

Portrait Of Rocky Mountain National Park

Padhraic Smyth

Portrait Of Rocky Mountain National Park:

A Portrait of Rocky Mountain National Park Jim Osterberg, James Frank, 1998 Portrait of Rocky Mountain National Park (Trade Paperback) , 2007-02 **A Portrait of Rocky Mountain National Park** Jim Osterberg, James Frank, 1999-02-14

Through the camera lenses of James Frank and Jim Osterberg the magnificence of Rocky Mountain National Park is stunningly revealed Both longtime residents of Estes Park they've had the blessing of experiencing their wondrous backyard nature sanctuary in all her moods from the heady fragrance of springtime flowers to the sparkling reflections of an alpine meadow newly dusted with snow Savor this striking collection of images as a treasured keepsake of Colorado at its best or share it as a gift to anyone who enjoys a marvelous visual journey through the Rocky Mountains **Rights of Action** Jason Fox, 2015 **Making Rocky Mountain National Park** Jerry J. Frank, 2013-09-03

On September 4 1915 hundreds of people gathered in Estes Park Colorado to celebrate the creation of Rocky Mountain National Park This new nature preserve held the promise of peace solitude and rapture that many city dwellers craved As Jerry Frank demonstrates however the park is much more than a lovely place Rocky Mountain National Park was a keystone in broader efforts to create the National Park Service and its history tells us a great deal about Colorado tourism and ecology in the American West To Frank the tensions between tourism and ecology have played out across a natural stage that is anything but passive At nearly every turn the National Park Service found itself face to face with an environment that was difficult to anticipate and impossible to control Frank first takes readers back to the late nineteenth century when Colorado boosters already touting the Rocky Mountains restorative power for lung patients set out to attract more tourists and generate revenue for the state He then describes how an ecological perspective came to Rocky in fits and starts offering a new way of imagining the park that did not sit comfortably with an entrenched management paradigm devoted to visitor recreation and comfort Frank examines a wide range of popular activities including driving hiking skiing fishing and wildlife viewing to consider how they have impacted the park's flora and fauna often leaving widespread transformation in their wake He subjects the decisions of park officials to close but evenhanded scrutiny showing how in their zeal to return the park to what they understood as its natural state they have tinkered with its features sometimes with less than desirable results Today's Rocky Mountain National Park serves both competing visions maintaining accessible roads and vistas for the convenience of tourists while guarding its backcountry to preserve ecological values As the park prepares to celebrate its centennial Frank's book advances our understanding of its past while also providing an important touchstone for addressing its problems in the present and future Legendary Locals of Estes Park Steve Mitchell, 2016-04-25

In the 1870s ranchers Abner Sprague William James and Alexander MacGregor raised cattle while the Earl of Dunraven bought land for a private hunting reserve It was neither cows nor hunting that defined Estes Park though Visitors were attracted to its beauty and crystalline mountain air Inspired by conservationist John Muir Enos Mills preserved the area's splendor by spearheading the establishment of Rocky Mountain

National Park while F O Stanley welcomed guests to his regal Stanley Hotel the inspiration for Stephen King s novel *The Shining* As cars replaced horses downtown Charlie Eagle Plume entertained visitors with Indian dancing and Casey Martin offered children rides on his Silver Streak train In the off season when tourists were scarce grocer Ron Brodie extended credit to the locals and George Hurt ran lifts for skiers at Hidden Valley But it was adversity that tested the town and defined its character After the 1982 Lawn Lake Flood inundated Elkhorn businesses town officials revitalized the downtown landscape with urban renewal When the devastating 2013 flood washed out mountain roads and isolated Estes Park local businesses banded together and were Mountain Strong

The Best of Rocky Mountain National Park Alan Leftridge,2015-04-13 Make the most of your trip to Rocky This handy guide covers everything you need to know Find the best hikes best picnic spots best places to watch wildlife best wildflowers best waterfalls best activities for kids and more Compiled by a former park ranger with beautiful color photographs locator maps and clear concise directions [United States Government Publications Monthly Catalog](#) ,1942 [Rocky Mountain National Park](#) Doreen Gonzales,2008-07-01 A virtual tour of Rocky Mountain National Park with chapters devoted to the history of this region history of the park plant and animal life environmental problems facing the park and activities in the area Provided by publisher *Hiking Circuits in Rocky Mountain National Park* Jack P. Hailman,Elizabeth D. Hailman,2011-05-18 Hiking Circuits in Rocky Mountain National Park is the first guide dedicated entirely to the loop trails of Rocky Mountain National Park trails that return hikers to their starting point without the necessity of retracing steps or walking on roads Having explored the park extensively for over 30 years Jack and Elizabeth Hailman describe and map 33 circuits and component loops with detailed driving instructions to the access points Circuits range from a 15 minute stroll around a lake to strenuous all day outings in the high country and even a few multi day backpacking trips Side trips are often recommended for viewing a scenic waterfall summit lake or other natural feature A convenient table lists circuits by walking time allowing hikers to choose loops designed to fit their schedules Each account includes a map directions to the trailhead trail distance estimated hiking time elevation range exertion rating segment descriptions for both clockwise and counter clockwise hikes and trail notes about the wildflowers animals and other natural history features encountered by the authors Included are appendices for natural history local hiking supply stores and fee schedules with an extensive bibliography for reading and reference **Chronicles of Colorado** Frederick R. Rinehart,2003-07-22 Over the years Colorado has attracted its share of literary vagabonds but none have described the state in such eloquent prose as those who visited the area during its early years Included in this volume are the impressions of eleven legendary writers from the hilarious diatribe of a young Rudyard Kipling to the extensive narrative of a mature Walt Whitman Whether with Horace Greeley in the new born city of Denver touring William Palmer s Glen Eyrie with English women s rights advocate Emily Faithfull or on the trail with Zane Grey outside of Meeker these essays provide a first hand look at Colorado as it progressed from a disputed Mexican province to a state on the verge of opening its wilderness for

