Save Our History The Missouri A Journey With Stephen Ambrose:

Stephen E. Ambrose Opening of the West E-Book Boxed Set Stephen E. Ambrose, 2013-06-25 This ebook box set includes *Undaunted Courage* and *Nothing Like It in the World* by Stephen E. Ambrose focusing on the ingenuity and the hardships that shaped the American West. *Undaunted Courage* This 1 New York Times bestseller gives a sweeping account of the most momentous expedition in American history. Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson's hope of finding a waterway to the Pacific through the heart-stopping moments of the actual trip to Lewis's lonely demise on the Natchez Trace. Along the way, Ambrose shows us the American West as Lewis saw it: wild, awesome, and pristinely beautiful. *Nothing Like It in the World* A riveting account of an unprecedented feat of engineering, vision, and courage, this is the story of the men who built the transcontinental railroad. The US government pitted two companies, the Union Pacific and the Central Pacific Railroads, against each other in a race for funding, encouraging speed over caution, and their race brilliantly comes to life in Ambrose's telling of the investors who risked their businesses and money, the enlightened politicians who understood its importance, the engineers and surveyors who risked and sometimes lost their lives, and the Irish and Chinese immigrants, the defeated Confederate soldiers, and all the laborers who did the backbreaking and dangerous work on the tracks.

Desloge Chronicles - A Tale of Two Continents - An Amazing Family's Journey - Volume One Christopher Desloge, 2012-12-30 *Desloge Chronicles: A Tale of Two Continents* is a monograph of an amazing family's journey supported by genealogical summaries which provide solid provenance. Situated in France and America, this is an authentic historical narrative built around one family's 600 letters dating from 200 years, providing live-action reality present at France, the French Revolution, and the American Frontier. Based upon one of the largest bodies of vibrant correspondence written from the turn of the 1800s, we are able to peer into the scene of teeming wildlife and Native American Indians in the young America, expanding from this family's French nobility on the young American frontier and then blooming into titanic industrialists and caring naturalists and philanthropists. Within this monograph, historical fact, studied historical research, and expanded narrative craft a compelling legend of the prominent Desloge family. More than simply cold chronology of facts, these are action figures.

American History, 2001-06 Lewis & Clark Kris Fresonke, Mark Spence, 2004-02-25 Two centuries after their expedition, it awoke the nation both to the promise and to the disquiet of the vast territory out west. Lewis and Clark still stir the imagination, and their adventure remains one of the most celebrated and studied chapters in American history. This volume explores the legacy of Lewis and Clark's momentous journey and, on the occasion of its bicentennial, considers the impact of their westward expedition on American culture. Approaching their subject from many different perspectives—literature, history, women's studies, law, medicine, and environmental history, among others—the authors chart shifting attitudes about the explorers and their journals, together creating a compelling, finely detailed picture of the interdisciplinary intrigue that has always surrounded Lewis and Clark's accomplishment. This collection is most remarkable

Hartley,2007 Describes the August 1883 military expedition which was headed by President Chester A Arthur and guided by Lt Gen Philip Sheridan through the Wyoming Territory to reach Yellowstone National Park Its goal was to inform citizens of the area s scenic attractions and the need to preserve the park *American Stories* Jason Ripper,2015-02-18 This book is ideal for any introductory American history instructor who wants to make the subject more appealing It s designed to supplement a main text and focuses on personalized history presented through engaging biographies of famous and less well known figures from 1865 to the present Historical patterns and trends appear as they are seen through individual lives and the selection of profiled individuals reflects a cultural awareness and a multicultural perspective **Early American Studies** Peter Roop,Connie Roop,2018-07-31 American history comes alive for young readers in this collection of richly detailed narratives ranging from Christopher Columbus to Abraham Lincoln These direct and surprisingly accessible histories often told in the actual words of key figures from the American past are a brilliant blend of fact and imagination Publishers Weekly I Columbus A firsthand account of Christopher Columbus s famous voyage to the East taken directly from his journal entries He tells of excitement drama and terror on the high seas as he and his crew weather the path to discovery Pilgrim Voices The pilgrims own writings of their voyage on the Mayflower their first encounters with indigenous people and their Thanksgiving celebration after surviving a difficult first winter in the New World Off the Map The story of Lewis and Clark s famous 1804 expedition into the uncharted lands of America in an accessible version drawn from the explorers own account Louisiana Purchase Biographical sketches of Lewis and Clark Napoleon Bonaparte and Thomas Jefferson tell the story of the United States expansion into a new territory and a new era Sacagawea Told from Sacagawea s point of view this historical novel

