Portrait Of An Island Sapelo Island:

Portrait of an Island John Teal, Mildred Teal, 1981-09-01 **Sapelo Island** Buddy Sullivan, 2000 The barrier islands of the south Atlantic coastline have for years held a deep attraction for all who have come into contact with them Few however can compare with the mystique of Sapelo Island Georgia This unique semitropical paradise evokes a time long forgotten when antebellum cotton plantations dominated her landscape all worked by hundreds of black slaves the descendants of whom have lived in quiet solitude on the island for generations For more than 50 years of the twentieth century two millionaires held sway on Sapelo and it is their story interwoven with that of the island s residents that unfolds within the pages of this book Almost 200 photographs provide testimony to the dynamic forces and energies implanted upon Sapelo by two men Howard E Coffin a Detroit automotive pioneer and Richard J Reynolds Jr heir to a huge North Carolina tobacco fortune Beginning with a photographic essay about Sapelo s antebellum plantation owner Thomas Spalding Sapelo Island moves into the primary focus of the story the years from 1912 to 1964 an era of grandeur that has left a rich photographic legacy Portrait of an Island Mildred Teal, 1997-10-01 When Mildred and John Teal moved to Sapelo Island Georgia in 1955 they stepped back in time to a virtually undeveloped landscape of salt marsh maritime forest freshwater ponds sand dunes and beaches Over the course of a four year stay their careful observations of the island s unique marine ecology and wonderfully varied flora and fauna became the basis for Portrait of an Island The island s human history dates back more than four thousand years The lure of Sapelo has drawn many to its shores including tobacco millionaire R J Reynolds who established the University of Georgia Marine Institute there in the 1950s Surrounded by sixteen thousand acres of pristine marsh Sapelo offers researchers and the public a rare opportunity for environmental studies Now a state game refuge and national estuarine sanctuary the island remains a special haven where humans and nature quietly and peacefully coexist Portrait of an Island is essential reading for anyone who treasures tranquility *A Celebration of the World's Barrier Islands* Orrin H. Pilkey, Mary Edna Fraser, 2003 Although these islands are vastly different in many ways they also share many common features **Sapelo Island's Hog Hammock** Michele Nicole Johnson, 2009 Hog Hammock located on Georgia s Sapelo Island is only accessible by ferry or private boat It is one of the last island based Gullah Geechee communities in America a living connection to West African languages folkways and spiritual traditions With its dirt roads and tin roofed houses Hog Hammock is the site of a social hall two historic Baptist churches and a former schoolhouse all built by descendants of slaves The nearby Behavior Cemetery has burial sites that date back 200 years Much has been written about the people of Hog Hammock and Sapelo Island mostly documenting their lives as slaves and then as landowning free people working for millionaires who reshaped Sapelo Island into their own personal retreats But there is another part of the island s story one filled with entrepreneurs skilled craftsmen and community leaders that is told here in Images of America Sapelo Island s Hog Hammock **The Journal of Archibald C. McKinley** Archibald Carlisle McKinley, 1991 A valuable document

from the Reconstruction era The Journal of Archibald C McKinley offers the modern reader a rare glimpse of daily life on Sapelo Island Georgia as seen through the eyes of an upper class farmer A descendant of Scottish settlers Archibald McKinley was born in Lexington Georgia in 1842 and served as a Confederate officer during the Civil War Just after the war he began farming near Milledgeville Georgia and within a year had met and married Sarah Spalding a granddaughter of Thomas Spalding who had built his plantation empire on Sapelo Island In 1869 the McKinleys moved to Sapelo to raise cotton sugar cane and other crops The bulk of this journal is a sustained account of their sojourn on the island through 1876 before their return to Milledgeville The brief matter of fact entries that make up McKinley s journal focus mainly on the small occurrences that filled his days farm work hunting and fishing expeditions sailing excursions church services changes in the weather the disposition of his crops the development of the Darien timber shipping trade Scattered throughout however are intriguing references to dramatic events shootings trials tensions between whites and the recently freed blacks and to the processes of Reconstruction as when McKinley notes that a company of Yankee soldiers had arrived at the penitentiary to ensure equal treatment of black and white convicts The longest entry in the journal is a eulogy for a freedman named Scott who as McKinley s slave had remained true as steel during McKinley s service in the Civil War Editor Robert L Humphries has included with the journal several of the McKinley family letters written after Archibald and Sarah left Sapelo Island In the introduction historian Russell Duncan places the story in context focusing on the larger events of Reconstruction as they pertained to Sapelo Island and to the relations between blacks and whites there

