#### **Portraits Of Basques In The New World:**

Portraits of Basques in the New World Richard W. Etulain, Jeronima Echeverria, 1999 A collection of new essays on notable historic and contemporary Basques of America's Far West that offers a perceptive and lively examination of the lives of one of the West's most resilient and successful ethnic minorities. It is essential reading for anyone interested in the Basque people or those interested in the process of immigration and assimilation these profiles illustrate how America's Basque immigrants have achieved success in mainstream society while retaining strong ties to their ancient Old World culture

Basque Immigrants and Nevada's Sheep Industry Iker Saitua, 2019-03-20 Basque Immigrants and Nevada's Sheep Industry is a rich and complex exploration of the history of Basque immigration to the rangelands of Nevada and the interior West It looks critically at the Basque sheepherders in the American West and more broadly at the modern history of American foreign relations with Spain after the Second World War Between the 1880s and the 1950s the western open range sheep industry was the original economic attraction for Basque immigrants This engaging study tracks the development of the Basque presence in the American West providing deep detail about the sheepherders history native and local culture the challenges they faced and the changing conditions under which the Basques lived and worked Saitua also shows how Basque immigrant sheepherders went from being a marginalized labor group to a desirable high priced workforce in response to the constant demand for their labor power As the twentieth century progressed the geopolitical tide in America began to change In 1924 the Restrictive Immigration Act resulted in a truncated labor supply from the Basque Country in Spain During the Great Depression and the Second World War the labor shortage became acute In response Senator Patrick McCarran from Nevada lobbied on behalf of his wool growing constituency to open immigration doors for Basques the most desirable laborers for tending sheep in remote places Subsequently Cold War international tensions offered opportunities for a reconciliation between the United States and Francisco Franco despite Spain's previous sympathy with the Axis powers This fresh portrayal shows how Basque immigrants became the backbone of the sheep industry in Nevada It also contributes to a wider understanding of the significance of Basque immigration by exploring the role of Basque agricultural labor in the United States the economic interests of Western ranchers and McCarran's diplomacy as catalysts that eventually helped bring Spain into the orbit of western democracies Idaho's Place Adam M. Sowards, 2014-07-01 Idaho s Place is an anthology of the most current and original writing on Gem State history From the state s indigenous roots and early environmental battles to recent political and social events these essays provide much needed context for understanding Idaho s important role in the development of the American West Through a creative approach that combines explorations of concepts such as politics gender and race with the oral histories of Idaho residents the very people who lived and made state history this unique collection sheds new light on the state's surprisingly contentious past Readers whether they are longtime residents or newcomers tourists or seasonal dwellers policy makers or historians will be treated to a rich narrative in which

the many threads of Idaho s history entwine to produce a complete tapestry of this beautiful and complex Western state Encyclopedia of Immigration and Migration in the American West Gordon Morris Bakken, Alexandra Kindell, 2006-02-24 To read some sample entries or to view the Readers Guide click on Sample Chapters Additional Materials in the left column under About This Book Immigration from foreign countries was a small part of the peopling of the American West but an important aspect in building western infrastructure cities and neighborhoods The Encyclopedia of Immigration and Migration in the American West provides much more than ethnic groups crossing the plains landing at ports or crossing borders this two volume work makes the history of the American West an important part of the American experience Through sweeping entries focused biographies community histories economic enterprise analysis and demographic studies this Encyclopedia presents the tapestry of the West and its population during various periods of migration. The two volumes examine the settling of the West and include coverage of movements of American Indians African Americans and the often forgotten role of women in the West's development Key Features Represents many of the American Indian tribes and bands that constitute our native heritage in an attempt to reintegrate the significance of their migrations with those of later arrivals Examines how African Americans and countless other ethnic groups moved west for new opportunities to better their lives Looks at specific economic opportunities such as mineral exploration and the development of instant cities Provides specific entries on immigration law to give readers a sense of how immigration and migration have been involved in the public sphere Includes biographies of certain individuals who represent the ordinary as well as extraordinary efforts it took to populate the region Key Themes American Indians Biographies Cities and Towns Economic Change and War Ethnic and Racial Groups Immigration Laws and Policies Libraries Natural Resources Events and Laws The Way West The Encyclopedia of Immigration and Migration in the American West brings new insight on this region stimulates research ideas and invites scholars to raise new questions It is a must have reference for any academic library New Mexican Lives Richard W. Etulain. 2002 This book will appeal to anyone interested in knowing more about how a fascinating mix of people of various cultures have molded New Mexico s history Jaialdi Nancy Zubiri, 2022-06-15 Jaialdi A Celebration of Basque Culture is a photographic showcase of the largest Basque festival in the United States held in Boise Idaho every five years Jaialdi is a celebration of the traditions of Basque food dancing music food and competitive feats of strength The photography of Jon C Hodgson combined with the writing of Basque American expert Nancy Zubiri captures the essense of the ancient Basque people who have adapted their culture to the Western American landscape More Than Sheepherders Joxe K. Mallea-Olaetxe, Jess Lopategui, 2025-04-15 In the remote community of Elko Nevada the Altube brothers and the Garats started fabled ranches in the early 1870s These hardy citizens created the foundation of a community that still exists today rooted in the traditions and cultures of American Basque families Joxe K Mallea Olaetxe presents a modern study focused on the post 1970s when the retired Basque sheepherders and their families became the dominant Americanized minority in the area During this time the

