Still Life Painting Atelier Michael Friel, 2014-12-16 The equivalent of a foundation course in traditional oil painting for beginning to intermediate level artists this in depth book uses the still life as a practical way to master oil techniques The still life is a practical forgiving genre as it does not require the likeness of a portrait or the accurate proportions of the figure and unlike the landscape it doesn't change with the weather Instead it gives aspiring artists ample time to study and the opportunity to look closer It can be used as a purely formal subject for drawing and painting techniques or a platform for emotional expression using personal symbolism and imagery However though the still life is used throughout as a teaching tool this is first and foremost a book about oil painting It begins with simple compositions that build to more complex arrangements Starting with essential information on how to best set up your studio including lighting equipment materials paints solvents brushes mediums and preparing your canvas and paper for oil painting Still Life Painting Atelier then offers concrete lessons in a logical progressive sequence with step by step illustrations finished paintings diagrams and tips Chapters cover How to address composition through thumbnail sketches and line drawings Using underpainting to study the characteristics of light and shade The basics of color theory and color mixing How to use a variety of brushes to create sharp and soft edges Techniques that are helpful when painting metal and glass How to apply glazing and scumbling to bring luminosity and texture

The Goodness of Judgment Jeff

McSwain, 2024-11-12 In this volume McSwain continues to deploy Karl Barth Julian of Norwich Athanasius James Cone and dozens of others to buttress his claim about human duplicity and the Easter asymmetry which allows us to properly interpret our lives by the gospel Specifically the focus is on Christ's cross which provides the radical discontinuity judgment needed to preserve the continuity of God's good creation In resurrection light we see the inner connection of re-creation to creation an atonement that disentangles good from evil righteousness from sin and life from death Even though the perfect clarity of this liberating separation is reserved for judgment day this same judgment of grace frees us to live now as eschatological activists in the Liberator's way of justice and peace In view of the cross the Spirit empowers us to live in the hidden truth of who

Christ is and who we have always been in Christ as God's beloved in the Trinitarian communion McSwain's cosmic vision pictures all people sharing in Christ's sufferings and also in his glory Thus the reconciled human community genuinely participates as one in Christ's victory over sin death and the devil **Botanical Bulletin** John Merle Coulter, M.
