Author Bio Introduction Drawing with colored pencil is super easy if you use the right colors and have drawn a good sketch  
Unlike the graphite pencils colored pencils cannot be easily erased so we have to draw carefully particularly the darker areas  
Always draw a parts with colored pencil pressing down lightly and if it looks good color over the same area pressing down  
hard Buy good brand of colored pencils and smooth paper If you don t have a lot of say red pencils you can get more nuances  
with only one pencil by controlling how hard you press when you draw In the image below I ve drawn with one red pencil  
three nuances In the first example I pressed hard in the second I pressed normally and in the third example I pressed lightly
