversity of an under appreciated period in the history of American art Visualizing the spiritual was one of the fundamental goals of early abstract painting in the years before and during World War I Artists turned to alternative spirituality the occult and mysticism believing that the pure use of line shape color light and texture could convey spiritual insight Jonson was steadfastly dedicated to this goal for most of his career and he always believed that modernist and abstract styles were the most effective and compelling means of achieving it      **Painting Harlem Modern** Patricia

Hills, 2019-02-16 Jacob Lawrence was one of the best known African American artists of the twentieth century In *Painting Harlem Modern* Patricia Hills renders a vivid assessment of Lawrence's long and productive career She argues that his complex cubist based paintings developed out of a vital connection with a modern Harlem that was filled with artists writers musicians and social activists She also uniquely positions Lawrence alongside such important African American writers as Langston Hughes Richard Wright and Ralph Ellison Drawing from a wide range of archival materials and interviews with artists Hills interprets Lawrence's art as distilled from a life of struggle and perseverance She brings insightful analysis to his work beginning with the 1930s street scenes that provided Harlem with its pictorial image and follows each decade of Lawrence's work with accounts that include his impressions of Southern Jim Crow segregation and a groundbreaking discussion of Lawrence's symbolic use of masks and masking during the 1950s Cold War era *Painting Harlem Modern* is an absorbing book that highlights Lawrence's heroic efforts to meet his many challenges while remaining true to his humanist values and artistic vision
