## **Portraits Of Christ In Scripture:**

*Jesus Our Lord* John Phillips,2007-01-01 This companion volume to the best selling *The View From Mount Calvary* shows readers how we are never far from encountering the lordship of Christ no matter where we are in our biblical reading Respected teacher John Phillips guides readers illustrating how the Bible provides a window through which we encounter Jesus our Lord and discusses the many biblical events stories and prophecies that reflect his lordship **Jesus Our Lord**

John Phillips,2007 *Portraits of Christ in Scripture* Robert W. Wingard,1989-06 *Portraits of Jesus in the Gospel of John* Robert P. Lightner,2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use 100 Portraits of Christ Henry Garipey,1993-09

A biography of the person and ministry of Christ as revealed by 100 names and titles ascribed to Him in Scripture Preface

Portraits of Christ Gordon J. Keddie,David G. Whitla,2020-07-14 **Four Portraits, One Jesus** Mark L.

Strauss,2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential Four Portraits One Jesus is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels **Four Portraits of Jesus** Elizabeth E. Platt,2004

**Unveiling Final Jesus** Dean C. Knudsen,2009-06-30 In terms of the written canon of Scripture the Book of Revelation is Gods last word Common logic would seem to dictate that a God who is intelligent reasonable and articulate would speak last words that would be easily understood by the vast majority of His audience Unfortunately in the case of The Revelation the reality is quite different For most of the last two millennia of Church history Christians have fussed and fought metaphorically if not physically over the intent intelligibility and interpretation of The Revelation What was given as a source of encouragement unity and hope has become a cause of discouragement division and fear In this book the author presents a series of portraits of Jesus Christ which are revealed in the successive apocalyptic visions contained in the Book of Revelation

These visions were not given to stir fear or confusion but to inspire hope and to give courage to a young Church a Church that was struggling with the harsh realities of living according to the teachings of Christ in the midst of a decidedly non Christian world The author claims that Jesus is the focal point and central figure of this mysterious and final book of the Bible In this manner he seeks to make the message of Revelation relevant and reasonable to every reader     A Portrait of Christ D. Patrick Ramsey,2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person     The Biblical Names of Jesus Paul Thigpen,2018 From Alpha to Omega An Examination of Christ in Scripture Have you ever wondered why Jesus has so many names It s not an accident Each one is invaluable in helping us to understand as best we can the full nature of Jesus Christ Paul Thigpen dives deep into Scripture from Genesis to Revelation to illuminate the many names of Jesus found therein and explain how each one reveals something new and essential about Our Lord     **101 Portraits of Jesus in the Hebrew Scriptures** Bob Beasley,2008-11 If Jesus didn t come along until the New Testament what is He doing in the Old Testament In his forthcoming book 101 Portraits of Jesus in the Hebrew Scriptures author Bob Beasley a graduate of Westminster Theological Seminary seeks to answer that question in many more than 101 ways In fact even though the Old Testament or the Hebrew Scriptures was written 2 000 to 500 years prior to Jesus earthly ministry some say the Lord may be found on its every page Just as a great novel or movie will provide early warnings of things to come later on the Old Testament is full of foreshadowing specific prophesies mighty works and pre incarnate appearances of the Savior He is prefigured by men like Adam Noah Joseph Moses and David Jesus is foreshadowed by furniture rocks food a snake doorways trees colors and animals in many ways He appears as smoke and fire and as the mysterious Angel of the Lord all of this hundreds of years before born to Mary in Bethlehem On the road to Emmaus following His resurrection Jesus spoke with some of His followers Luke tells us beginning with Moses and all the Prophets he explained to them what was said in all the Hebrew Scriptures concerning himself Luke 24 27 In a compact and readable 101 chapters surveying Genesis to Malachi Beasley merely scratches the surface of the wonderful truths of Jesus in the Old Testament sure to deepen anyone s understanding of and love for the entire Bible This is a book for everyone new Christians as well as old and also for those seeking answers as to whether or not the Bible is trustworthy The impact of the foreshadowing of Jesus is truly powerful 101 Portraits will open the Scriptures for you as never before     Portraits of the Word Timothy R. Botts,2002 This inspiring book expresses the freshness and authority of Scripture through calligraphy and offers powerfully rendered verses from Genesis to Revelation combined with wise and practical insights and prayers     **Portraits of Jesus in the Gospel of John** Craig

Koester, 2018-10-18 John's Gospel is best known for its presentation of Jesus as the Word of God made flesh. But as the narrative unfolds, readers discover that the identity of Jesus is surprisingly complex. He is depicted as a teacher, a healer, a prophet, and Messiah. He is Jewish and Galilean, a human being who is Son of Man and Son of God. Portraits of Jesus in the Gospel of John considers each of these roles in detail, showing how each makes a distinctive contribution to the Gospel's rich mosaic of images for Jesus. John's multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions, and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel. The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process. Portraits of Jesus Michael R. Cosby, 1999-11-01 This book provides a learning-by-doing approach to the study of the Gospels. It allows students to uncover literary patterns, theological issues, and interpretive problems through close readings of primary sources. Questions are asked along the way that help readers understand the shape of the narrative and the themes important to each Gospel writer. **Portraits of Jesus** Robert Imperato, 2017-12-12 This is an introductory guide to the ways Jesus is depicted in the New Testament. Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters. The authors of the four Gospels show considerable freedom in their handling of the words and deeds associated with Jesus. New Testament authors are not so much news reporters as promoters of Christian living. They shape their material to highlight who Jesus is and how to live according to his teaching and example. This work presumes neither religious faith nor lack of faith; its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as a synthetic balance to the vital work of analysis. At best, this book should be read with a copy of the New Testament at hand to answer questions and to challenge the assertions of reader and author. *Portraits of Christ in Genesis* Martin Ralph DeHaan, 1966 **Jesus according to Scripture** Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work, Darrell Bock, a leading evangelical New Testament scholar who speaks and teaches around the world, and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents. When read together, the Gospels provide a clear picture of Jesus and his unique claims to authority. This book surveys all the Gospel units and relates them to their parallel passages, showing how the literary and canonical relationships work. Offering up-to-date interaction with the latest discussions about Jesus, the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels. **Portraits of Jesus** Robert Imperato, 2022-09-01 This is an introduction to the New Testament portrayals of Jesus of Nazareth. Analysis of editorial emphases by each author gives access to the ways Jesus is characterized. This is an introductory guide to the ways Jesus is depicted in the New Testament. Both college students and the general reader will find here a variety of New

Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters Underlining these particular portrayals is the historical Jesus a prophet mighty in word and deed who challenged the people running the Temple state This new addition gives attention to his historical context and adds to a realistic understanding of this most studied book and person This work presumes neither religious faith nor lack of faith its aim is to inform and to give the readers portraits as synthetic balance to the vital work of analysis Ideally this book should be read with a copy of the New Testament at hand to answer questions and to test the assertions of reader and author
