Saudi Arabia Henry T. Azzam, 1993-01-01 *The Political Economy of Saudi Arabia* Tim Niblock, Monica Malik, 2007-11-13 With Saudi Arabia being of immense importance both politically and economically in the Middle East this book provides a much needed broad ranging survey of the development of the Saudi economy from the 1960s to the present day Written by a highly reputable author the book includes an analysis of how political and social factors have shaped policy and how the Saudi state is coping with the dynamics of a rapidly changing economic and political situation **The Statesman's Yearbook 2000** B. Turner, 2016-12-28 For the last 136 years The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in 136 years brought enhancements to the 1998 99 edition and these are continued in the 2000 edition Internet usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman's Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman's Yearbook is updated every 12 months In a world of continual change The Statesman's Yearbook is a necessary annual purchase *The Statesman's Yearbook 2005* B. Turner, 2017-02-07 For one hundred and forty one years The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The 2005 edition is fully updated and contains more information than ever before A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of The Statesman's Yearbook gives you all of the information you need in one easily digestible single volume It will save hours of research and cross referencing between different sources and is an essential annual purchase **The Statesman's Yearbook 2002** B. Turner, 2016-12-29 For the last 138 years The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in 138 years brought enhancements to the 1998 99 edition and these have been continued since then Internet usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman's Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman's Yearbook is updated every

12 months In a world of continual change The Statesman's Yearbook is a necessary annual purchase **The Emerging Middle East Financial Markets** Henry T. Azzam,2015-08-28 The book aims to unravel the potentials of Middle East financial markets which are spread over a large and wealthy part of the world These markets are gradually being opened for international investors seeking diversification and rewarding risk adjusted returns However opening up to international investors is a necessary but not a sufficient condition to attract institutional money needed to provide depth and professionalism to these markets Without a cultural shift towards more transparency better regulations and governance and the availability of custody clearance and equity research up to international best practice not much institutional money will be forthcoming to the region Funding sources in the Middle East and North Africa Region are still predominantly channeled through the banking system with equity and fixed income markets playing a marginal role While the worlds financial markets show on average a balanced structure of bank assets stock market capitalization and debt securities the capital mix in the region is heavily skewed towards bank assets with a share of 58 8% equities around 34% and debt securities bonds and Sukuk 7 2% Stock markets of the UAE and Qatar have recently been upgraded to emerging market status which together with Egypt are the only three Arab countries that have selected listed companies featuring in the Morgan Stanley Capital Index for Emerging Markets MSCI EM Saudi Arabia has opened its stock market to direct investment by foreign financial institutions in the second half of 2015 The opening of the Saudi stock market is a major positive development for the regions capital markets The path ahead for MENA finance has become now clearer The relative weight of commercial banks in the financial system will diminish gradually and a wider range of financial services will be provided by deeper and increasingly more sophisticated debt and equity capital markets in line with worldwide trends Sharia compliant products such as Sukuk are expected to continue to grow at double digit rate to meet the strong demand generated regionally and internationally
