Portrait Of The Assassin:

Portrait of the Assassin Gerald R. Ford, John R. Stiles, 1966* *Portrait of an Assassin* Lewis Tracy, 1999-12 Russia has never been so unstable as when an assassin begins eliminating key political figures in the midst of the presidential election campaign The only one who knows who is behind the assassinations is Anthony Bitters a retired Scotland Yard detective Even he however doesn't know the killer's true identity or what he looks like and can only refer to him by his nom de guerre Matisse The only hints are left by Matisse himself in the form of his assassination paintings each of which reveals a tantalizingly enigmatic facet of his personality and past Eventually a sort of self portrait emerges but only for those with the skill to see Now after nearly thirty years of trying Bitters has one last chance to run down a personal demon a phantom who has eluded not just him and Scotland Yard but western security agencies around the world Will Bitters succeed and at what cost Russia is in the throes of a collective insanity where intermittent sightings of one of the four horsemen of the Apocalypse vie with the sensational political murders for the public's attention The nation could implode at any moment Nothing however is of any consequence to Bitters other than to bring the hunt that began so long ago to a crashing halt www.portraitofanassassin.com

Portrait of the Assassin Congressman Gerald R. Ford, 1965 **He Was Expendable: National Security, Political and ...** , *The Murder of Prime Minister Spencer Perceval* Martin Connolly, 2018 England entered the nineteenth century having lost the American states and was at war with France The slave trade had been halted and the country was in torment with industrialization throwing men and women out of work as poverty haunted their lives As the merchants of England and America saw their businesses stagnate and profits plummet everyone blamed the government and its policies Those in charge were alarmed and businessmen who were believed to be exploiting the poor were murdered Assassination indeed stalked the streets The man at the centre of the storm was Prime Minister Spencer Perceval From the higher reaches of society to the beggar looking for bread many wanted him dead due to policies brought about by his inflexible religious convictions and his belief that he was appointed by God In May 1812 he entered the Lobby of the Houses of Parliament when a man stepped forward and fired a pistol at him The lead ball entered into his heart Within minutes he was dead Using freshly discovered archive material this book explores the assassin's thoughts and actions through his own writings Using his background in psychology the author explores the question of the killer's sanity and the fairness of his subsequent trial Within its pages the reader will find an account of the murder of Spencer Perceval and a well developed portrait of his assassin Publisher **Act of Treason** Mark North, 2011-07-01 In this meticulously researched classic of the JFK conspiracy genre that Library Journal calls sensational Mark North argues convincingly that President John F Kennedy died as the result of a plot masterminded by Louisiana Mafia chieftain Carlos Marcello and more importantly that FBI chief J Edgar Hoover learned early on about the plan but did nothing to stop it Hoover warned no one not the Dallas police not the Secret Service His motives North suggests stemmed from a fervent hatred of Kennedy and fear that the President would

eventually fire him He is documented as a close confidant of Vice President Lyndon Johnson a man Hoover controlled due to blackmail and scandals Hoover s day to day running of the FBI his strange personality and his backroom dealings are brought to life using an extensive collection of press clippings government documents and other original sources Act of Treason is a must read for any citizen who believes the Warren Commission failed miserably in its attempt to solve one of modern America s most pressing mysteries Who killed JFK A Comprehensive Encyclopedia of Film Noir John Grant,2023-09-21 Featuring rumpled PIs shyster lawyers corrupt politicians double crossers femmes fatales and of course losers who find themselves down on their luck yet again film noir is a perennially popular cinematic genre This extensive encyclopedia describes movies from noir s earliest days and even before looking at some of noir s ancestors in US and European cinema as well as noir s more recent offshoots from neo noirs to erotic thrillers Entries are arranged alphabetically covering movies from all over the world from every continent save Antarctica with briefer details provided for several hundred additional movies within those entries A copious appendix contains filmographies of prominent directors actors and writers With coverage of blockbusters and program fillers from Going Straight US 1916 to Broken City US 2013 via Nora Inu Japan 1949 O Anthropos tou Trainou Greece 1958 El Less Wal Kilab Egypt 1962 Reportaje a la Muerte Peru 1993 Zift Bulgaria 2008 and thousands more A Comprehensive Encyclopedia of Film Noir is an engrossing and essential reference work that should be on the shelves of every cinephile **A Cruel and Shocking Act** Philip Shenon,2013-10-29 A groundbreaking explosive account of the Kennedy assassination that will rewrite the history of the 20th century s most controversial murder investigation The questions have haunted our nation for half a century Was the President killed by a single gunman Was Lee Harvey Oswald part of a conspiracy Did the Warren Commission discover the whole truth of what happened on November 22 1963 Philip Shenon a veteran investigative journalist who spent most of his career at The New York Times finally provides many of the answers Though A Cruel and Shocking Act began as Shenon s attempt to write the first insider s history of the Warren Commission it quickly became something much larger and more important when he discovered startling information that was withheld from the Warren Commission by the CIA FBI and others in power in Washington Shenon shows how the commission s ten month investigation was doomed to fail because the man leading it Chief Justice Earl Warren was more committed to protecting the Kennedy family than getting to the full truth about what happened on that tragic day A taut page turning narrative Shenon s book features some of the most compelling figures of the twentieth century Bobby Kennedy Jackie Kennedy Lyndon Johnson J Edgar Hoover Chief Justice Warren CIA spymasters Allen Dulles and Richard Helms as well as the CIA s treacherous molehunter James Jesus Angleton Based on hundreds of interviews and unprecedented access to the surviving commission staffers and many other key players Philip Shenon s authoritative scrupulously researched book will forever change the way we think about the Kennedy assassination and about the deeply flawed investigation that followed A Washington Post Notable Nonfiction Book of 2013 Waking The Warrior

Goddess (EasyRead Edition) Christine Horner,2007 *Portrait of an Assassin* Richard Godwin,2017-05-03 Jack is an ex Commando a killer who is highly trained by the British government When he leaves the Royal Marines he finds himself on the other side of the law taking hits for the Sicilian Mafia His life changes dramatically and he becomes a highly sought after globe trotting International assassin But when he is approached for a contract involving selling enriched plutonium to Syria he becomes involved in a government plot in which the hunter becomes the hunted **Portrait of an Assassin** Ivy Morrison,Columbia University.
