L'économie sociale dans les services à domicile Yves Vaillancourt, François Aubry, 2003-10-30T19:00:00-05:00 Cet ouvrage présente les résultats d'une recherche effectuée sur le développement du secteur de l'aide domestique et plus particulièrement sur les divers modes de régulation que l'on retrouve au sein des entreprises qui le composent. Ces entreprises sont analysées selon quatre dimensions : les rapports sociaux de consommation et la participation des usagers, les rapports de travail et la place des employés, les rapports de genre et la participation des femmes, et la contribution de ces entreprises aux dynamiques territoriales et au développement local. Cette analyse permet également d'identifier les défis majeurs qu'auront à relever les acteurs impliqués dans le développement de ce secteur au cours des prochaines années.

Pour une meilleure compréhension de la toxicomanie Colette Biron, Louise Nadeau, 2017-02-01T00:00:00-05:00 Notre société est de plus en plus sensible aux maux associés à la surconsommation d'alcool et de drogues. Les accidents de la route, la propagation du sida, la négligence parentale, la consommation de drogues chez les jeunes sont autant de phénomènes qui font sentir l'urgence d'une intervention pour contrer ces maux. La toxicomanie est souvent perçue comme un phénomène mystérieux sur lequel on a peu de prise : comment expliquer que des personnes en viennent à développer une dépendance à l'alcool et aux drogues au point de compromettre leur santé, leur vie professionnelle, leurs relations avec ceux qui les entourent ? Comment aider ces personnes à se libérer de leur dépendance ou tout au moins adopter des comportements moins néfastes ? Quels sont les moyens les plus efficaces de prévenir la toxicomanie ? Les auteures de *Pour une meilleure compréhension de la toxicomanie* ont réussi non seulement à résumer et rendre accessibles des travaux relevant de domaines aussi divers que la psychophysiologie, la génétique, la sociologie et la psychologie, mais aussi et surtout les mettre en relation les uns avec les autres et présenter une synthèse cohérente qui propose des orientations pour la réflexion et l'action. Grâce aux références qui s'y trouvent, le lecteur est renvoyé à un trésor qu'il pourra explorer lui-même et construire sa propre synthèse.
