Save The Children Humanitarian Organizations:

Saving the Children Emily Baughan, 2021-11-23 *Saving the Children* analyzes the intersection of liberal internationalism and imperialism through the history of the humanitarian organization Save the Children from its formation during the First World War through the era of decolonization Whereas Save the Children claimed that it was saving children to save the world the vision of the world it sought to save was strictly delimited characterized by international capitalism and colonial rule Emily Baughan's groundbreaking analysis across fifty years and eighteen countries shows that Britain's desire to create an international order favorable to its imperial rule shaped international humanitarianism In revealing that modern humanitarianism and its conception of childhood are products of the early twentieth century imperial economy *Saving the Children* argues that the contemporary aid sector must reckon with its past if it is to forge a new future **Empireworld**

Sathnam Sanghera, 2024-05-07 Bestselling author and journalist Sathnam Sanghera explores the global legacy of the British Empire and the ways it continues to influence economics politics and culture around the world 2.6 billion people are inhabitants of former British colonies The empire's influence upon the quarter of the planet it occupied and its gravitational influence upon the world outside it has been profound from the spread of Christianity by missionaries to the shaping international law Even today 1 in 3 people drive on the left hand side of the road an artifact of the British empire Yet Britain's idea of its imperial history and the world's experience of it are two very different things Following in the footsteps of his bestselling book *Empireland* How Imperialism Has Shaped Modern Britain *Empireworld* explores the ways in which British Empire has come to shape the modern world Sanghera visits Barbados where he uncovers how Caribbean nations are still struggling to emerge from the disadvantages sown by transatlantic slavery He examines how large charities like Save the Children and the World Bank still see the world through the imperial eyes of their colonial founders and how the political instability of nations such as Nigeria for instance can be traced back to tensions seeded in their colonial foundations And from the British Empire's role in the transportation of 12.5 million Africans during the Atlantic slave trade to the 35 million Indians who died due to famine caused by British policy the British Empire as Sanghera reveals was responsible for some of the largest demographic changes in human history Economic legal and political systems across the world continue to function along the lines originally drawn by the British Empire and cultural sexual psychological linguistic demographic and educational norms originally established by imperial Britons continue to shape our lives British Empire may have peaked a century ago and it may have been mostly dismantled by 1997 but in this major new work Sathnam Sanghera ultimately shows how the largest empire in world history still exerts influence over planet Earth in all sorts of silent and unsilent ways *The Humanitarians* Joy Damousi, 2022-08-11 A longitudinal study spanning six decades to map the national and international humanitarian efforts undertaken by Australians on behalf of child refugees **Voluntary Organisations, the Red Cross, and the Features of Humanitarian Reconstruction in Western Europe after the World Wars** Romain Fathi, Melanie

Oppenheimer, Paul-André Rosental, 2025-06-11 This book explores the ways in which non government organisations have contributed to the reconstruction of and care for populations in Western European countries including but not limited to Belgium France Germany Italy and the United Kingdom in the aftermath of the World Wars Historical research on voluntary or non government organisations and their contribution to the reconstruction of states communities and humanitarian assistance to civilian populations following conflicts epidemics and disasters through the twentieth century has generally focused on non Western European countries except for Second World War II The historiography suggests that it is mostly in Eastern Europe the Middle East Asia and Africa that natural or man made disasters have occurred and that these places have been the focus for humanitarian assistance Rather the humanitarian enterprise is viewed through the binary of the Global North Global South those who save and those who are saved The chapters in this volume investigate how the Red Cross movement the League of Red Cross Societies the International Committee of Red Cross and individual national societies and other voluntary organisations such as the Rockefeller Foundation and a range of other international and local non government bodies have contributed to reconstruction in these countries at both national and local levels following times of crises such as wars civilian upheavals and disasters This book will appeal to scholars and students of history humanitarian studies international relations and social sciences The chapters in this book were originally published as special issues in *European Review of History* *Revue européenne d'histoire*

The Women of Berkshire Hathaway Karen Linder, 2012-04-05 A fascinating look at the top women at Berkshire Hathaway and how they got there Although proportionally women continue to lag far behind men as CEOs and board members at major institutions there has been a marked uptick in the number of female business leaders in recent years Looking at the changes that have happened at Berkshire Hathaway Warren Buffett's holding company *The Women of Berkshire Hathaway Lessons from Warren Buffett's Female CEOs and Directors* provides a unique look at the gradual shattering of the glass ceiling at one of America's top firms An influx of female leadership over the past few years today there are four female CEOs up from just one a decade ago has invigorated Berkshire Hathaway with energy and unique female insight Profiling these remarkable women the book provides motivational and management information for a wide range of readers from business students to Buffett fans Looks closely at the female board members of Berkshire Hathaway and the female managers who run Berkshire Hathaway companies Follows the paths that brought these women to their current positions Explores their working relationship with their employees and Warren Buffett and how they balance work and their private lives The only book focusing on eight of the most powerful women at Berkshire Hathaway *The Women of Berkshire Hathaway* is an inspirational read about the triumph of a group of remarkable women within a company once dominated by men

