SAPPHO PARISIAN MANNERS A REALISTIC NOVEL ALPHONSE. DAUDET, 2019 Sappho Parisian Manners a Realistic Novel (Classic Reprint) Alphonse Daudet, 2017-09-17 Excerpt from Sappho Parisian Manners a Realistic Novel Now all the people who figure in Alphonse Daudet's stories are not mere creations of fancy but have actually lived and he who describes their persons so truthfully and analyses their feelings so delicately knew them well In as much as the characters depicted by him are true to life Daudet is like M Emile Zola a naturaliste But if there are several points of accord there are many more of contrast between these two great novelists Zola and Daudet are certainly fast friends they are both of moderate stature and extremely short sighted they also have the same fondness for the country and rural life and curiously enough they neither of them ever passed their baccalaureat that all but elementary examination at which our English bachelors of arts would turn up their noses in contempt It is true however that Daudet was debarred by lack of money from taking the degree but Zola was plucked twice running for his ignorance of literature With regard to the points of contrast it may be noted that while Daudet is a genuine child of the South of unalloyed descent his rival blends a Frankish with a Latin ancestry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sappho Alphonse Daudet, HardPress, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