shares the ordeals of her youth along with the memory of her journey west with Lewis and Clark She shares her love of nature and explains how her loyalties have changed over time The Declaration of Independence Covering major events such as the Boston Massacre and Paul Revere s midnight ride this accessible history brings the story of the Revolutionary War to life An Eye for an Eye When her brother is captured at the start of the Revolutionary War fourteen year old Samantha sets off to rescue him But when she comes face to face with the enemy will she still stand by her peaceful principles Take Command Captain Farragut Ten year old David Glasgow Farragut is the youngest midshipman ever assigned to a warship in the US Navy Told through fictional letters that Farragut writes from prison after his capture in the War of 1812 this richly imagined story is based on real history Ah-yoka and the Talking Leaves Ah-yoka s father is a Cherokee silversmith who dreams of a written language for his people When he is ostracized for the magic he is creating father and daughter leave home to pursue his dream on their own Grace s Letter to Lincoln After seeing Abraham Lincoln on a poster eleven year old Grace decides to write to him and suggest that he might win more votes in the 1860 election if he grows a beard Much to her surprise Lincoln answers her letter and history is made This touching historic encounter is based on true events Scholastic *Slow Road to Brownsville* David Reynolds,2020-12-08 An adventurous Englishman explores the forgotten landscape of America s Wild West in this illuminating elegantly written travelogue Financial Times In his acclaimed memoir *Swan River* David Reynolds invited readers into the world of his youth growing up in Manitoba Canada Now in *Slow Road to Brownsville* Reynolds brings readers on a road trip along Highway 83 a little known two lane highway that runs from his Canadian hometown to the Mexican border at Brownsville Texas on the Gulf of Mexico Enthralled by the myth of the American West and the romance of the open road Reynolds explores the realities behind both as he makes his way between small towns gas stations and motels hanging out in bars with the locals and learning the stories of this forgotten region that was once the frontier Along the way he encounters many legendary figures from North American history including Lewis and Clark Sitting Bull Buffalo Bill Davy Crockett and even Truman Capote **Annual Editions: American History, Volume 1** Robert James Maddox,2006-03 The book is designed to provide convenient inexpensive access to a wide range of current carefully selected articles from some of the most respected magazines newspapers and journals published today Within the pages of this volume are interesting well illustrated articles by historians educators researchers and writers providing effective and useful perspectives on today s important topics in the study of American history Back cover **Spiritual Honesty** Paul H Price,2012-08-23 The great peril of any religious life is the naturally produced conflict between rules and relationships That conflict occurs when our focus becomes primarily the living of religion attending mostly to the outwardness of faith to the fulfilling of commandments It is then that religion can become its own religion it can become what we worship believing that the satisfying of the processes and requirements of our faith are what will justify us The rules of any faith are the means to an end not the sole qualifications Religion and the practice of religion is a vehicle a catalyst a foundation designed to facilitate a very authentic change in us in

our nature in our very behavior The underpinning of that change is when relationships become the reason for obedience and action not the blessings and consequences of the rules

Big Sky Rivers Robert Kelley Schneiders, 2003 To frame his story Schneiders goes back to the nineteenth century journals of fur traders and settlers and in the record of flora fauna floods and human activity he finds evidence of rapid and disruptive change Bison once had the greatest influence on the land and Schneiders depicts an original bison and Indian trail networks on which were overlaid the first torts and towns and then the railroads highways and reservoirs that reconfigured the region forever

The American West, 1987 **Undaunted Courage** Stephen E. Ambrose, 2011-11 In this sweeping adventure story Stephen E Ambrose the bestselling author of D Day presents the definitive account of one of the most momentous journeys in American history Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson's hope of finding a waterway to the Pacific through the heart stopping moments of the actual trip to Lewis' lonely demise on the Natchez Trace Along the way Ambrose shows us the American West as Lewis saw it wild awesome and pristinely beautiful Undaunted Courage is a stunningly told action tale that will delight readers for generations In 1803 President Thomas Jefferson selected his personal secretary Captain Meriwether Lewis to lead a voyage up the Missouri River to the Rockies over the mountains down the Columbia River to the Pacific Ocean and back Lewis was the perfect choice He endured incredible hardships and saw incredible sights including vast herds of buffalo and Indian tribes that had had no previous contact with white men He and his partner Captain William Clark made the first map of the trans Mississippi West provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory and established the American claim to Oregon Washington and Idaho Ambrose has pieced together previously unknown information about weather terrain and medical knowledge at the time to provide a colorful and realistic backdrop for the expedition Lewis saw the North American continent before any other white man Ambrose describes in detail native peoples weather landscape science everything the expedition encountered along the way through Lewis's eyes Lewis is supported by a rich variety of colorful characters first of all Jefferson himself whose interest in exploring and acquiring the American West went back thirty years Next comes Clark a rugged frontiersman whose love for Lewis matched Jefferson's There are numerous Indian chiefs and Sacagawea the Indian girl who accompanied the expedition along with the French Indian hunter Drouillard the great naturalists of Philadelphia the French and Spanish fur traders of St Louis John Quincy Adams and many more leading political scientific and military figures of the turn of the century This is a book about a hero This is a book about national unity But it is also a tragedy When Lewis returned to Washington in the fall of 1806 he was a national hero But for Lewis the expedition was a failure Jefferson had hoped to find an all water route to the Pacific with a short hop over the Rockies Lewis discovered there was no such passage Jefferson hoped the Louisiana Purchase would provide endless land to support farming but Lewis discovered that the Great Plains were too dry Jefferson hoped there was a river flowing from Canada into the Missouri but Lewis reported there was no such river and thus no U S claim to the Canadian prairie Lewis

discovered the Plains Indians were hostile and would block settlement and trade up the Missouri Lewis took to drink engaged in land speculation piled up debts he could not pay made jealous political enemies and suffered severe depression High adventure high politics suspense drama and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel *Sea History* ,1996 *Encyclopedia of the Lewis and Clark Expedition* Elin Woodger,Brandon Toropov,2014-05-14 Provides facts and information about the travels of Meriwether Lewis and William Clark and their Corps of Discovery and its importance in relation to Native Americans and the westward expansion in the United States *Iowa Historian* ,1997
