**Stop "Killing" Our Children** Philip S. Chua MD FACS FPCS,2011-08-25 Book Review Author Advocates Healthy Lifestyle and Disease Prevention to start from the Womb and dieting to begin in the Crib New Health Book written in easy to understand laymans term provides thought provoking and valuable health reference designed to change lives of individuals and society as a whole through good pre emptive and proactive social initiatives and more responsible parenting for healthy lifestyle and disease prevention which the cardiac surgeon author says must start in the womb and safe dieting should begin in the crib to maximize their full potential in achieving their goals XLIBRIS PRWEB August 29 2011 What is the best strategy to prevent diseases Cardiac Surgeon Emeritus in Northwest Indiana Dr Philip S Chua attempts to provide resolution to this issue as he presents Lets Stop Killing Our Children a valuable inspiring and innovative 794 page health guide that focuses on disease prevention starting from ground zero and highlights the fundamental obligation parents and society have in teaching children how to life a healthy lifestyle by setting good examples early on This revolutionary concept puts the onus squarely on society parents and guardians of young children who are totally at the mercy of society and of these adults whose good or bad examples habits and behaviors will inevitably be emulated by the children It is in the first five formative years of the children and up to age 12 when instilling proper discipline and behavioral modification are most effective states this heart surgeon Almost all diseases known to man are self induced and are therefore preventableMost of us seemed to have unwittingly programmed our mindset and behavior to a self destruct and slow suicide modethis negative surrender and fatalistic attitude are what this book aims to change Dr Chua critically pointed out in his book An international health advocate and writer Dr Philip S Chua in this book of information philosophy and principles poses this great challenge to society as a whole in his belief that most diseases known to man are self induced through self abuse It is important that both society as a whole and parents play their essential role of doing what is right for the children way before age 5 to save these young lives from avoidable morbidity and premature death as they grow to middle age and beyond After all says Dr Chua the

race does not start in the middle The author points out that autopsy findings on children as young as 4 5 who were victims of accidents already had evidence of arteriosclerosis hardening of their arteries which we see in adults we must be doing something wrong Are we losing the war on diseases because we are starting late and lagging far behind in this race ponders the cardiac surgeon Dr Chua in his book strongly suggests for parents and society as a whole to practice this novel pre-emptive and proactive health concept even before conception to achieve a healthier family a healthier citizenry and thus a healthier nation Since we have not really significantly succeeded in our war against many diseases over the past half a century the medical community and society as a whole need to seriously re-evaluate of our current conventional strategy in dealing with health and disease prevention if we are to contain if not eradicate the common diseases afflicting man around the world today including hypertension obesity diabetes heart disease stroke and even cancer admonishes the author This pre-emptive health strategy could forever change the role of parents and society in our quest for health well-being happiness and longevity This challenging and stimulating coffee table book of wisdom is a must-read Every home deserves one **Host**

The Top Books of the Year Saving Face A Dermatologists Guide To Maintaining A Healthier And Younger Looking Face The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Saving Face A Dermatologists Guide To Maintaining A Healthier And Younger Looking Face : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Saving Face A Dermatologists Guide To Maintaining A Healthier And Younger Looking Face : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Saving Face A Dermatologists Guide To Maintaining A Healthier And Younger Looking Face : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