Blackbeard Island Joe Cunningham,2023-04-22 This is a small book with some thirty photographs some beautiful some grim The book especially remembers and memorializes two Aiken SC law enforcement officers who were shot to death while doing their duty The two died a decade ago from bullets to their heads Their abrupt unexpected deaths and other like deaths have placed the temper of police and policing on a short fuse A second theme is to analyze the post mortems on George Floyd to see what evidence they offer for his cause of death There is little concrete evidence in these post mortems for an officer inflicted cause of death The postmortems reveal potential causes of death all non traumatic such as established heart disease and ingested Fentanyl and other drugs George Floyd s specific cause of death while easy to speculate upon is not so easy to assign It is written that philosophy is the tool one uses to debunk myth to demystify myth to arrive at a better truth Here is some philosophy A third theme examines how we raise our children The book addresses the mal effects the phenomena known as Adverse Childhood Events have on the developing child These events are known to harm children both emotionally and physically The mechanism of injury from such abuse is being studied and is thought by some investigators to be the inhibition of brain growth particularly in the filling in of specific zones of gray matter Blackbeard Island is an island of low sand and maritime forest Accessible only by boat it is a federal wildlife refuge on the mid Georgia coast Its acreage is a third of Manhattan s its permanent population is zero Larger harder Manhattan has close to two million residents *Tristram's Treasures* Sally Coffin,2018-01-19 I have created this artistic expression of a storybook version of the Coffin Family legacy with original paintings collages with vintage photos into illustrations for a special coffee table book the true story of the seafaring Coffin Family legacy connecting their historical homes historical museums and events beginning in Normandy France The Norman Coffins lived in possession of Chateau Cortiton in 1066 which still stands today After migrating to England with William the Conqueror in the 1200s Sir Richard Coffin built Portledge Manor in Devonshire England also still standing today In 1642 Tristram Coffin Sr of Devonshire England with his family left a civil war and was among the first of the race that settled in America Living alternatively in the colony of Massachusetts he arranged for the purchase of Nantucket and Martha s Vineyard by a company he organized of nine men on July 2 1659 The fourth son of Tristram Coffin Sr was John Tristram Coffin who was the first of the Coffins to take up residence on Martha s Vineyard and was a notable blacksmith and considerable owner of real estate My family line is directly linked to John Coffin He died on September 11 1711 leaving the oldest headstone on Martha s Vineyard Continuing is the story of Abigail Starbuck Coffin doctor midwife

Cast No Stones Reverend Wanda C. Outlaw,2022-02-16 African Americans are beautifully different and more than the skin that they are in We are human beings who deserve equality The

stones that we cast at each other come from Western societies divisions and judgements that have proven problematic to our culture Some blacks have forgotten how to see the beauty and intelligence in one another Judgement is not the purpose of this book rather a reminder of our history of community the village in order to unite in a divisive society It will be a mirror for some to look at how they can shift to a community mindset which originates out of our African ancestry It means not immolating those who appear to be in control of our narrative It will be an awareness that as we are is divine To heal we must appreciate our history not solely the slave narrative but the African culture prior to slavery The judgements that we project on each other comes from colorism politics economics even religion fused with historical trauma There is a rise in racism and if we do not learn to appreciate one another and our differences we will be swallowed by the divisiveness and judgements that come from Western society We must begin to define ourselves for ourselves to better guide our children who are the future
