English [The Intertextuality of Terry Pratchett's Discworld as a Major Challenge for the Translator](#) Aleksander
Rzyman,2017-01-06 For the translator intertexts are among chief problems posed by the source text Often unmarked
typographically direct or altered not necessarily well known and sometimes intersemiotic quotations and references to other
writings and culture texts call for erudition and careful handling so that readers of the translation stand a chance of spotting
them too For the reader the rich intertextuality of Terry Pratchett s Discworld series is among its trademark features
Consequently it should not be missed in translations whose success thus depends significantly on the quality of translation of
the intertexts which as is highlighted here cover a vast and varied range of types of original texts The book focuses on how to
deal with Pratchett s intertexts how to track them down analyse their role predict obstacles to their effective translation and
suggest translation solutions complete with a discussion of the translation of selected intertextual fragments in the Polish
