Missional: Impossible!

Francis Rothery,2014-01-07 Mainline Christianity in the West is dying Addiction to hierarchical and bureaucratic power is killing it A management god and a mission god have usurped the Way of Christ In the midst of decline the missional movement is attempting to reboot the church Its goal is to remake a New Christian West through mission leadership mapping and planning Yet it is trapped in the language and methods of modernity Its final solution is a polarizing vision of cultural domination by one social group the Christians The Way of Life and Truth has been forgotten Christ is not a conquering King a written Word or an absolute Idea but a divine Human Being Social wholeness can only be realized through a rediscovery of Conversation Reconciliation and Empowerment These reflect Christ s practices of eternal dialogue and reciprocal giving in small communities Through this mutual Way of Life people of all faiths and none can discover deep within themselves Our Un Known G d A gentle voice is whispering in the heart of all humanity I am the Way

To Read a Poem Donald Hall, 1992 *To Read a Poem* begins the study of poetry by examining whole poems emphasizing the goal of reading is not the analysis of parts but the understanding of wholes For a fuller definition of poetry's elements later chapters concentrate on parts Selections are frequently modern or contemporary supplementing them with biographical notes on all poets *To Read a Poem* will help students read poetry with intelligence gusto and discrimination
