Sarah and the Naked Truth. Sarah and the Naked Truth Elisa Carbone, 2002-06-15 When 10 year old Sarah wakes up with a wad of bubble gum stuck in her hair she has no idea how much trouble it will cause First she has to cut off her long hair then she's mistaken for a boy on her new basketball team At least she has good friends and each is facing a personal challenge of her own Christina fumes at being forced to represent Mexico in a school pageant despite her Salvadoran background And Olivia has a secret about her leg she's reluctant to share with even her new best friends With the help of some funny mishaps the trio comes to realize that it s far better to be true to themselves than pose as people they re not Sarah s mom calls it showing the world their naked truth And sometimes that s embarrassing The Naked Truth Cynthia Garrett, 2024-06-18 Millions of people who demanded mastery over their own bodies have been tragically duped Everywhere you look sex and sexuality are redefined manipulated twisted and maligned Terrified of being labeled intolerant Christians have been silent while the world has spoken loudly Well no more Cynthia Garrett will not be silent The sexual revolution offered us nothing but bondage Feminism is an admittedly failed experiment Yet we have always had the answer right under our noses Unlike any other book on purity Garrett boldly tackles these difficult topics to teach you that purity in your mind body and soul is about understanding true sexual freedom The Naked Truth is that we will never be free until we share this message with each other with our communities and with our children Because if we are not speaking godly truth to this generation ask yourself who is Skeletons Renny Mutsa Tsikai, 2012-11 Yemurai a city lawyer was now sleeping on a bed of roses which was now prickly when she found that she was picked from a rubbish pit This rude awakening made her come face to face with the naked truth Sex, Social Purity, and Sarah Grand: Journalistic writings and contemporary reception Sarah Grand, Sarah Grand was one of the most prominent New Women of the 1890s and a notable social purity feminist and suffragist This collection offers important insights into the full range of her journalistic output and lesser known fictional writings It also makes available biographical and autobiographical material and previously unpublished manuscript sources The first volume reproduces Grand's articles and the contemporary critical reception of her work The letters in volume two written mostly in the 1920s and 1930s shed light on Grand's genesis as a writer and her interaction with 1890s artistic and feminist circles The third and fourth volumes contain a selection of short stories from three collections published at and after the turn of the century These comment on some of the explosive issues of that time feminism decadence eugenics class race and war They also reflect Grand's exploration of the interplay between gender and genre **New Essays on Life** Writing and the Body Christopher Stuart, Stephanie Todd, 2009-03-26 In light of materialist revisions of the Cartesian dual self and the increased recognition of memoir and autobiography as a crucial cultural index the physical body has emerged in the last twenty five years as an increasingly inescapable object of inquiry speculation and theory that intersects all of the various subgenres of life writing New Essays on Life Writing and the Body thus offers a timely original focused and yet
