Jews, Sports, and the Rites of Citizenship Jack Kugelmass, 2023-12-11 To many an association between Jews and sports seems almost oxymoronic yet Jews have been prominent in boxing basketball and fencing and some would argue that hurler Sandy Koufax is America s greatest athlete ever In *Jews Sports and the Rites of Citizenship* Jack Kugelmass shows that sports significant in constructing nations and in determining their degree of exclusivity also figures prominently in the Jewish imaginary This interdisciplinary collection brings together the perspectives of anthropologists and historians to provide both methodological and regional comparative frameworks for exploring the meaning of sports for a minority population

American Jesus Stephen Prothero, 2004-09-18 A Deep Dive into America s Complex Relationship with Jesus There s no denying America s rich religious background belief is woven into daily life But as Stephen Prothero argues in *American Jesus* many of the most interesting appraisals of Jesus have emerged outside the churches in music film and popular culture and among Jews Muslims Buddhists and people of no religion at all Delve into this
