**Made Men** Greg B. Smith, 2003-02-04 For years the DeCavalcantes the most powerful Mob family in Jersey labored in the shadows of the more famous families in New York the likes of the Gambinos and the Columbos Dismissed by the big city capos the DeCavalcantes finally came into their own when they found their lives mirrored in the television hit *The Sopranos* Overnight it legitimized the made men of the Garden State Now they were a familia to be reckoned with Unfortunately with high profile came high risk As member turned against member as trusted friend turned terrified informant the FBI put the brakes on the DeCavalcante s explosive ride into infamy hastening a fall from honor that would become as infamous as their notorious ascension into the annals of organized crime Based on more than 1 000 hours of secretly recorded conversations *Made Men* delivers for the first time the unprecedented and completely uncensored behind the scenes truth of a historically clandestine world of violent life and sudden death inside and outside the mob told by the very men who made it On Locations Mark Kamine, 2025-02-11 The executive producer of *The White Lotus* shares how he got his big break in film and television production on the greatest TV show of all time *Rolling Stone* An inside look at the film industry for fans students and aspiring professionals featuring a foreword by Golden Globe and Emmy Award winning creator of *The White Lotus* Mike White This page turning account of starting at the lowest rung on the production ladder among enormously famous outrageously demanding people will be devoured for its insights gossip humor storytelling Married and with a child the author takes unpaid gigs to get a foot in the door and eventually ends up working on all seasons of *The Sopranos* often named the best TV show ever The show s setting and its creator s insistence on accuracy placed the native New Jersey author in the right place at the right time to become part of television history and to witness the effects of sudden fame and acclaim on the show s principal players Includes many stories about guest stars like Steve Buscemi Peter Bogdanovich and Lauren Bacall as well as the beloved cast including new tales of James Gandolfini who Kamine first meets after David Chase casts him as the Dean of Admissions in the classic first season College episode Later after he s been promoted Kamine gets the calls from Gandolfini when he s hungover or still drunk and might or might not make it to the shoot that day One night Kamine tries to prevent Gandolfini from taking a swim in the ocean after they ve been drinking all night telling him it could be dangerous but Jim doesn t listen Woven in is a personal story of home life and strife achievement and frustration anxiety and accomplishment The book s epilogue brings readers up to the moment as the author after many more years as an anonymous everyman eventually enjoys outsize professional success as executive producer of the HBO hit series created by Mike White *The White Lotus* The Queen of Dolls Carol Ryrie Brink, 1928 Satin Dolls Andrew G. Hager, 1994 *Satin Dolls* looks at the rise of the female jazz vocalist beginning with such pioneers as Bessie Smith and continuing to such modern innovators as Betty Carter Illustrated throughout and accompanied by a full length compact disc this book covers the careers and lives of some of the greatest songbirds of jazz Ebony, 2001-12 EBONY is the flagship magazine of Johnson

Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Dolls Esther Singleton,1927 This Thing of Ours David Lavery,2002 In a first season episode of The Sopranos Tony Soprano is once again in conflict with his uncle Carrado Junior Soprano Tony is in no mood for conciliation but neither is Junior who warns his nephew not to return unless he is armed Come heavy he insists or not at all As a work of popular culture a ground breaking television series and a cultural phenomenon The Sopranos always comes heavy not just with weaponry but with significance The cultures of the United States Great Britain and Canada Australia and even Italy where it premiered in the spring of 2001 have come under its influence and contributed to the cultural conversation about it Talk discourse about The Sopranos has migrated far beyond the water cooler and not all of it has been praise David Chase s The Sopranos has also received starkly contradictory critical assessments In the eyes of Ellen Willis whose seminal essay in The Nation is reprinted in this volume for example the HBO series is the richest and most compelling piece of television no of popular culture that I ve encountered in the past twenty years a meditation on the nature of morality the possibility of redemption and the legacy of Freud Others have condemned it for racial and sexist stereotypes excessive violence and profanity These eighteen essays consider many facets of The Sopranos its creation and reception the conflicting roles of men and women the inner lives of the characters obesity North Jersey the role of music and even how food contributes to the story
