*Biblical Creation versus Darwinian Evolution* Dr. Gary G. Cohen, 2024-11-18 All truth is God's truth so the believer need not fear Eventually true biblical interpretation and true scientific knowledge will harmonize Thus this book attempts to harmonize true modern scientific discoveries with careful biblical interpretation It magnifies our Creator Some on both sides will frown disliking our arguments against Darwinian evolution while on the other side of the aisle some believers will likewise not at first accept some of our suggestions on the interpretation of some verses Don't put the book down Keep reading Remember that Jesus said And no man puts new wine into old bottles Mark 2:22 If you read this book you will hopefully learn many new things about the human body animal classification astronomy history paleontology and logic This book is written for the believer who loves God and the Bible but is perplexed by the advocacy in schools and in literature pushing evolution and excluding all mention of God or intelligent design It attempts to show 1 the impossibility of godless evolution 2 the evidence for God being the creator of our world and 3 the harmony between the Bible and true modern scientific knowledge 2