Children, Young People and Borders Machteld Venken,Virpi Kaisto,Chiara Brambilla,2022-05-11 This edited volume increases knowledge about children and young people living in borderlands passing through borders and de constructing borders as well as highlights the potential of studying how children and young people imagine act cross and inhabit symbolic and material borders The study of borders and borderlands is growing extensively but the experiences of children and young people in the turmoil of border changes and border crossings remain under researched Adopting a multidisciplinary approach this edited volume has a twofold objective to increase knowledge about children and young people living in borderlands passing through borders and de constructing borders and to highlight the potential of studying how children and young people imagine act cross and inhabit symbolic and material borders with the aim of advancing the theoretical and empirical debate within border studies The chapters in this book were originally published as a special issue of the Journal of Borderlands Studies Military Training And Children In Armed Conflict Jenny Kuper,2005 During recent armed conflicts such as those in Iraq the former Yugoslavia and Rwanda public attention was repeatedly caught by images of children both as civilians and as soldiers Those conflicts like so many others were vivid reminders that where there is armed conflict there are also almost always children Soldiers and officers fulfil many roles in relation to such children sometimes as combatants sometimes as humanitarian workers sometimes as protectors and or sometimes as enemies and abusers This book aims to address three main questions what are the obligations of officers of national armed forces in relation to children either civilians or combatants whom they or those under their command may encounter while participating in situations of armed

conflict How realistic and achievable are these obligations How can compliance with them be encouraged monitored and or enforced The book examines these questions in the context of military training In doing so it has another inextricably linked aim to see if there are ways in which the training of officers can improve the protection of children in armed conflict situations in accordance with international law and policy It is intended for use particularly by those involved in training of national armed forces including officers themselves and members of governments non governmental organisations NGOs and inter governmental organisations It is hoped that it will also be of interest to lawyers academics and others concerned with child rights and related law and policy It contains examples of actual training materials that can be modified for use in different countries and contexts

The Rights of Unaccompanied Minors Yvonne Vissing, Sofia Leitão, 2021-07-22 This volume explores the various challenges faced by migrant unaccompanied children using a clinical sociological approach and a global perspective It applies a human rights and comparative framework to examine the reception of unaccompanied children in European North American South American Asian and African countries Some of the important issues the volume discusses are access of displaced unaccompanied children to justice across borders and juridical contexts voluntary guardianship for unaccompanied children the diverse but complementary needs of unaccompanied children in care which if left unaddressed can have serious implications on their social integration in the host societies and the detention of migrant children as analyzed against the most recent European and international human rights law standards This is a one of a kind volume bringing together perspectives from child rights policy chairs across the world on a global issue The contributions reflect the authors diverse cultural contexts and academic and professional backgrounds and hence this volume synthesizes theory with practice through rich firsthand experiences along with theoretical discussions It is addressed not only to academics and professionals working on and with migrant children but also to a wider discerning public interested in a better understanding of the rights of unaccompanied children

The Kindness of Strangers Michael E. McCullough, 2020-07-21 A fine achievement Peter Singer author of *The Life You Can Save* and *The Most Good You Can Do* A sweeping psychological history of human goodness from the foundations of evolution to the modern political and social challenges humanity is now facing How did humans a species of self centered apes come to care about others Since Darwin scientists have tried to answer this question using evolutionary theory In *The Kindness of Strangers* psychologist Michael E McCullough shows why they have failed and offers a new explanation instead From the moment nomadic humans first settled down until the aftermath of the Second World War our species has confronted repeated crises that we could only survive by changing our behavior As McCullough argues these choices weren't enabled by an evolved moral sense but with moral invention driven not by evolution's dictates but by reason Today's challenges climate change mass migration nationalism are some of humanity's greatest yet In revealing how past crises shaped the foundations of human concern *The Kindness of Strangers* offers clues for how we can adapt our moral thinking to survive these challenges as well

No Place for a War Baby Donna Seto, 2016-05-06

Donna Seto investigates why children born of wartime sexual violence are rarely included in post conflict processes of reconciliation and recovery The focus on children born of wartime sexual violence questions the framework of understanding war and recognizes that certain individuals are often forgotten or neglected This book considers how children are neglected sites for the reproduction of global norms It approaches this topic through an interdisciplinary perspective that questions how silence surrounding the issue of wartime sexual violence has prevented justice for children born of war from being achieved In considering this Seto examines how the theories and practices of mainstream International Relations IR can silence the experiences of war rape survivors and children born of wartime sexual violence and explores the theoretical frameworks within IR and the institutional structures that uphold protection regimes for children and women

The Mother and Child Project Zondervan, 2015-03-31 Dozens of influential leaders have heard the pleas of mothers and children in developing countries Raising their voices to inspire a movement to increase healthy pregnancies and lower death rates Melinda Gates Kay Warren Bill Frist Kimberly Williams Paisley Michael W Smith and more speak out about why people of faith must get involved in The Mother and Child Project Raising Our Voices for Health and Hope Almost 287 000 women die each year because of pregnancy and birth complications Many orphans are left behind in the wake of this tragedy and without a mother many of those children die as well If only enough people knew We have the resources to prevent this crisis but we must take action Fortunately Hope Through Healing Hands a nonprofit organization promoting awareness for healthy mothers and children worldwide is already spreading the word Not only can we save lives reduce abortions and decrease death rates but also we can help build healthier thriving families and bring stability and sustainability to families communities and nations The question is will you join them