Fourth of July National Basque Festival began to attract thousands of visitors from as far away as Europe to the small Nevada community and brought to light the vibrant customs of these Nevadans This book explores the American Basques present day place in the West bolstered by the collaborative efforts of four contributors including two women all who have been residents of Elko The writers offer firsthand knowledge of their heritage through numerous vignettes and these deeply personal perspectives will entice readers into Mallea Olaetxe's singular and entertaining historical account Robert Barkan, 2007-05-11 A history of immigrants in the American West in the nineteenth and twentieth centuries and their effect on the region At a time when immigration policy is the subject of heated debate this book makes clear that the true wealth of America is in the diversity of its peoples By the end of the twentieth century the American West was home to nearly half of America's immigrant population including Asians and Armenians Germans and Greeks Mexicans Italians Swedes Basques and others This book tells their rich and complex story of adaptation and isolation maintaining and mixing traditions and an ongoing ebb and flow of movement assimilation and replenishment These immigrants and their children built communities added to the region s culture and contended with discrimination and the lure of Americanization The mark of the outsider the alien the nonwhite passed from group to group even as the complexion of the region changed The region welcomed then excluded immigrants in restless waves of need and nativism that continue to this day Written in the fashion of Oscar Handlin this study makes a convincing case that immigration history comprises an essential part of the history of the American West and that appreciation of the former and the roles played by myriad alien arrivals is essential for understanding the latter Barkan combines vignettes based on immigrant reminiscences with keen analysis to explore four related themes various groups arrivals their economic influences their effects on public policy and their adaptation and assimilation The resulting narrative is readable and informative Recommended Choice A remarkable synthesis of the West as a region of immigrants It tells the story of how vital immigrants were to economic growth and modernization This will be the prime reference for 21st century scholars of immigration and ethnicity in the American West Annals of Wyoming Spring 2010

Journal of the Society of Basque Studies in America ,2010 Making It in America Elliott Robert Barkan,2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to

winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is

An Enduring Legacy Mark Bieter, John Bieter, 2003-12-01 In this volume brothers Mark and John Bieter chronicle three generations of Basque presence in Idaho from 1890 to the present resulting in an engaging story that begins with a few solitary sheepherders and follows their evolution into the prominent ethnic community of today

**Beyond the Missouri** Richard W. Etulain,2006 This new historical overview tells the dramatic story of the American West from its prehistory to the present A narrative history it covers the region from the North Dakota to Texas states to the Pacific Coast and includes experiences and contributions of American Indians Hispanics and African Americans

Franciscan Frontiersmen Robert A. Kittle, 2017-05-18 Pious and scholarly the Franciscan friars Pedro Font Juan Cresp and Francisco Garc s may at first seem improbable heroes Beginning in Spain their adventures encompassed the remote Sierra Gorda highlands of Mexico the deserts of the American Southwest and coastal California Each man's journey played an important role in Spain's eighteenth century conquest of the Pacific coast but today their names and deeds are little known Drawing on the diaries and correspondence of Font Cresp and Garc s as well as his own exhaustive field research Robert A Kittle has woven a seamless narrative detailing the friars striking accomplishments Starting with a harrowing transatlantic voyage all three traveled through uncharted lands and found themselves beset by raiding Indians marauding bears starvation and scurvy Along the way they made invaluable notes on indigenous peoples flora and fauna and prominent eighteenth century European colonial figures Font the least celebrated of the three recorded the daily events of the 1775 76 colonizing expedition of Juan Bautista de Anza while serving as its chaplain Font's legacy includes some of the earliest accurate maps of California between San Diego Bay and San Francisco Bay Garc s an itinerant missionary developed close relationships with Indians in Sonora and California He learned their languages and lived and traveled with them usually as the only white man and brokered dozens of peace agreements before he was killed in a Yuma uprising Cresp who traveled up the California coast with Father Jun pero Serra kept meticulous journals of an expedition to reconnoiter the San Francisco Bay area the Sacramento and San Joaquin Rivers and the northern reaches of California's central valley This enthralling narrative elevates these Spanish friars to their rightful place in the chronicle of American exploration It brings their exploits out of the shadow of the American Revolution and Lewis Clark expedition while also illuminating encounters between European explorers and missionaries and the American Indians who had occupied the Pacific coast for millennia The Basque Language Alan R. King, 2016-06-01 Since its first publication in 1994 Alan R King s introduction to the Basque language has become the standard textbook for classroom language students and individuals learning this unique language on their own It offers clear explanations of grammatical structure exercises that allow students to practice grammatical and communication skills dialogues and narrative texts that provide a glimpse into Basque social and family life It also provides exercises in pronunciation and tips for instructors and students to help them achieve fluency in modern Basque A Texas

