Kelly, 1984      **Allowed to Grow Old** Isa Leshko, 2019-05-10 There's nothing quite like a relationship with an aged pet a dog or cat who has been at our side for years forming an ineffable bond Pampered pets however are a rarity among animals who have been domesticated Farm animals for example are usually slaughtered before their first birthday We never stop to think about it but the typical images we see of cows chickens pigs and the like are of young animals What would we see if they were allowed to grow old Isa Leshko shows us brilliantly with this collection of portraits To create these portraits she spent hours with her subjects gaining their trust and putting them at ease The resulting images reveal the unique personality of each animal It's impossible to look away from the animals in these images as they unforgettably meet our gaze simultaneously calm and challenging In these photographs we see the cumulative effects of the hardships of industrialized farm life but also the healing that time can bring and the dignity that can emerge when farm animals are allowed to age on their own terms Each portrait is accompanied by a brief biographical note about its subject and the book is rounded out with essays that explore the history of animal photography the place of beauty in activist art and much more Open this book to any page Meet Teresa a thirteen year old Yorkshire Pig or Melvin an eleven year old Angora Goat or Tom a seven year old Broad Breasted White Turkey You'll never forget them      **Aging Gracefully**, 2017-03-07 Fall in love with 52 wise healthy and joyful 100 year olds in this celebratory and uplifting art book A beautiful and fascinating exploration of what it is like to be over 100 years old Aging Gracefully invites readers to look into the face of a century of life experience with portraits of centenarians captured by the compassionate minimalist lens of photographer Karsten Thormaehlen The striking photographs are accompanied by short bios of the centenarians featuring quotes and wisdom on love food humor and living with grace      **Women and Aging** Jo Alexander, 1986 First and best anthology to address ageism from a feminist perspective      **Portraits of Aging** Harry Kujath, Usha Chowdhary, Carol M.
