An Actological Reading Malcolm Torry,2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one. It understands reality as Action: actions change diversity; movement and the dynamic rather than as Being: beings the unchanging, the unitary, rest and the static. And it reads Mark's Gospel in the light of that distinctive understanding of reality. It is all about action, change and diversity and it understands God, Jesus and ourselves as action, change and diversity. The initial chapter introduces the action-based understanding of reality as action in changing patterns: an actology rather than an ontology. Then follows a section by section close study of the Gospel. The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match.

Mark's Gospel John Painter,2005-06-20 Mark's biography of Jesus is the earliest of the four gospels and influenced them all. The distinctive feature of this biography is the quality of good news which presupposes a world dominated by the forces of evil. John Painter shows how the rhetorical and dramatic shaping of the book emphasises the conflict of good and evil at many levels: between Jesus and the Jewish authorities, Jesus and the Roman authorities, and the conflict of values within the disciples themselves. These matters of content are integral to this original approach to Mark's theodicy while the stylistic issue raises the question of Mark's intended readership. John Painter's succinct yet thorough treatment of Mark's gospel opens up not only these rhetorical issues but the social context of the gospel which Painter argues to be that of the Pauline mission to the nations.

The Function of Exorcism Stories in Mark's Gospel Andreas Hauw,2019-05-29 This book investigates stories of Jesus' exorcisms in the Gospel of Mark. The story of Jesus' first public ministry in the synagogue (Mark 1:21-28) and the Beelzebul controversy story (3:20-30) are examined to understand the other acts of exorcism that Jesus performed (5:1-20, 7:24-30, 9:14-32). Both Mark 1:21-28 and 3:20-30 highlight Jesus as a teacher and as an eschatological exorcist. The latter stresses Jesus' own understanding of exorcism and relates his identity with that of the Holy Spirit. Therefore the first two exorcism stories in Mark's Gospel confirm Jesus as the bearer of the kingdom of God. The motif of discipleship which is evident in both stories contributes to delineating Jesus' christological identity as the Son of God as indicated by the incipit of Mark's Gospel (Mark 1:1). Markan exorcism stories in Mark 5:1-20, 7:24-30 and 9:14-29 further develop the presentation of Jesus' exorcisms and other primary motifs. The motifs of authority, identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles. Jesus' specific mission in Mark 9:14-29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection. In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul.

Fulfilled In Their Season Joseph Nathan Smith,2011-02-15 *Fulfilled In Their Season* examines the Earth's chronology from a Biblical point of view. It focuses on the seasons in which many past events have occurred and in which many future events will occur. Amazingly the Bible specifies the season of the year for many events. As found in the Bible, events like creation, the yearly feasts, Jesus' birth and the final harvest are all associated with a particular season of the year. This information provides a unique perspective on end-time events.

Morris, 2017-10-24 In this study Michael J Morris examines aspects of synoptic gospel demonology specifically human responses to demonic evil It is clear that early Christian demonology can be more fully understood against the background of early Jewish traditions In the Dead Sea Scrolls for instance there are two fundamental ways by which protection against demons is sought The first anti demonic method is exorcism and the second is characterized by its preventative nature and is typically referred to as apotropaism Although many contributions have been made on the topic of exorcism in the gospels less attention has been paid to the presence of apotropaic features in the gospel texts Therefore Michael J Morris offers a timely examination of apotropaic tradition in early Judaism and its significance for demonological material in the synoptic gospels

The Devil, Demons, Judas, and "the Jews" Torsten Lofstedt, 2021-11-09 What place do the four Gospels give Satan demons and Jesus human opponents including Jewish leaders but also Jesus disciples in their accounts of Jesus life This study takes a literary historical approach to the Gospels examining them as narratives It shows how the authors were in the process of developing the devil as a character and determining which roles he filled New interpretations of individual passages in the Gospels are given as well as new understandings of the theological emphases of each author This study is also a contribution to redaction criticism and the relative chronology of the Gospels It employs the theory of Matthean posteriority which revolutionizes our understanding of the literary relations between the Gospels and allows for a new understanding of theological development in early Christianity *The Temptations of Jesus in Mark's Gospel* Susan R. Garrett, 1998 Susan Garrett focuses on the theme of the temptation and testing of Jesus as reflected in the Gospel of Mark arguing that by his endurance Jesus opened up the path and provides the example for those who follow the way of the Lord

Remembering the Sabbatical Years of 2016 Joseph F. Dumond, 2013-02-21 Remembering the Sabbatical years of 2016 was written as simply as possible to explain how anyone could prove from their own Bibles when the Sabbatical and Jubilee Years are Having written The Prophecies of Abraham in 2010 many people struggled to understand the chronology which is crucial in order to know precisely where we are in these last days now Because so many struggled we wrote Remembering the Sabbatical years of 2016 so that even an 8 year old could then explain it Remembering the Sabbatical year of 2016 shows you all the known biblical historical and artifacts that mention the Sabbatical years Then we show you how they all line up with each other and from that you can count down to our time now We also show you where the Sabbatical years were derailed in history and taken away from the proper time of observing them Once you have read this book and proven these facts for yourself then you will understand we are in the 120th Jubilee cycle Then once you see the curses that have been set out in a specific order of events the nightly news becomes surreal as you can then see these curses happening on the news Order you copy of Remembering the Sabbatical year of 2016 today and begin to understand these last days unlike anyone else ever has

Mark's Argumentative Jesus Caurie Beaver, 2018-05-22 The author claims that the gospel of Mark is a speech or sermon To prove this he shows how Mark used many of the elements of Aristotle's rhetoric Literary critics noticed these rhetorical features in Mark but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for They continued to translate the first word of Mark *arche* as beginning to provide Mark's story of Jesus with a chronological beginning The author translates Mark's first word as guiding principle to provide Mark's persuasive speech or sermon with a logical starting point
