

A classical oil painting of Sarah Churchill, Duchess of Marlborough. She is depicted from the chest up, with her head turned slightly to her right. She has dark, curly hair and is wearing a white garment. Her expression is serene, and she has a soft smile. The background is dark and indistinct.

OPHELIA FIELD

*Sarah Churchill
Duchess of Marlborough*

THE QUEEN'S FAVOURITE

Sarah Churchill Duchess Of Marlborough The Queens Favourite

Lydia Hoyt Farmer

Sarah Churchill Duchess Of Marlborough The Queens Favourite:

Sarah Churchill Duchess of Marlborough Ophelia Field,2003-07-23 A brilliant new biographer presents an unforgettable portrait of Sarah Churchill first Duchess of Marlborough 1660 1744 the glamorous and controversial founder of the Spencer Churchill dynasty that produced both Winston Churchill and Lady Diana Spencer Tied to Queen Anne by an intimate friendship Sarah hoped to wield power equal to that of a government minister When their relationship soured she blackmailed Anne with letters revealing their intimacy and accused her of perverting the course of national affairs by keeping lesbian favourites Her spectacular arguments with the Queen with the architects and workmen at Blenheim Palace and with her own family made Sarah famous for her temper Attacked for traits that might have been applauded in a man Sarah was also capable of inspiring intense love and loyalty deeply committed to her principles and to living what she believed to be a virtuous life Sarah was a compulsive and compelling writer narrating the major events of her day with herself often at center stage This biography brings her own voice passionate and intelligent back to life and casts a critical eye over images of the Duchess handed down through art history and literature Here is an unforgettable portrait of a woman who cared intensely about how we would remember her [The Favourite](#) Ophelia Field,2018-11-29 An incredible story crackling with royal passion envy ambition and betrayal Field s account of the psychological power play between Queen Anne and her confidante is surely definitive A tour de force Lucy Worsley Sarah Churchill Duchess of Marlborough was as glamorous as she was controversial Politically influential and independently powerful she was an intimate and then a blackmailer of Queen Anne accusing her of keeping lesbian favourites including Sarah s own cousin Abigail Masham Ophelia Field s masterly biography brings Sarah Churchill s own voice passionate and intelligent back to life Here is an unforgettable portrait of a woman who cared intensely about how we would remember her perfect for fans interested in the history behind the major motion picture starring Rachel Weisz with Olivia Colman and Emma Stone [The Favourite](#) Ophelia Field,2003-01-20 A portrait of Sarah Churchill first Duchess of Marlborough 1660 1744 this volume discusses one of the most powerful influential and fascinating women of her times *No Way, They Were Gay?* Lee Wind,2021-04-06 History sounds really official Like it s all fact Like it s definitely what happened But that s not necessarily true History was crafted by the people who recorded it And sometimes those historians were biased against didn t see or couldn t even imagine anyone different from themselves That means that history has often left out the stories of LGBTQIA people men who loved men women who loved women people who loved without regard to gender and people who lived outside gender boundaries Historians have even censored the lives and loves of some of the world s most famous people from William Shakespeare and Pharaoh Hatshepsut to Cary Grant and Eleanor Roosevelt Join author Lee Wind for this fascinating journey through primary sources poetry memoir news clippings and images of ancient artwork to explore the hidden and often surprising Queer lives and loves of two dozen historical figures

The Shakespeare Ladies Club Christine and Jonathan Hainsworth,2025-06-15 The story of the women who saved William

Shakespeare from obscurity *The Routledge History of Women in Early Modern Europe* Amanda L. Capern, 2019-10-30

The Routledge History of Women in Early Modern Europe is a comprehensive and ground breaking survey of the lives of women in early modern Europe between 1450 and 1750. Covering a period of dramatic political and cultural change, the book challenges the current contours and chronologies of European history by observing them through the lens of female experience. The collaborative research of this book covers four themes: the affective world, practical knowledge for life, politics and religion, arts, science and humanities. These themes are interwoven through the chapters which encompass all areas of women's lives: sexuality, emotions, health and wellbeing, educational attainment, litigation, and the practical and leisured application of knowledge, skills and artistry from medicine to theology. The intellectual lives of women through reading and writing, and their spirituality and engagement with the material world, are also explored. So too is the sheer energy of female work, including farming and manufacture, skilled craft and artwork, theatrical work, and scientific enquiry. The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader's eyes to an exciting age of female productivity, social engagement, and political activism across European and transatlantic boundaries. It is essential reading for students and researchers of early modern history, the history of women, and gender studies.

