Save Them For The Pallbearers:

The F-Word Jesse Sheidlower, 2009-09-04 We all know what frak popularized by television's cult hit *Battlestar Galactica* really means. But what about feck, Or ferkin, Or foul as in FUBAR or Fouled Up Beyond All Recognition. In a thoroughly updated edition of *The F Word* Jesse Sheidlower offers a rich revealing look at the f bomb and its illimitable uses. Since the fifteenth century no other word has been adapted, interpreted, euphemized, censored, and shouted with as much ardor or force. Imagine Dick Cheney telling Democratic Senator Patrick Leahy to go damn himself on the Senate floor; it doesn't have quite the same impact as what was really said. Sheidlower cites this and other notorious examples throughout history from the satiric sixteenth century poetry of James Cranstoun to the bawdy parodies of Lord Rochester in the seventeenth century to more recent uses by Ernest Hemingway, Jack Kerouac, Ann Sexton, Norman Mailer, Liz Phair, Anthony Bourdain, Junot Diaz, Jenna Jameson, Amy Winehouse, Jon Stewart, and Bono, whose use of the word at the Grammys nearly got him fined by the FCC. Collectively these references and the more than one hundred new entries they illustrate double the size of *The F Word* since its previous edition. Thousands of added quotations come from newly available electronic databases and the resources of the OED, expanding the range of quotations to cover British, Canadian, Australian, New Zealand, Irish, and South African uses in addition to American ones. Thus we learn why a fugly must hone his or her sense of humor, why Canadian Prime Minister Pierre Trudeau muttered fuddle duddle in the Commons, and why Fanny Adams is so sweet. A fascinating introductory essay explores the word's history, reputation, and changing popularity over time, and a new Foreword by comedian actor and author Lewis Black offers readers a smart and entertaining take on the book and its subject matter. Oxford dictionaries have won renown for their expansive historical approach to words and their etymologies. *The F Word* offers all that and more in an entertaining and informative look at a word that while now largely accepted as an integral part of the English language still confounds, provokes, and scandalizes. and save them for pallbearers. (4th printing.). James GARRETT, 1965 *Grandma Sylvia's Funeral* Glenn Wein, Amy Lord Blumsack, 1998 *The L.A. Quartet* James Ellroy, 2019-06-04 Here in one volume is James Ellroy's first great body of work, an epic re-envisioning of postwar Los Angeles etched in red and black and film noir grays. *The Black Dahlia* depicts the secret infrastructure of L.A.'s most sensational murder case. A young cop morphs into an obsessed lover and lust-crazed avenger. The Dahlia claims him. She is the deus ex machina of a boomtown in extremis. The cop's rogue investigation is a one-way ticket to hell. *The Big Nowhere* blends the crime novel and the political novel. It is winter 1950 and the L.A. County Grand Jury is out to slam movieland Reds. It's a reverential shuck, and the three cops assigned to the job are out to grab all the glory they can. A series of brutal sex killings intervenes, and the job goes all the way. *Bad L.A. Confidential* is the great novel of Los Angeles in the 1950s. Political corruption, scandal, rag journalism, bad racial juju, and gangland wars. Six local stiffies slaughtered in an all-night hash house. The glorious and overreaching LAPD on an unprecedented scale. *White Jazz* gives us the tortured confession of a corrupt cop going down for the count. He's a slumlord, a

killer a parasitic exploiter He s a pawn in a series of police power plays and starting to see that he s being had He s just met a woman Thus he s determined to claw his way out of the horrifying world he s created and he s determined to tell us everything The L A Quartet is a groundbreaking work of American popular fiction *From Here to Eternity* James Jones,1998-10-13 Diamond Head Hawaii 1941 Pvt Robert E Lee Prewitt is a champion welterweight and a fine bugler But when he refuses to join the company s boxing team he gets the treatment that may break him or kill him First Sgt Milton Anthony Warden knows how to soldier better than almost anyone yet he s risking his career to have an affair with the commanding officer s wife Both Warden and Prewitt are bound by a common bond the Army is their heart and blood and possibly their death In this magnificent but brutal classic of a soldier s life James Jones portrays the courage violence and passions of men and women who live by unspoken codes and with unutterable despair in the most important American novel to come out of World War II a masterpiece that captures as no ther the honor and savagery of men **And Into the Fire** Robert Gleason,2017-06-06 When ISIS allies itself with Pakistan s most notorious terrorist group to carry out a plot to drop nuclear bombs on three American cities the head of the CIA s Pakistan desk and an intrepid journalist race to prevent the bombings *Homemade Haunting* Rob Stennett,2011 After his attempt to write a horror novel results in mysterious paranormal events which threaten his family Charlie Walker an unbeliever asks God for help and ends up meeting his guardian angel End of Days Robert Gleason,2011-08-30 Born from the fear of nuclear annihilation and painstakingly researched for over twenty years Robert Gleason s End of Days is a thriller unlike any other Lydia Lozen Magruder the great granddaughter of a female Apache war shaman has seen visions of the End since childhood She has constructed a massive ranch fortress in the American Southwest stocked with everything necessary to rebuild civilization Now her visions are coming true John Stone once a baseball star and now a famous gonzo journalist stumbled across a plan to blast humanity back to the stone age Then he vanished Lydia s only hope of tracking him down lies with her stubborn globe trotting daughter Kate Stone s former lover Kate is about to step right into the plotters crosshairs Stone has been captured by a pair of twin Middle Eastern princesses hell bent on torturing him until he reveals all he knows Meanwhile a Russian general obsessed with nuclear Armageddon has also disappeared as have eight or more of his Russian subs armed with nuclear tipped missiles The world is armed for self destruction Who will survive At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The World War II Trilogy* James Jones,2012-09-11 Three classic World War II novels in one collection including the National Book Award winner From Here to Eternity An army base at Pearl Harbor The jungles of Guadalcanal A veterans hospital on the home front Inspired by his own experiences in the US Army author James Jones s World War II Trilogy stands as one of the most significant achievements in war literature This compilation includes From Here to Eternity Pearl Harbor 1941 A challenging young private is transferred to a unit where the commander is determined to make his life hell This edition includes scenes and dialogue censored for the novel s original
