The Old Testament explained William Henry Brown (B.A.), 1885 Christina Alberta's Father Herbert George Wells, 1925 While Wells is primarily remembered for his science fiction he also made excursions into history social science and commentary This novel story tells how a retired laundry man suffered from delusions that he was the reincarnation of Sargon King of Kings returned to earth as Lord of the World Christina Alberta's father H. G. Wells, 2023-07-10 In *Christina Alberta's Father* H G Wells delivers a poignant narrative that intricately examines the complexities of familial relationships and societal expectations in early 20th century England The novel is notable for its rich descriptive prose and character driven style characteristics emblematic of Wells's transition from science fiction to broader social commentary At its heart lies the tumultuous relationship between Christina a young woman seeking independence and her disillusioned father whose struggles reflect the anxieties of a changing world Through a blend of realism and psychological exploration Wells invites readers to contemplate notions of love duty and self fulfillment in an evolving society H G Wells a pivotal figure

in modern literature is renowned for his innovative contributions to science fiction and his fervent social critiques Wells's own experiences including his education and exposure to the stark realities of the working class informed his understanding of social dynamics By examining personal and social conflicts he sought to challenge and inspire change crafting narratives that reveal the often painful realities of human existence For readers interested in a compelling exploration of family and identity against the backdrop of societal transformation Christina Alberta's *Father* is an essential work Its themes remain resonate today making it a timeless reminder of the complexities of love loss and the quest for individual agency

More Than Free James Jensen, 2023-11-29 About the Book **More Than Free** Exposing the Lies Hidden in History is a unique look at 4000 years of history through the eyes of the author s family tree This text builds the case for a new world view whose foundation is that of truth and morality never described in another publication It shows us that our history is not what we ve been taught and indoctrinated to believe In fact we are supposed to believe that we don t know where we came from and who our ancient forefathers and mothers really were People are hungry for the truth and this book delivers plenty of it We have to ask ourselves why Why was our history disconnected to anything that was taught to us in high school and college What is the root cause of hiding and obfuscating our past And who did these things How did the settlement of Europe happen and where did these people originate Why did they migrate and who expelled or chased them How did America become the land of exceptional people with a unique and free perspective Where did the idea of personal freedoms originate and how did the people of America regather in this land This book explores all of these questions and upon exhaustive examination research and sagacity a mind open to connecting the dots has found and documented the answers About the Author James Jensen was born in Rapid city South Dakota He currently resides in Weatherford Texas where he runs a small hay farm He is also an archer upland game hunter a researcher and a writer Jensen has four children and eight grandchildren He is retired from the practice of landscape architecture in a global engineering and environmental consulting business focusing on utility scale electrical projects Jensen achieved technical writing expertise in preparing dozens of Environmental Impact Statements and related public review documents

National Message and Banner , 1929 *Sennacherib's Campaign to Judah* William R. Gallagher, 2023-07-03 In 701 B C the Assyrian king Sennacherib launched his campaign against a o Judah This event has been recorded in the Hebrew Bible Isaiah the Biblical war narratives and as a consequence has decisively influenced Jewish

and Christian thought The war though has remained obscure for modern historians The author of this latest volume in Brill's monograph series Studies in the History and Culture of the Ancient Near East brings together both Biblical and Assyrian sources on the campaign Part of these abundant Assyrian materials are new and consequently enable the author to give new insights on the event itself A second major result of this study lies in the new carefully supported interpretations of some Isaiah oracles and of both the Assyrian and Biblical narratives of Sennacherib's campaign The meticulous attention given to textual criticism translation problems historiographical questions and its cautiously applied literary criticism make it a model of the contextual method in Ancient Near Eastern and Biblical Studies

Mesopotamia and the Bible Mark W. Chavalas, K. Lawson Younger, Jr., 2003-12-01 The study of Syro Mesopotamian civilization has greatly advanced in the past twenty five years In particular the renewed interest in Eastern or Mesopotamian Syria has radically altered our understanding of not only the ancient Near East but of the Bible as well With Syria east of the Euphrates becoming one of the most active areas of archaeological investigation in the entire Near East the need for a synthesis of this research and its integration with the Hebrew Bible has greatly increased This volume charts the state of our knowledge following a general chronological flow and will appeal not only to scholars of the ancient Near East but also to Biblical specialists interested in the historical and religious backgrounds to the Israelite and Judahite kingdoms

The History of the World Alex Woolf, 2017-09-21 Mankind has come a long way since our ancestors first stood up on two feet but how did we get to where we are today This book tells our story through conflict and intrigue power won and lost and great empires built and destroyed Clearly written and accessible the chapters progress chronologically with each section focusing on a different part of the world making this book ideal for quick reference or for reading in depth Whether you want to uncover the secrets of the first civilizations follow marauding Mongols on their quest to conquer or find out what made colonial empires tick the answers lie within these pages Looking to our recent history the last section focuses on the great themes of the 21st century so far population growth technology climate change and religious extremism Whatever the future may hold for us we have much to learn from our past