The Seven Noses of Soho Jamie Manners, 2015-10-01 A fascinating and alternative guide to London and its many curious details which are often overlooked and unknown *Sarah Churchill, Duchess of Marlborough* Ophelia Field, *The Girl's Book of Famous Queens* Lydia Hoyt Farmer, 2020-07-27

Reproduction of the original *The Girl's Book of Famous Queens* by Lydia Hoyt Farmer *A Clubbable Man* Anthony W. Lee, 2022-06-17

Samuel Johnson famously referred to his future biographer, the unsociable magistrate Sir John Hawkins, as a most unclubbable man. Conversely, this celebratory volume gathers distinguished eighteenth-century studies scholars to honor the achievements, professional generosity, and sociability of Greg Clingham, taking as its theme textual and social group formations. Here Philip Smallwood examines the mirrored minds of Johnson and Shakespeare, while David Hopkins parses intersections of the general and particular in three key eighteenth-century figures. Aaron Hanlon draws parallels between instances of physical rambling and rhetorical strategies in Johnson's *Rambler*, while Cedric D. Reverand dissects the intertextual strands uniting Dryden and Pope. Contributors take up other topics significant to the field, including post-feminism, travel, and seismology. Whether discussing cultural exchange or textual reciprocities, each piece extends the theme, building on the trope of relationship to organize and express its findings. Rounding out this collection are tributes from Clingham's former students and colleagues, including original poetry.

The Women of Grub Street Paula McDowell, 1998

The period 1678-1730 was a decisive one, not only in Western political history but also in the history of the British press. Changing conditions for political expression and an expanding book trade enabled unprecedented opportunities for political activity. *The Women of Grub Street* argues that women already at work in the London book trade were among the first to seize those new opportunities.

for public political expression Synthesizing areas of scholarly inquiry previously regarded as separate and offering a new model for the study of the literary marketplace *The Women of Grub Street* examines not only women writers but also printers booksellers ballad singers hawkers and other producers and distributors of printed texts Original both in its sources and in the claims it makes for the nature extent and complexities of women s participation in print culture and public politics it provides a wealth of new information about middling and lower class women s political and literary lives and shows that these women were not merely the passive distributors of other people s political ideas The central argument of the book is that women of the widest possible variety of socioeconomic backgrounds and religious political allegiances in fact played so prominent a role in the production and transmission of political ideas through print as to belie simultaneous powerful claims that women had no place in public life R The first full length study to suggest the degree of involvement of women in the entire process of print creation at this important moment *The Women of Grub Street* supports a number of important revisionary arguments with a broad range of literary and archival evidence It will be of interest to readers of literature social and publishing history women s studies and feminism and the history of democracy and public discourse *The Passionate Fictions of Eliza Haywood* Kirsten T. Saxton, Rebecca P. Bocchicchio, 2021-05-11 Will be required reading not just for students of eighteenth century literature but also for feminist critics and historians of the novel Sandra M Gilbert award winning poet and literary critic The most prolific woman writer of the eighteenth century Eliza Haywood 1693 1756 was a key player in the history of the English novel Along with her contemporary Defoe she did more than any other writer to create a market for fiction prior to the emergence of Richardson Fielding and Smollett Also one of Augustan England s most popular authors Haywood came to fame in 1719 with the publication of her first novel *Love in Excess* In addition to writing fiction she was a playwright translator bookseller actress theater critic and editor of *The Female Spectator* the first English periodical written by women for women Though tremendously popular her novels and plays from the 1720s and 30s scandalized the reading public with explicit portrayals of female sexuality and led others to call her the Great Arbitress of Passion Essays in this collection explore themes such as the connections between Haywood s early and late work her experiments with the form of the novel her involvement in party politics her use of myth and plot devices and her intense interest in the imbalance of power between men and women Distinguished scholars such as Paula Backscheider Felicity Nussbaum and John Richetti approach Haywood from a number of theoretical and topical positions leading the way in a crucial reexamination of her work *The Passionate Fictions of Eliza Haywood* examines the formal and ideological complexities of her prose and demonstrates how Haywood s texts defy traditional schematization **Rude** Rebecca Reid, 2021-12-14 A timely and entertaining exploration of why ambitious women are often perceived as rude and how the power of rudeness can be harnessed in relationships in bed at work and in everyday life During a TV interview with a comedian journalist Rebecca Reid found herself unable to get a word in edgewise So when she put her finger to her lips and shushed him she became instantly known

on the internet as Rebecca Rude It was only then that she realized that being rude could actually be her superpower A captivating blend of advice and pop culture this breezy feminist guide Publishers Weekly shows you how to use the power of boldness in every area of your life Exploring famous women who have been perceived as rude including Princess Margaret Anna Wintour Taylor Swift Meghan Markle and others Rude demonstrates how those women used their rudeness to get what they want and deserve out of life Reid also addresses whether there are different rules of rudeness for women compared to men yes there are and how being taught not to be rude actually prevents women from being successful especially because when women are assertive they are often judged as being aggressive And while there s a place for politeness Rebecca argues that it s never a bad time to stand up for yourself and achieve your dreams

