Lustful Appetites Rachel Hope Cleves, 2024-11-18 We take the edible trappings of flirtation for granted chocolate covered strawberries and romance oysters on the half shell and desire the eggplant emoji and a suggestive wink But why does it feel so natural for us to link food and sexual pleasure Rachel Hope Cleves explores the long association between indulging in good food and an appetite for naughty sex from the development of the Parisian restaurant as a place for men to meet with prostitutes and mistresses to the role of sexual outlaws like bohemians new women lesbians and gay men in creating epicurean culture in Britain and the United States Taking readers on a gastronomic journey from Paris and London to New York Chicago and San Francisco *Lustful Appetites* reveals how this preoccupation changed the ways we eat and the ways we are intimate while also creating stigmas that persist well into our own twenty first century

Hemingway's Boat Paul Hendrickson, 2011-09-20 National Book Critics Circle Award Finalist National Bestseller A brilliantly conceived and illuminating reconsideration of a key period in the life of Ernest Hemingway that will forever change the way he is perceived and understood Hendrickson's two strongest gifts that compassion and his research and reporting prowess combine to

masterly effect Arthur Phillips The New York Times Book Review Focusing on the years 1934 to 1961 from Hemingway's pinnacle as the reigning monarch of American letters until his suicide Paul Hendrickson traces the writer's exultations and despair around the one constant in his life during this time his beloved boat Pilar Drawing on previously unpublished material including interviews with Hemingway's sons Hendrickson shows that for all the writer's boorishness depression and alcoholism and despite his choleric anger he was capable of remarkable generosity to struggling writers to lost souls to the dying son of a friend Hemingway's Boat is both stunningly original and deeply gripping an invaluable contribution to our understanding of this great American writer published fifty years after his death *Clothes for a Summer Hotel* Tennessee Williams, 2015-12-18 This late play by Tennessee Williams explores the troubled relationship between F Scott and Zelda Fitzgerald The late Tennessee Williams's *Clothes for a Summer Hotel* made its New York debut in 1980 Here Scott and Zelda Fitzgerald often seen as symbols of the doomed youth of the jazz age become two halves of a single creative psyche each part alternately feeding and then devouring the other Set in Highland Hospital near Asheville North Carolina where Zelda spent her last confinement this ghost play begins several years after Scott's death of a heart attack in California But the past is still always present in Zelda and Williams's constant shifting of chronology and mixing of remembrance with ghostly re-enactment suggest that our real intimacy is with the shadow characters of our own minds As Williams said in the Author's Note to the Broadway production Our reason for taking extraordinary license with time and place is that in an asylum and on its grounds liberties of this kind are quite prevalent and also these liberties allow us to explore in more depth what we believe is truth of character Williams poses the inevitable unanswerable questions Did Scott prevent Zelda from achieving an independent creativity Did Zelda's demands force Scott to squander his talents and turn to alcohol Whose betrayal emotional creative sexual destroyed the other But he poses these questions in a new way in the act of creation Zelda and Scott are now aware of their eventual destruction and the creative fire that consumed two artists combines symbolically with the fire that ended Zelda's life **The Gatsby Affair** Kendall Taylor, 2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple's excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened to tear the couple apart But none had a more profound impact on the two and on Scott's writing as the liaison between Zelda and a French aviator Edouard Jozan Though other biographies have written of Jozan as one of Scott's romantic rivals accounts of the pilot's effect on the couple have been superficial at best In *The Gatsby Affair* Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective Drawing on conversations and correspondence with Jozan's daughter as well as materials from the Jozan family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda's tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author's most famous

creation Jay Gatsby Were it not for Zelda s affair with the pilot Scott s novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers new explanations for their behavior In addition to the love triangle that included Jojo Taylor also delves into an earlier event in Zelda s life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple s psychological makeup *The Gatsby Affair* offers readers a bold interpretation of how one of America s greatest novels was influenced

When Paris Sizzled Mary McAuliffe,2016-09-15 *When Paris Sizzled* vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era s good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life
