Satan's Drummers Sananda,1989-01-01 **Satan's Drummers** Sananda,1995-06 **The Trillion Dollar Lie - The Holocaust** Gyeorgos C. Hatonn,1991-11 **Unholy Alliance** Gyeorgos Ceres Hatonn,1992 *The Dark Charade* Gyeorgos C. Hatonn,1991 Raising the Devil Bill Ellis,2014-07-11

Raising the Devil reveals how the Christian Pentecostal movement right wing conspiracy theories and an opportunistic media turned grassroots folk traditions into the Satanism scare of the 1980s During the mid twentieth century devil worship was seen as merely an isolated practice of medieval times But by the early 1980s many influential experts in clinical medicine and in law enforcement were proclaiming that satanic cults were widespread and dangerous By examining the broader context for alleged cult activity Bill Ellis demonstrates how the image of contemporary Satanism emerged during the 1970s Blaming a wide range of mental and physical illnesses on in dwelling demons a faction of the Pentecostal movement became convinced that their gifts of the spirit were being opposed by satanic activities They attributed these activities to a cult that was the evil twin of true Christianity In some of the cases Ellis considers common folk beliefs and rituals were misunderstood as evidence of devil worship In others narratives and rituals themselves were used to combat satanic forces As the media found such stories more and more attractive any activity with even remotely occult overtones was demonized in order to fit a model of absolute good confronting evil Ellis s wide ranging investigation covers ouija boards cattle mutilation graveyard desecration and diabolical medicine the psychiatric community s version of exorcism He offers a balanced view of contentious issues such as demonic possession satanic ritual abuse and the testimonies of confessing ex Satanists A trained folklorist Ellis seeks to navigate a middle road in this dialog and his insights into informal religious traditions clarify how the image of Satanism both explained and created deviant behavior *Gotcha - Again* Gyeorgos Ceres Hatonn,1992 **Gotcha** Gyeorgos Ceres Hatonn,1992 *Get Out of My Room!* Jason Reid,2017-01-19

Teenage life is tough You re at the mercy of parents teachers and siblings all of whom insist on continuing to treat you like a kid and refuse to leave you alone So what do you do when it all gets to be too much You retreat to your room and maybe slam the door Even in our era of Snapchat and hoverboards bedrooms remain a key part of teenage life one of the only areas where a teen can exert control and find some privacy And while these separate bedrooms only became commonplace after World War II the idea of the teen bedroom has been around for a long time With *Get Out of My Room* Jason Reid digs into the deep historical roots of the teen bedroom and its surprising cultural power He starts in the first half of the nineteenth century when urban dwelling middle class families began to consider offering teens their own spaces in the home and he traces that concept through subsequent decades as social economic cultural and demographic changes caused it to become more widespread Along the way Reid shows us how the teen bedroom with its stuffed animals movie posters AM radios and other trappings of youthful identity reflected the growing involvement of young people in American popular culture and also how teens and parents in the shadow of ongoing social changes continually negotiated the boundaries of this

intensely personal space Richly detailed and full of surprising stories and insights Get Out of My Room is sure to offer insight and entertainment to anyone with wistful memories of their teenage years But little brothers should definitely keep out