The Crown History of England Charles Knight,1870 *Kings, Queens, Bones and Bastards* David Hilliam,2011-08-26 Who invented the House of Windsor as a royal name Who founded Westminster Abbey Which king had twenty one illegitimate children David Hilliam answers all of these questions and more Here is a continuous history of the English monarchy showing how the nine dynasties rose and fell The book describes the most memorable features of the life and times of each king and queen from Egbert crowned in 802 and considered the first king of England to Queen Elizabeth II as well as recording the extraordinary lives of their queens consorts mistresses and bastard children It also tells the story of the Saxons describes what has happened to the monarchs mortal remains and relates many lively incidents of royal history that rarely appear in the text books Read of the saintly Edward the Confessor who is believed to have refused to consummate his marriage of the rumbustious Henry VIII given to beheading those who displeased him of the little gentleman in black velvet who caused the death of William III and of Queen Victoria s strangest servant the Munshi Queen Emma who endured a trial by ordeal and Anne Boleyn widely suspected of being a witch A complete list of the monarchs reigns and a genealogical table showing the royal descent down thirty seven generations from Egbert to Elizabeth II adds to the volume s reference value

The Citisights Guide to the History of London Kevin Flude,Paul Herbert,2001-04 Explore the past beneath your feet and see how the London of today has developed in a chain of fascinating events Ten illustrated walks each focusing on a distinct era of London life from Roman times to the present day Each walk has its own historical introduction detailed guide and clear uncluttered maps Central gazetteer gives full information on main sites that span the centuries Each walk is uniquely structured to give continual opportunities to move from one historical period to another at will and build up a picture of London past as you stroll through London present Full of interest to the visitor and Londoner alike

[The Outrageous Queens](#) Marc Alexander,2013-01-05 The Outrageous Queens tells the stories of a dozen Royal women All make fascinating psychological studies of women who wielded immense power in a world where liberty for women was an undreamed of concept Yet they proved that when it came to intrigue sometimes up to the point of assassination they were equal to any male monarch of their times Some played the role of warrior queens red haired Boudicca whose vengeance cost over a hundred thousand lives the evidence of which is still

to be found beneath the City of London Eleanor of Aquitaine who took her Amazons on a crusade to Outremer Henrietta Maria the generalissima who led an army in the Civil War [The Politics of Disclosure, 1674-1725](#) Rebecca Bullard,2015-10-06 This is a study of the secret history a polemical form of historiography which flourished in England during the late seventeenth and early eighteenth centuries **Cloaked in Bravery** Tony Matthews,2023-10-04 Experience the extraordinary journey of a woman who risked everything to follow her man into battle in a desperate attempt to rescue him from the death that inevitably beckoned Christian driven by an unwavering devotion to her missing husband cast aside her comfortable life family and even her children to venture into the heart of battle Disguised as a man a common foot soldier Christian embraced the chaos and carnage of European history s bloodiest conflicts With a fiery spirit and indomitable courage she fought alongside men facing musket fire swords and cannonballs all in a quest to ensure her husband s survival Her rollicking good humour captivating charm and steely eyed determination endeared her to comrades and enemies alike Christian s selflessness knew no bounds Despite enduring grave wounds she refused to be deterred persevering through unimaginable pain She embodied the strength of a man and the passion of a woman fearlessly aiding wounded comrades on the battlefield regardless of the peril she faced Unveiling a hidden gem of military history Cloaked in Bravery reveals the compelling tale of a remarkable woman whose devotion and valour transcended the confines of gender Prepare to be captivated by Christian Davies as her story unveils a love so powerful it defied all odds **The Doctor's World** Paul Hyland,2022-11-25 This is the story of the extraordinary life of Claver Morris and the society in which he lived After his marriage at Chelsea in 1685 Claver Morris moved to Somerset where he established an outstanding reputation for his work as a physician His diaries show us how he worked with apothecaries and surgeons and travelled widely to treat all kind of patients from the children of the poor to those of the landed gentry The diaries also tell us about the joys and pains of Claver s personal and family life and of his various intrigues Claver Morris was a man of many talents immensely enterprising knowledgeable sociable and loving His house was always filled with music guests and entertainments Yet he was often faced with disputes and troubles partly of his own making as when he courted a bishop s daughter or stole some land to build his Queen Anne house The Doctor s World provides a unique portrait of a physician living and working through the political and religious turmoils that beset the nation at the turn of the eighteenth century Tales of medical treatments clandestine marriages and self serving priests are entwined with famous acts of treason and rebellion and the pleasures and tragedies of daily life This meticulously researched book will appeal to all readers of social political medical and family history