discovery by an eager American public Estes Park and Rocky Mountain National Park Then & Now James H. Pickering, 2006 Historic photographs paired with contemporary photographs taken from the exact same locations illuminate the evolution that has occurred in the Estes Park area as well as in Rocky Mountain National Park over more than a century From the Stanley Hotel to Lake Estes see whether the landmarks and landscape of Estes Park have been completely transformed or if they remain almost unchanged Song of the Alpine Joyce Gellhorn, 2002 Celebrating her life long love for the land above the trees author Joyce Gellhorn takes readers on a season by season tour of the alpine tundra With clear readable prose and 140 beautiful color photographs from her collection that spans some twenty five years Gellhorn reveals the subtle wonders of this haunting landscape The plants and animals that populate this often harsh and unforgiving environment have evolved remarkable strategies for survival in their high mountain home Faced with bitter cold scouring winds and fierce storms they must somehow hold on and still find water and nourishment Gellhorn tells us how they do it and the intricacies and precariousness of these strategies are astonishing The high country of the Colorado Rocky Mountains has been a destination and a home for Joyce Gellhorn for more than fifty years including some twelve years spent living with her family at the University of Colorado's research station Science Lodge a log cabin at 9 500 feet Like the snow that would sift through the chinks in the cabin the alpine despite its harshness captured her heart She writes The clear mountain air the scenery the invigorating feeling of physical activity and the fascinating plants animals and insects captivated me Through the years these wind blown forlorn places continue to excite me It is their wildness untamed and unpredictable No matter how many times I visit the alpine even areas I know intimately it always shows a different face Lightroom 5 Rob Sylvan, Nat Coalson, 2013-07-24 Manage your images with Lightroom and this beautifully illustrated guide Image management can soak up huge amounts of a photographer's time but help is on hand This complete guide teaches you how to use Adobe Lightroom 5 to import manage edit and showcase large quantities of images with impressive results The authors both professional photographers and Lightroom experts walk you through step by step demonstrating real world techniques as well as a variety of practical tips tricks and shortcuts that save you time Streamline image management tasks like a pro and get back to doing what you love taking photographs Teaches you digital imaging fundamentals as well as specific skills you need to master Adobe's Lightroom 5 digital photography workflow software Explores capturing importing editing processing and presenting digital photos Explains real world professional level techniques through easy to follow instructions and beautiful full color examples Frees you to focus on your creative photography abilities by helping you develop strong technical skills Learn not only the how of editing and handling photographs with Lightroom 5 but the why as well with Lightroom 5 Streamlining Your Digital Photography Process **Backpacker**, 1978-10 Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world's first GPS enabled magazine and the only magazine whose editors personally test the

hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured *United States Government Publications Monthly Catalog* ,1948 **Rhythms of Change in Rocky Mountain National Park** Ellen Wohl,2016-11-21 To contemplate an alpine lake or a ribbon of white water twisting down the face of the Rocky Mountains is to appreciate the majesty of this block of bedrock thrust up from Earth s interior weathering eons of nature s assaults To learn what humans in our brief lifespan have done here is to acquire a sobering sense of our place in the natural world Ellen Wohl s account of a year in the life of Rocky Mountain National Park reflects a lifelong interest in these rhythms and disruptions Informed by a deep and intimate understanding of the landscape her Rocky Mountain journal is a lyrical distillation of experience and knowledge that shows us the century old national park as a microcosm of the natural world in the thrall of time and humanity Conducting readers through the park s seasons Wohl describes the processes that unfold over the ages as continents drift and mountain ranges rise as glaciers carve the land and profound changes in the atmosphere alter the environment Working on the landscape in a humbler way are beavers and elk beetles and not so humbly humans who tinker with natural rhythms in ways big and small as obvious as logging road building and feedlot run off and as subtle in the short run as climate change Along the way we observe the effects of nature s more violent moments flash floods that wash out roads and inflict damage downstream high winds that flatten whole hillsides in minutes wildfires that strip the woods in an instant or smolder all winter long A work of quiet power Rhythms of Change in Rocky Mountain National Park traces Wohl s year long journey deftly guiding us through the changing seasons of one of America s most awe inspiring natural places in all its curiosity and wonder and in its exposure to the larger forces inexorably altering the natural world
