*Portraits from the Beginnings* Sanna Barlow Rossi, 2004-11      **Beginning the Walk** Mary Bennett, Ron Bennett, The Navigators, 2018-06-05 Following Jesus Start Here Following Jesus isn't always clear cut Fortunately many people have walked the path ahead of us and we can learn a lot from them Learn what you'll need from some of Jesus' earliest followers in this 18 lesson Bible study Paul John and others will make sure you're ready for the journey Beginning the Walk provides you the essentials you'll need along the way including your identity in Christ faith the Word prayer community grace and the Holy Spirit's guidance There's no need to feel lost Find the resources you need and stay focused on Christ every step of the way Note Beginning The Walk combines and replaces three earlier books Jesus The Way 9781576833490 Jesus The Truth 9781576837078 and Jesus The Life 9781576837085      **The Beginning of the Story** Timothy J. Geddert, 2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty-six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God's dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J. Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible's first thirty-nine books restoring joy in reading and studying the most important story ever told      **In the Beginning** Nicola Currie, Jean Thomson, 1995      Writings of John Jewell. Strohecker, 2020-10-26 What does it look like when someone feels called to do something that doesn't make sense It depends on who you ask To the one doing it it seems like the only choice To those looking on from the outside it may look admirable a little on the crazy side or bordering on insanity This is the true story of one couple who knew that calling as they became unwittingly involved in the life of a stranger a sweet old man named George who landed on their porch in the midst of a heart attack Despite any real plan Linda and Bobby answered a gentle nudge from God As they surrendered God perfectly orchestrated everything allowing them all to receive a lifetime of living and loving in just eight months When it was all over they were unable to imagine anything more beautiful than the lifelong blessings they received And then one last unexpected blessing came to light which God used to open the eyes of those looking on from the outside

*A Portrait of Christ* D. Patrick Ramsey, 2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person *Word Pictures from the Bible, or, Scenes from Scripture-History depicted, and their practical and doctrinal teaching asserted and enforced* George Henry TAYLOR (Master of the Model School, Battersea.), 1854 *Reading the First Five Books* Rachel Toombs, 2024-10-29 This book invites readers to rediscover the artistry and transformative power of the narratives of the first five books of the Bible *Reading the First Five Books* highlights key literary techniques like brevity pacing characterization and use of the grotesque showing how these characteristics shape biblical stories into memorable complex narratives that reward close reading This accessible guide unpacks what makes Old Testament stories effective while cultivating skills for deeper engagement with scriptural texts Extended examples drawn from each book of the Pentateuch are included Bridging literary study and biblical scholarship *Reading the First Five Books* models a spirit of open minded yet careful reading that uncovers profound meaning in sparse details The book is ideal for courses on the Old Testament or the Pentateuch Students
