The Satires of Horace and Persius Horace, 1973 The Satires of Horace Horace, 2012-04-17 The Roman philosopher and dramatic critic Quintus Horatius Flaccus 65 3 B C known in English as Horace was also the most famous lyric poet of his age Written in the troubled decade ending with the establishment of Augustus s regime his Satires provide trenchant social commentary on men s perennial enslavement to money power fame and sex Not as frequently

translated as his Odes in recent decades the Satires have been rendered into prose or bland verse Horace continues to influence modern lyric poetry and our greatest poets continue to translate and marvel at his command of formal style his economy of expression his variety and his mature humanism Horace's comic genius has also had a profound influence on the Western literary tradition through such authors as Swift Pope and Boileau but interest in the Satires has dwindled due to the difficulty of capturing Horace's wit and formality with the techniques of contemporary free verse A M Juster's striking new translation relies on the tools and spirit of the English light verse tradition while taking care to render the original text as accurately as possible Horace.Satires Horace,1868 Edition bilingue latin fran ais **The Satires of Horace**