**Cowboy** Charles A. Siringo, 2000-12-01 After a nomadic childhood Charles Siringo signed on as a teenage cowboy for the noted Texas cattle king Shanghai Pierce and began a life that embraced all the hard work excitement and adventure readers today associate with the cowboy era He rid the Chisholm trail driving 2 500 heads of cattle from Austin to Kansas knew Tascosa now a historic monument when it was home to raucous saloons red light districts and a fair share of violence and led a posse of cowboys in pursuit of Billy the Kid and his gang First published in 1885 Siringo's chronicle of his life as a itchy footed boy cowhand range detective and adventurer was one the first classics about the Old West and helped to romanticize the West and its myth of the American cowboy Will Rogers declared That was the Cowboy's Bible when I was growing up For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Thunder in the West Richard W. Etulain, 2020-07-09 Even before he was shot and killed in 1881 Billy the Kid's charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In Thunder in the West Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy s life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation Ernest Haycox and the Western Richard W. Etulain, 2017-09-14 Western fans today may not recognize the name Ernest Haycox 1899 1950 but they know his work John Ford turned one of his stories into the iconic film Stagecoach and the whole Western literary genre still follows conventions that Haycox deftly mastered and reshaped In this new book about Haycox's literary career Richard W Etulain tells the engrossing story of his rise through the ranks of popular magazine

and serial fiction to become one of the Western's most successful creators After graduating from the University of Oregon in 1923 with a degree in journalism Haycox began his quest to break into New York's pulp magazine scene submitting dozens of stories before he began to make a living from his writing By the end of the 1920s he had become a top writer for Western Story Short Stories and Adventure among other popular weeklies and monthlies Ernest Haycox and the Western traces Haycox s path from rank beginner to crack pulp writer to regular contributor to Collier's and the Saturday Evening Post Etulain shows how Haycox experimented with techniques to deepen and broaden his Westerns creating more introspective protagonists Hamlet heroes introducing new types of heroines the brunette vixen the blonde Puritan and weaving greater historical realism into his plots After reaching the height of success with his best selling Custer novel Bugles in the Afternoon 1944 Haycox moved away from the financially rewarding but artistically constricting Western formula only to achieve his final coup with The Earthbreakers a historical novel about the end of the Oregon Trail published posthumously in 1952 Reconstructing the career of a popular literary giant Ernest Haycox and the Western restores Haycox to his rightful place in the history of Western literature **Remaking Identities** Benjamin Lieberman, 2013-03-22 For centuries conquerors missionaries and political movements acting in the name of a single god nation or race have sought to remake human identities Tracing the rise of exclusive forms of identity over the past 1500 years this innovative book explores both the creation and destruction of exclusive identities including those based on nationalism and monotheistic religion Benjamin Lieberman focuses on two critical phases of world history the age of holy war and conversion and the age of nationalism and racism His cases include the rise of Islam the expansion of medieval Christianity Spanish conquests in the Americas Muslim expansion in India settler expansion in North America nationalist cleansing in modern Europe and Asia and Nazi Germany s efforts to build a racial empire He convincingly shows that efforts to transplant and expand new identities have paradoxically generated long periods of both stability and explosive violence that remade the human landscape around the world

America, History and Life, 2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada Calamity Jane Richard W. Etulain, 2015-08-25 This exhaustive bibliographical reference will be the first stop for anyone looking for Calamity Jane in print film or photograph and wanting to know how reliable those sources may be Richard W Etulain renowned western U S historian and the author of a recent biography of this charismatic figure enumerates and assesses the most valuable sources on Calamity Jane s life and legend in newspapers magazines journals books and movies as well as historical and government archives Etulain begins with a brief biography of Martha Canary aka Calamity Jane 1856 1903 then analyzes the origins and growth of her legends The sources Etulain shows reveal three versions of Calamity Jane In the most popular one she was a Wild Woman of the Old West who helped push a roaring frontier through its final stages This is the Calamity Jane who fought Indians marched with the military and took on the bad guys Early in her life she also hoped to embody the pioneer woman seeking marriage and a stable family and home A third later

version made of Calamity an angel of mercy who reached out to the poor and nursed smallpox victims no one else would help The hyperbolic journalism of the Old West as well as dime novels and the stretchers Calamity herself told in her interviews and autobiography shaped her legends through much of the twentieth century Many of the sensational early accounts of Calamity s life Etulain notes were based on rumor and hearsay In illuminating the role of the Deadwood Dick dime novel series and other pulp fiction in shaping what we know or think we know of the American West Etulain underscores one of his fascinating themes the power of popular culture The product of twenty years labor sifting fact from falsehood or distortion this bibliography and reader s guide includes brief discussions of nearly every item s contents along with a terse entertaining evaluation of its reliability

#### **Portraits Of Basques In The New World Introduction**

In todays digital age, the availability of Portraits Of Basques In The New World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Portraits Of Basques In The New World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Portraits Of Basques In The New World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Portraits Of Basques In The New World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Portraits Of Basques In The New World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Portraits Of Basques In The New World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Portraits Of Basques In The New World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Portraits Of Basques In The New World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Portraits Of Basques In The New World books and manuals for download and embark on your journey of knowledge?

#### **FAQs About Portraits Of Basques In The New World Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
