Literary Impostors Rosmarin Heidenreich,2018-07-30 In the first half of the twentieth century a number of Canadian authors were revealed to have faked the identities that made them famous What is extraordinary about these writers is that they actually became in everyday life characters they had themselves invented Many of their works were simultaneously fictional and autobiographical reflecting the duality of their identities In Literary Impostors Rosmarin Heidenreich tells the intriguing stories both the true and the fabricated versions of six Canadian authors who obliterated their pasts and re invented themselves Grey Owl was in fact an Englishman named Archie Belaney Will James the cowboy writer from the American West was the Quebec born francophone Ernest Dufault the prairie novelist Frederick Philip Grove turned out to be the German writer and translator Felix Paul Greve Chief Buffalo Child Long Lance Onoto Watanna and Sui Sin Far were the chosen identities of three mixed race writers whose given names were respectively Sylvester Long Winnifred Eaton and Edith Eaton Heidenreich argues that their imposture in some cases not discovered until long after their deaths was not fraudulent in the usual sense these writers forged new identities to become who they felt they really were In an age of proliferating cyber identities and controversial claims to ancestry Literary Impostors raises timely questions involving race migrancy and gender to illustrate the porousness of the line that is often drawn between an author s biography and the fiction he or she produces

Chasing the Dragon in Shanghai John D. Meehan,2011-10-20 Canadians share a long history with China Canada is home

to a large Chinese diaspora it appointed a trade commissioner to Shanghai over a century ago and it was one of the first Western nations to recognize the People's Republic of China. This absorbing account of Canadian sojourners in Shanghai from the arrival of Lord Elgin in 1858 to the closing of the consulate general in 1952 gives a human face to that history. Some Canadians came to save souls, nourish bodies and educate minds; others sought financial and political gain. Their experiences, which unfolded against a backdrop of civil war, invasion and revolution in China and were coloured by Canada's evolution from colony to nation, reflected Canada's deepening relationship with China and the troubling asymmetries that underpinned it. Although Canadians like other foreigners had left Shanghai by the early 1950s, their lives and activities foreshadowed more recent Canadian initiatives in that city and in China more generally.

Saskatchewan Heroes & Rogues, 2004. Twelve amazing Saskatchewan men and women: Kathleen Rice, Ernest Dufalt, alias Will James, Charlie Parmer, Big Tom Hourie, Norman Falkner, Morris Two Gun, Cohen Jean, Ewen Gladys, Arnold Father John, Claffey Joan, Bamford Fletcher, Emma Woikin and Richard St Barbe Baker.

The Canadian Historical Review, 2002. **Rogue Tory** Denis Smith, 2013-11-19. Winner of the Dafoe Book Prize. Winner of the University of British Columbia Medal for Canadian Biography. 1995 marked the 100th anniversary of that most charismatic and enigmatic public figure, the thirteenth prime minister of Canada, John George Diefenbaker. Beloved and reviled with equal passion, he was a politician possessed of a flamboyant, self-fabulizing nature that is the essential ingredient of spellbinding biography. After several runs at political office, Diefenbaker finally reached the Commons in 1940. Sixteen years later, he was leader of the Progressive Conservative Party. In 1958, after a campaign that dazzled the voters, the Tories won the largest majority in the nation's history; the Liberal party was shattered, its leader Lester Pearson humiliated by an electorate that had chosen to follow John Diefenbaker's victory. Promised a long and sunny Conservative era, it was not to be. Instead, Dief gave the country a decade of continuous convulsion, marked by his government's defeat in 1963 and his own forced departure from the leadership in 1967, a very public drama that divided his party and riveted the nation. When Diefenbaker died in 1979, he was given a state funeral modeled at his own direction on those of Churchill and Kennedy. It culminated in a transcontinental train journey and burial on the bluffs overlooking Saskatoon, alongside the archive that houses his papers, the only presidential style library built for a Canadian prime minister. Canadians embraced the image of Dief as a morally triumphant underdog, even as they were repelled by his outrageous excesses. He revived a moribund party and gave the country a fresh sense of purpose, but he was no match for the dilemmas of the Cold War, of Quebec nationalism or the subtleties of the country's relations with the United States. This compelling biography, illuminating both legend and man and the nation he helped shape, was among the most highly praised books of the year.
