III, 2016-07-01 When *Satan Burger* was first being passed around among teenage punks and fans of weird art and film there was nothing else like it A book of rebellious spirit that simplistically captured the postmodern malaise of a culture obsessed with consumerism It quickly gained an underground following was transcribed by fans and bootlegged online was translated into Russian and made its way around the world attracting the attention of readers bored with typical mainstream fare Combining a satirical wit and style on par with legendary humorists such as Kurt Vonnegut and Russell Edson with the crazy punk ethos of cult film directors such as Terry Gilliam David Lynch and Takashi Miike this was a book overflowing with so many new ideas and absurd philosophies that it not only launched the career of underground author Carlton Mellick III but inspired an entire literary movement For the fifteenth anniversary of the release of this Bizarro Fiction classic Eraserhead Press is thrilled to present this special hardcover edition featuring an introduction by splatterpunk legend John Skipp illustrations by Ryan Ward and a new preface by the author *Satan Burger* explores a new kind of apocalypse Not an apocalypse caused by disease or nuclear war but an apocalypse of boredom A plague of monotony has spread across the countryside sucking all passion and inspiration out of everyone over the age of twenty five leaving only the disenfranchised youth to fend for themselves in a world crumbling around them Featuring a narrator who sees his body from a third person perspective a man whose flesh is dead but his body parts are alive and running amok an overweight messiah the personal life of the Grim Reaper a race of women who feed on male orgasms and a motley group of squatter punks that team up with the devil to find their place in a world that doesn't want them anymore Satan's Choppers D. A. Cairns, 2025-01-01 As the tropical city of Darwin slumbers a massive armada of dragonflies approaches their eerie hum reminiscent of the haunting drone of Japanese fighter planes on that fateful February 14 1942 Callum and Ande receive an invitation from Pitch to holiday in the remote Northern Territory Reunited on their native soil exhausted but relieved to have survived the carnage of the Sorcerer's beetle apocalypse in Istanbul Callum and Ande strive to conquer their personal demons and nurture their

budding relationship while Pitch desperately attempts to revive his failing marriage The Dragonfly Lord hellbent on revenge against the Divine Wind heralds impending death and devastation through his airborne insect agents Once again Callum Ande and Pitch find themselves ensnared in a storm of diabolical malevolence With the aid of the Archangel Barachiel the affable devil Ron and a spiritually empowered priest will this valiant trio emerge triumphant over the forces of darkness Or will the Dragonfly Lord s wicked designs obliterate everything

The Difficult Words of Jesus Amy-Jill Levine,2022-10-31 As well as telling parables and stories giving teachings on how to discern questions of ethics and human nature and offering beatitudes for comfort and encouragement Jesus also spoke words and flung insults that followers then and now have found difficult to say the least He instructs disciples to hate members of their own families Luke 14 26 warns that unending fire awaits some people says body parts should be cut off if they offend He calls a foreign woman a dog the Jews offspring of vipers and his closest disciple Satan Preachers often gloss over these or avoid them altogether as they are still so shocking In *The Difficult Words of Jesus* Amy Jill Levine sheds vital light on understanding these by exploring how these sayings sounded to those who first heard them She reveals Jewish modes of expression humour and the long tradition of Jewish insults and what they mean and how we might interpret these sayings today within a gospel of love and reconciliation

Satan's Roost Lawrence D. Klausner,2013 FBI Assistant Director Mark Goldman a former NYCPD detective had only to sign his letter of resignation when two unlikely events change the course of his actions The murder of a postman and a car fire near the Washington Mall become the first pieces of a deadly international conundrum for Goldman the impetus he desperately needs to get back on the streets Years earlier Mark accepted a promotion to his current lofty position an award for thwarting a devastating terrorist attack on the homeland His title suggests he is the liaison between U S and foreign security forces however none of his proposals are executed The Jewish prodigy is caught in a dead end job until now Goldman ignores his jurisdiction to search for the lone wolf whose mission is to destroy the very foundation of the U S government the order of succession to the presidency The hunt draws in Avi Levy the director of Israel s Mossad as well as Mark s mentor Jack Warner a retired FBI director The case also reunites Goldman with the love of his life Ruth Sachs a distinguished Mossad agent The tale courses from the streets of Paris to the Zuiderzee and finally to the U S where the lone wolf blends into the anonymity offered by the sheer vastness of the land Will the al Qaeda financed lone wolf remain a step ahead of his pursuers or will the reunited team of Goldman and Sachs eliminate the threat America s fate hangs in the balance The Secret Service was so intrigued with this story that it requested an interview with the author The idea of a lone wolf eradicating the nation s entire political structure in a single blow was unthinkable Possibly because of that interview four similar plots against our homeland were thwarted All too often a fine line separates fact from fiction
