Sartre Thomas R. Flynn,2019-01-03 Jean Paul Sartre 1905 1980 was one of the most influential thinkers of the twentieth century Regarded as the father of existentialist philosophy he was also a political critic moralist playwright novelist and author of biographies and short stories Thomas R Flynn provides the first book length account of Sartre as a philosopher of the imaginary mapping the intellectual development of his ideas throughout his life and building a narrative that is not only philosophical but also attentive to the political and literary dimensions of his work Exploring Sartre s existentialism politics ethics and ontology this book illuminates the defining ideas of Sartre s oeuvre the literary and the philosophical the imaginary and the conceptual his descriptive phenomenology and his phenomenological concept of intentionality and his conjunction of ethics and politics with an egoless consciousness It will appeal to all who are interested in Sartre s philosophy and its relation to his life *The Words* Jean-Paul Sartre,1981-04-12 Jean Paul Sartre s famous autobiography of his first ten years has been widely compared to Rousseau s Confessions Written when he was fifty nine years old The Words is a masterpiece of self analysis Sartre the philosopher novelist and playwright brings to his own childhood the same rigor of honesty and insight he applied so brilliantly to other authors Born into a gentle book loving family and raised by a widowed mother and doting grandparents he had a childhood which might be described as one long love affair with the printed word The Words explores and evaluates the whole use of books and language in human experience [Biography and the Question of Literature in France](#) Ann Jefferson,2007-01-04 This book takes a fresh look at the relations between literature and biography by tracing the history of their connections through three hundred years of French literature The starting point for this history is the eighteenth century when the term biography first entered the French language and when the word literature began to acquire its modern sense of writing marked by an aesthetic character Arguing that the idea of literature is inherently open to revision and contestation Ann Jefferson examines the way in which biographically orientated texts have

been engaged in questioning and revising definitions of literature At the same time she tracks the evolving forms of biographical writing in French culture and proposes a reappraisal of biography in terms not only of its forms but also of its functions Although Ann Jefferson s book has powerful theoretical implications for both biography and the literary it is first and foremost a history offering a comprehensive new account of the development of French literature through this dual focus on the question of literature and on the relations between literature and biography It offers original readings of major authors and texts in the light of these concerns beginning with Rousseau and ending with life writing contemporary authors such as Pierre Michon and Jacques Roubaud Other authors discussed include Mme de St el Victor Hugo Sainte Beuve Barbey d Aureville Baudelaire Nerval Mallarm Schwob Proust Gide Leiris Sartre Genet Barthes and Roger Laporte

Existentialism and Excess: The Life and Times of Jean-Paul Sartre Gary Cox,2016-09-08 Jean Paul Sartre is an undisputed giant of twentieth century philosophy His intellectual writings popularizing existentialism combined with his creative and artistic flair have made him a legend of French thought His tumultuous personal life so inextricably bound up with his philosophical thinking is a fascinating tale of love and lust drug abuse high profile fallings out and political and cultural rebellion This substantial and meticulously researched biography is accessible fast paced often amusing and at times deeply moving Existentialism and Excess covers all the main events of Sartre s remarkable seventy five year life from his early years as a precocious brat devouring his grandfather s library through his time as a brilliant student in Paris his wilderness years as a provincial teacher writer experimenting with mescaline his World War II adventures as a POW and member of the resistance his post war politicization his immense amphetamine fueled feats of writing productivity his harem of women his many travels and his final decline into blindness and old age Along the way there are countless intriguing anecdotes some amusing some tragic some controversial his loathing of crustaceans and his belief that he was being pursued by a giant lobster his escape from a POW camp the bombing of his apartment his influence on the May 1968 uprising and his many love affairs Cox deftly moves from these episodes to discussing his intellectual development his famous feuds with Aron Camus and Merleau Ponty his encounters with other giant figures of his day Roosevelt Hemingway Heidegger John Huston Mao Castro Che Guevara Khrushchev and Tito and above all his long complex and creative relationship with Simone de Beauvoir Existentialism and Excess also gives serious consideration to Sartre s ideas and many philosophical works novels stories plays and biographies revealing their intimate connection with his personal life Cox has written an entertaining thought provoking and compulsive book much like the man himself **St. James Guide to Biography** Paul E.

Schellinger,1991 Supplies bibliographical and critical analysis of available biographies in English **The Sartrean Mind** Matthew C. Eshleman,Constance L. Mui,2020-01-24 Jean Paul Sartre was one of the most important philosophers of the twentieth century His influence extends beyond academic philosophy to areas as diverse as anti colonial movements youth culture literary criticism and artistic developments around the world Beginning with an introduction and biography of Jean

Paul Sartre by Matthew C Eshleman 42 chapters by a team of international contributors cover all the major aspects of Sartre's thought in the following key areas Sartre's philosophical and historical context Sartre and phenomenology Sartre's existentialism and ontology Sartre and ethics Sartre and political theory Aesthetics literature and biography Sartre's engagements with other thinkers The Sartrean Mind is the most comprehensive collection on Sartre published to date It is essential reading for students and researchers in philosophy as well as for those in related disciplines where Sartre's work has continuing importance such as literature French studies and politics *Sartre's Theory of Literature* Christina
